ASSOCIATIONAL BOARD ACTIONS

July 21, 1975

Budget for 1975-76 was presented. Motion was made to adopt this budget subject to the approval of the Annual meeting. Motion passed.

Question of time change in the Associational year was referred to the Executive committee for further study.

Brother James Johnson presented a resolution against the showing of nude scenes of the Rock musical "Hair" to be shown on July 29 in Asheville. Motion made and passed to go on record showing our approval of the efforts of the City Mayor, Council and other officials on this matter--that they be commended on their stand in defense of said community standards in insisting that full nudity be dispensed with in the

Asheville showing of "Hair" on July 29--and that copies be sent to the three mentioned, the District Attorney, the Sheriff of Buncombe County, the Asheville Chief of Police, the Council and the Board of County Commissioners.

The Nominating Committee gave the names of the program heads for the Associational work and these were approved.

October 20, 1975

No definite actions were taken - reports and executive actions were given to the group. (See Executive committee actions)

January 19, 1976

Motion was made and passed to add Mrs. Ruth Pipes' name to the list to send to Coy Privette for consideration to serve on the Committee on Committees - a fifteen member of the Baptist State Convention.

The following action of the Executive Committee concerning the future expansion of Buncombe Baptist Association was read to the group:The Executive Committee recommends to the Associational Board that we accept these actions (printed on the gold sheet) as implementation of our thinking with regard to Christian ministries and that number 6 (on the back page of the gold sheet) be given priority in these actions. (The gold sheet referred to pertains to expansion of present staff personnel of Buncombe Association by securing a Director of Christian Ministries. The No. 6 referred to covered the raising of the necessary money to carry forward this expansion by instructing the Budget and Finance Committee to make a request of each church to adopt a plan of giving to Associational Missions, provide Associational Missions envelopes to be used during the Week of Prayer for Associational Missions, and by providing Associational Missions Bulletin inserts to be used by all the churches who will do so.)

A motion was made that we adopt these recommendations as set down by the Executive committee. Motion seconded - discussion followed - after which the motion passed.

April 19, 1976:

No definite actions - reports given and report on the coming July 4 Rally at the Civic Center was given by the Director of Missions. He also challenged the group toward 2% of all undesignated gifts for Associational Missions.

Respectfully submitted,
Martha E. Hicks, Clerk

EXECUTIVE COMMITTEE ACTIONS

September 29, 1975:

Motion was made and passed that we study the possibility of joining with the South-wide Training group at Ridgecrest for a July 4 Rally at the Civic Center. The Moderator and Director of Missions were appointed as a Committee to work with Dr. Harris in planning this.

The action of the Annual meeting was brought to the group - At the Annual Meeting Buddy Corbin made the following motion - "I move that we set an Associational Budget Goal of $60,000 for 1976-77 and that the Executive Committee of the Association name a Special Committee to enlist the churches in support of this goal." A motion was made and passed that the Finance Committee and the Associational Council make a study of this and serve as this Special Committee and bring back to the Executive Committee a report of their study.

(The Associational Council at their meeting in October set a date for January 12 for this first Study Meeting at 7:00 P.M.).

January 19, 1976:

The need for one more person on the Finance Committee was brought to the

attention of the group. Motion made and passed that Glenn Gunter be placed on the Finance Committee.

Need for replacement for Joe Babb, Chairman of Constitution Committee. Motion made and passed to elect Ronnie Owen to this place.

Motion made and passed that we add to the Budget the amount of $166.56 for taking care of the hospital insurance increase with the Baptist State Convention for the Missionary and that we authorize the financial Secretary to automatically take care of these when they arise and inform the Executive Committee of same.

Motion made and passed to send to the Convention the following names for consideration for the General Board of the Baptist State Convention - Roy Denton, Bob Grant, and Mrs. John Knight (later changed to Mrs. J. C. Pipes).

Motion made and passed to elect Neils Larsen (who has been working with Luther Osment and the Director of Missions on Seminary Extention courses, Etc.) as Director of Seminary Extension for Buncombe Baptist Association.

A motion was made and passed that the Executive Committee recommend to the Associational Board that we accept these actions (on the printed gold sheet) as implementation of our thinking with regard to Christian Ministries and that number 6 (on the back page) be given priority in these actions.

For a complete copy of the gold sheet referred to here and in the Associational Board actions, contact the clerk who has a copy of this sheet with her minutes of all Board and Committee Actions.

February 16, 1976:

Motion was made and passed - at the request of the Pastors - that we purchase and place in the Associational office a duplicating machine for cassette tapes. Price was $650.00 - and that churches be invited to pay for this machine in extra donations and not from the Associational budget. Brother Udeen Burke agreed to let the money be paid as it comes into the Associational office.

Motion made and passed that the Bonding for person handling the money for the Associational funds be changed from the Treasurer to the Financial Secretary and to leave the amount at $2,000.00.

Motion made and passed that we proceed with the Rally on July 4 even though the South-wide leaders had dropped it and that Mud Creek Association be invited to join with us.

Motion made and seconded that we appoint a Committee to work out the details of the Rally and work with Mud Creek in planning and that this committee have the power to act with all plans for the July 4 Rally and that the Director of Missions and the Associational Moderator serve on the committee as ex officio. James Johnson was named as chairman of this committee with LeRoy Denton, Ronnie Owen, Dudley Penton, and Don Welborn to serve with him.

A letter from Ernest Upchurch was read stating that we need to get in to him the amount we need concerning the Christian Ministries program for January 1977 - that we need to have the amount we need from the state and Home mission boards into him by March or April of 1976. Motion was made and passed that we inquire from other Associations our size and complexion (city-rural) with the work of Christian Social Ministries - and compare these with what we think we will need (Fayetteville, Mecklenburg, and Gaston were named) - and then get a letter to Mr. Upchurch stating this. The letter to Mr. Upchurch recommended the following - from the Finance Committee: Salary $6,700.00, Housing $2,400.00, Travel $1,500.00, and Insurance $1,000.00 making a total from the State and Home Boards of $11,600.00. The Association's part would be in addition to this amount.

June 28, 1976:

The following letter from Mr. Upchurch was read to the group:

We have received your letter requesting $11,600 from the Department of the Convention for Christian Social Ministries in the Buncombe Association. This request will be discussed with the Administration and the budget committee of the state and

Home Mission Boards. I will let you know the outcome later.

Matter of TV spot - suggested by the Newfound Church who had placed in their budget $500.00 for this and asked the Association to consider something along this line. Motion made and passed that this be referred to the Publicity Committee-and ask them to meet with Bro. Charles Phillips and the Director of Missions and bring back a report to the Executive committee at a later date.

Motion made and passed to elect Billy Cline as Publicity chairman to finish out this year to replace the chairman who has left the area.

The chairman of finance presented the proposed Budget for 1976-77. Each item was read and discussed if need be and passed and is ready to be approved by the Associational Board and then on to the Annual Meeting.

Respectfully submitted,
Martha E. Hicks, Clerk

THE MISSIONARY'S REPORT
WE SHOULD SHIFT TO A HIGHER GEAR
John G. Hicks

THE BACKWARD LOOK MAKES US GRATEFUL

We are thankful for the big meetings of this past year. The State Convention and the evangelistic conference met here and our folks were gracious hosts to both.

We are grateful for the team work with the Mud Creek Association which brought about a very fine bicentennial celebration program at the Asheville Civic Center on July 4.

We are thankful that the traffic through the Baptist Building here continues to increase for it means that folks are using what Baptists have here for their work.

We are thankful for the fine leadership of our associational program Directors and all who work with them all along during the year. They do great work.

We are thankful for all our officers, committee leaders, and other leadership who just move into their elected places of responsibility and do commendable service.

We are grateful for our state and southwide leadership who share all along the way to help us do a better work for the Lord in the association and in the churches.

We are thankful for the good fellowship atmosphere which provides the best climate for doing an increasingly better work as we move along together.

We are grateful for the good response to the leadership of Brother Ralph Cannon in raising money for our proposed WNC Baptist Home. This has strengthened our work generally and will be an increasing blessing in many ways in all the future.

We are thankful for God's blessings upon us as reflected in more baptisms, increases to the Cooperative Program, new buildings completed, and many other things.

We are grateful for the opportunity of working with great folks in the Baptist Building, faithful pastors who labor together so beautifully, and some truly wonderful people in the ninety-one churches of our association.

THE PRESENT IS GOOD AND LOOKING BETTER

There is improvement in our associational missions giving from the churches. One by one our smaller churches (and some larger) are voting to give two percent (2%) of each offering plate dollar to associational missions. We would encourage these to send this into the office on a regular basis (monthly if possible). Several larger churches have improved their giving even though they are not yet up to the two percent suggestion. We trust they will keep on improving in this, for they truly help.

There is a better understanding that we can improve and expand our associational missions work as we improve and increase our giving. Even as sound faith and sound wisdom go into the making of a progressive church budget the same is demanded for healthy associational growth.

WE NEED FULL TIME LEADERSHIP IN TWO MAJOR AREAS

Christian Ministries: There is steady growth in understanding the need for a skilled leader to guide us in meeting the deep human needs all around us. As our Lord touched life where it 'hurt' so we dare not "pass by on the other side" and not minister with love and genuine compassion. There are so many facets of this ministry which demand our attention and response. Our convention is considering helping us at this point.

Church Development: Our Association has responsibility to ninety-one churches. Thirty-three have Sunday Schools under 100 enrollment, twenty have enrollment between 100 and 200, while fourteen show enrollment between 200 and 300. We must improve our assistance to these 67 as well as the other 24. It has been well said that when you feed a hungry man you help him for a day, but when you put a tool in his hands you help him for a lifetime. And when you do both in the Spirit of our Lord eternity enters the picture. The Sunday School (along with others) is a valuable tool for changing lives and churches for time and for eternity. We cannot afford to do less than our best as an association to assist our churches where they need us most. The Education Coodinator has assisted in teaching-training-coordinating in this area as time allows in a busy office schedule. We believe it is time to move into full-time service in this field.

REPORT OF EDUCATION COORDINATOR:
(Church Development)

The term we are now using in our Educational Ministry in the Association is Church Development - the task or basic function is to develop and promote an Associational Program that will strengthen and help the educational ministry of the Association and each local church. In performing this function, the person in Church Development will work in cooperation with the Program Directors, leaders, officers and committees of the Association and with the Pastors and Educational Directors of the local churches in the total strengthening of the teaching-learning-training ministries of each local church. This will be done through Clinics, workshops, sharing how-to-do-it materials and conferences (individual and group).

When I came into the work in 1972, I was given this task to do as time permitted after the task of the office functions. More and more requests are coming into the Associational office for assistance in these areas. We recognize the need for a full-time Director in Church Development. We have 91 churches-and the majority of them have less than 175 enrolled in Sunday School-the basic Bible teaching and outreach organization and 36 churches that have no Church Training. There are also continuing needs in the areas of Missions and Music. We realize that as we assist our churches in the strengthening of their teaching - training work (Sunday School, Church Training, Missions, and Music) we are helping the Pastors and people in developing stronger churches.

In this task, many individual and group conferences have been held. These have been in the realm of assisting leaders in choice of curriculum materials, teaching-training techniques. We have also led or assisted in 18 workshop clinics in addition to the regular quarterly meetings and program training sessions. Plans are completed for four or five preparation week clinics (we regret we could not take any

more). I, along with other Associational leaders, will be working in these.

We are grateful for all who call for assistance. We regret that we could not assist a number of others who called for Clinics because of our heavy work schedule in the in the office.

We also assisted in arranging some Christian Ministries work with the Chaplain at the Swannanoa Evaluation Center. Three of our churches (Macedonia, Sunrise, and Black Mountain First) along with their summer Youth Directors/Ministers of Music and Youth assisted the Chaplain each Sunday morning during June, July, and August with the early Worship Services for the Youth at the Center. Our Associational W.M.U. and Christian Ministries organizations along with several of our churches purchased new Hymnals for the Center. They increased in price-so we could still receive $40.00 on this if some of you can do so.

Also, our Association assisted with the 8 week Bible camp at the Mt. Zion Baptist Church. This was done by assistance with the salary of the Adult leader, supplying materials, filmstrips, and printing from this office. Several of our Mud Creek Churches enter into this camp-an outstanding work was done in this area. We were grateful that Mrs. Alcovia McCall could assist with this good service in Cooperative Ministries. We also, arranged for a Fruitland student, Tim Yarbrough, to direct the VBS at the Welfare Church in the Mud Creek Association. Some good ladies of the Calvary Church furnished materials for this. Much more can be done in Christian Ministries when we have a full-time person in this needed work.

We are looking forward to the new series of books in the Sunday School group which we will study in a regional workshop here in Asheville next spring.

The date is May 2 at First Baptist Church, Asheville

The time is 9:30 A.M. to 5:00 P.M.

New resources, new teaching books, learning kits, tapes, new ideas, etc. will be presented.

Those who were present in the last Sunday School week in the leadership conferences saw a preview of some of these materials - film, etc. and the importance of these conferences can not be stressed too much for the future of Sunday School work in the years to come.

These teaching books make four in the series of leadership books for each age level. The others are: The Working Books, The Understanding Books, and The Guiding Books.

These do not take the place of the Guiding Books as some have thought but they are the fourth in the series of Leadership Training Books.

Respectfully submitted,
Martha E. Hicks

CHRISTIAN RECREATION

In real estate, it's said that the three most important things are (1) location (2) location, and (3) location. In the 1976 Buncombe Baptist Softball League, the three most important things were (1) fellowship, (2) fellowship and (3) fellowship. Fifteen Baptist churches fielded teams this year in our biggest and best year yet. This was a substantial increase over the nine that participated last year. The churches fielding only a men's team included Merrimon Avenue, Alexander, Barnardsville, and New Morgan Hill. Churches with both a men's and ladies team were: Riverside, Zion Hill, Grace, Calvary, West Asheville, Emma, Starnes Cove, Macedonia, Liberty, Hominy and Mt. Carmel.

Our twenty game regular season schedule began the second Monday in May and concluded the last week in July, concluding with the two men's division champions squaring off in a best-two-out-of-three series to determine the league champion. In August a double elimination tournament was held with fourteen men's teams and nine ladies' teams participating. Awards for the tournament were given following the final games at the Hominy Valley Recreation Park, who once again ran a very fine tournament and who were nice enough to lend us their facilities for our regular season awards picnic to be held on September 18.

On that date, a ladies all star game will kick off the festivities at 2:30 with a mens all-star game to follow at 4:00. A picnic supper and fellowship will follow at 5:30 with the awards presentation capping it off at 6:30.

We're very hopeful that more churches will join this fine fellowship next year and realize that it is a definite way of reaching people for Christ.

With the anticipation of more teams next year, a more critical need for an associational field will develop. If someone would like to donate some land for this purpose or would allow some land to be shaped into a field for the association's use, please contact our Associational Office.

Rick Wynne and Dean Williams

RESOLUTIONS COMMITTEE

Be it resolved:

That we express our thanks to our Moderator, Rev. Groce Robinson; our Vice-Moderator, Roy Denton; to our Clerk, Mrs. Martha Hicks; to our Director of Missions, Mr. John Hicks; to our Program Committee; and to all other Committees for the faithful performance of their duties.

That we also thank Don Welborn and his assistants for leading us in worship through music.

That we express our gratitude to our host churches - Starnes Cove and Edgewood for the use of their facilities for the meeting of the Association.

That we thank God for Dr. Cecil Ray for the challenging message on Monday evening and Rev. Charles Smith for his inspiring message in the annual sermon.

That we bow our heads and hearts in loving memory and thankfulness for the inspiration given to us by those of our number who, during the past year, have gone to be with the Lord.

That we as individuals pray earnestly for God's guidance as we cast our vote in the up-coming national and local elections.

That we accept Paul's exhortation in Colossians 3:6, "Let the word of Christ dwell in you richly in all wisdom; teaching and admonishing one another in Psalms and hymns and spiritual songs, singing with grace in your hearts to the Lord", so that the churches in this association will 'stand up' and witness as never before to the lost in our midst and minister to the distraught, troubled and confused persons all around us.

That we thank God for a Saviour who is able to meet our every need.

Respectfully submitted,
Dudley Penton

Ron Reep - Asheville First
Brenda Buckner - Beverly Hills

The committee found these candidates to be spiritually sound in faith and doctrine, and qualified for ministry for the Master.

THE ASSOCIATIONAL CHURCH MEDIA CENTER ORGANIZATION

The Church Library Media Center workers have met regularly at each quarterly meeting to have programs and workshops. It is a time that technical problems can be discussed and solved as well as ideas exchanged to have an effective ministry within our churches.

The Baptist Book Store through the local manager, Ben Rentz, has been most

helpful with displays and promotion.

During the year the Associational Church Library Director has been available for consultation with technical problems and help in setting up new libraries.

Our goal for the coming year is to encourage ten new libraries to be established and/or reactivated.

The Association also hosted the State Church Library Conference in April at the S. & W. Cafeteria and First Baptist Church.

Mrs. Robert Kinser, Director

BROTHERHOOD REPORT

The Associational Brotherhood has attempted to emphasize the involving of men in missions, evangelism and boys work. The Lay Evangelism teams, under the direction of Mike Smith, have done an excellent job.

Our men also did themselves proud in the way they handled the ushering for the State Convention, Evangelism Conference and the 4th of July Celebration.

Thanks goes to the RA Committee, Camp Committee, Christian Recreation Committee, and Prison Ministries Committee, and Special Projects Coordinator.

These men have done a good job. It has been my privilege to meet with these men on several occasions to discuss their work.

We had one Associational Brotherhood Workshop in November. Also, your director was called upon on five occasions to speak to mens' organizations in local churches and on one occasion to help conduct a Brotherhood Workshop in another association.

Our Associational Brotherhood Workshop this year is planned for November 9th at Merrimon Avenue Baptist Church.

My thanks to all who have helped this year in the area of Baptist Men's Work in our Association.

Respectfully,
Dudley Penton, Director

ANNUAL SUNDAY SCHOOL REPORT

1975-1976 was a good year. Most of our churches recorded increases in Sunday School enrollment and attendances. We thank God for every one. Remember: ⅓ of unsaved people enrolled in the Sunday School accept Jesus Christ as Saviour. Therefore, we should be about the business of reaching and teaching so that more persons may be saved.

1976-1977 should be a year of challenge to our Sunday School workers. Every church should set reachable, yet challenging goals for Sunday School enrollment, average attendance, and number of study course awards in Category 63. Special activities for the year should be scheduled and preparation should be started now to make them succeed:

1. REACHOUT SUNDAY, October 31 - Set a worthy goal - and reach it!
2. An Association-wide study of the new "teaching" books taught by personnel from Nashville and Raleigh, as well as local Association workers, is planned this year.
3. Vacation Bible School is an exciting time! There is now curriculum for the entire family. Every church should have at least a church school, and one or more churches should have a mission school or backyard Bible Club. If you need help, call the Association office.
4. Action Sunday School. Do you know about it? The Association office has two books with Cassette tapes to tell you all about it. Check them out and study this program.

CHUCH TRAINING

The Church Training Council met quarterly to review the work of the previous quarter and then to make plans for future projects.

An Interpretation Clinic for Church: The Sunday Night Place for 1975-76 was conducted at Westwood Church.

The annual "M" Night meeting was held at Bent Creek Church. Our attendance was 692. White Rock won both the attendance and percentage banners with eighty-seven present. Calvary received the achievement banner and plaque. The bicentennial theme was carried out in the music and a drama which caused us to appreciate our freedom of worship. A thought-provoking message was brought by Alex Booth, Director of Fruitland Bible Institute.

New Day for Training was emphasized throughout our Southern Baptist Convention. This was April 4 and a special effort was made to organize new Church Training programs from January 1 to April 4. Elk Mountain organized a Church Training program during this period. Other churches who organized or re-organized their programs during the year are Bethel, Pine Burr Park, Edgewood, Long Shoals, and Mt. Olive. We had a New Day Spectacular at the West Asheville Church April 4, 5, and 6. Dr. Phillip Harris from Nashville was our speaker for the rally on Sunday. Our own state workers and also workers from other states led a number of most informative conferences for us.

New Day for Training --1977 will be April 3. The goal for our convention is 1197 new training programs. That will be one for each association--plus one. Our ultimate goal, of course, is ninety-one training programs in Buncombe Association.

Our Youth Night meeting was at Reed-Memorial Church. The attendance banner was won by Zion Hill who had thirty-eight present. Four churches, Edgewood, Swannanoa, Weaverville, and Zion Hill, participated in the Bible Blitz. Zion Hill placed first and Weaverville placed second. These churches are to be commended.

Train - to make a difference!

Respectfully,
Mrs. Orville Myers
Director

THE MUSIC COUNCIL

The Music Council has been busy with several projects during the past year. We have met each month with ten to fifteen members to plan the music ministry for the various age groups. We have held quarterly conferences to help those directors who attend to become aware of materials available from different publishers as well as our own Broadman Press.

Our work includes activities for children, youth and adults.

Our work for children this year was a Childrens' Choir Day Camp which was held in August. We had approximately 80 children enrolled. The daily schedule included worship, rehearsals, refreshments and recreation. The Choir Day Camp concluded its week of fun and work with a worship service of music on Friday evening. The chapel at

West Asheville Baptist Church was filled with interested friends and two pastors. The service included three choirs who performed two anthems each and a mass choir which performed The Sound Of America. This Associational Choir will present the same work in eight to ten churches in our association throughout the coming year.

Our work for youth this year was a high-light with Don Wyrtzen as our guest conductor for our annual Youth Choir Retreat. Two hundred young people and advisors from many churches were inspired as Mr. Wyrtzen gave excellent leadership for the two day retreat. On Saturday evening we met at First Baptist Church in Swannanoa for a great service of worship which included a performance of I Love America. The church was filled that Saturday evening which gave excitement to the spirit as well as the singing of the choir. Our council has invited Mr. Wyrtzen to return again this coming year for another workshop with our youth. This mass choir sang at the Asheville Mall and Candler School under the leadership of Mr. Jay Lambeth, Minister of Music at Hominy. The same choir also sang for a regional meeting at First Baptist Church in Waynesville under the leadership of Donald N. Welborn, Minister of Music at Calvary. Dr. Cecil Ray was the guest speaker for this meeting. The Youth Choir was also the featured choir for the 4th of July Celebration at the Thomas Wolfe Auditorium where Dr. Forrest Feezor was the guest speaker.

Our work with the Adult Choir included three activities during the past year. The adult choir members from various churches presented a mass choir presentation of several anthems for the annual associational meeting under the direction of Donald N. Welborn. The choir sang several anthems under the leadership of Allen Cantrell, First Baptist Church, Black Mountain for our annual "M" Night Service. At Christmas the adults presented a performance of Handel's Messiah at Calvary Baptist Church with Charles Gatwood as the guest conductor.

It has been an exciting year and one which I will remember with good feelings of praising Christ through our Music Ministry.

W.M.U. REPORT 1975-1976

During this year of our nation's bicentennial our W.M.U. watchword has been "Where the spirit of the Lord is, there is liberty" II Cor. 3:17, and we have sought to share in W.M.U. work the liberty we have in Christ.

Associational officers launched the year with newly elected officers meeting in combined council in July, in attending Leadership Conference at Fruitland in August, and in conducting a workshop for associational leaders at First Church in September which was well attended. Four Executive Council meetings have been held for planning.

During the year W.M.U. conferences have been held four times on Associational nights. Three of these were held as age level conferences, giving needed assistance and training to church leaders. At the January meeting Miss Miriam Robinson, former Executive Secretary of W.M.U. of N.C., was secured as speaker bringing W.M.U. emphasis which reached pastors and laymen as well as women.

In December our association was asked to help in furnishing Christmas packages for 500 inmates at the womens' prison in Raleigh. Money was sent in by 30 churches, and 250 boxes of talcum powder were sent to W.M.U. office in Raleigh to be used. Because of this state wide ministry, we are told that the doors have been opened for future ministry to these women, and that 13 girls under 21 years of age were released to our state workers for a retreat at Mundo Vista. We rejoice in this, for those women are the responsibility of us all. The response from our churches was so great that we were able to send $150.00 to buy tapes of a religious and devotional nature to be used as a prison ministry and also to provide 30 hymnbooks for the Juvenile Rehabilitation Center here in Buncombe.

$125.00 was again given to assist in Black VBS work, and $100.00 scholarship given a student minister at Fruitland. This money was made possible by the Progress Fund sent by Church W.M.U.s for promotion of mission work in the association.

Nine observances of Baptist Women's World Day of Prayer were held November 3 in the nine districts under the direction of district leaders. 293 women participated in this day of prayer and fellowship.

The age level directors have reported many visits to churches to strengthen our work and organize new work. They have planned associational activities for their groups.

The GAs enjoyed a Play Day at Ridgecrest in November with 170 girls attending, and also a GA Jamboree, featuring Home Missions at Calvary Church in April with more than 200 attending. GA camps were discontinued at Fruitland this year, but Mrs. Kindiger reported some churches were able to send girls to Mundo Vista at Ashboro.

The Acteens Council and leader, Mrs. Joe Strange, attended a workshop at Mundo Vista in November and held a Studiact Fair at Enka Church in February. They also arranged a Studiact exhibit at Ridgecrest during W.M.U. week.

A Baptist Woman Prayer Retreat was held in June at the site of the Baptist Retirement Home and 15 churches enjoyed this day of fellowship and renewal planned by Mrs. E. L. Davis, Baptist Woman's Director.

A fellowship meeting was conducted for Baptist Young Women and a new organization begun at Skyland.

Four council members attended the state meeting in Charlotte, and were happy to find ten Buncombe churches listed in Book of Reports for having received awards on W.M.U. Achievement Guide. These were Enka, Merrimon Ave., Newfound, Calvary, Long Shoals, Weaverville, Arden, Hominy, Pole Creek and Westwood. A distinguished award was also presented to Buncombe W.M.U. for work done in 1975-1976.

Annual meeting, held at Weaverville April 26, drew a record attendance of 299 and was built around the theme "Proclamation '76 Freedom in Christ". Miss Sara Ann Hobbs, Executive Secretary of W.M.U. of North Carolina, was speaker, bringing information and inspiration which was well received. 13 W.M.U.s and 43 age level organizations were given awards for achievements. A number of pastors and laymen were welcome guests at this meeting.

Our goal is always that we may have W.M.U. organizations in all churches in our association. Heard at Fruitland--"We have no future unless we teach missions". May we be ever mindful that we are "Laborers together with God".

This year we have had 13 new age-level organizations in our churches.

Mrs. Robert R. Barnes, W.M.U. Director

CHRISTIAN MINISTRIES REPORT

Although a lot of visible progress is not evident, 1975-76 has been a year more and more pastors and churches have become better acquainted and more involved with Christian Ministries work.

Several of our Baptist churches are supporting the work of ABCCM (Asheville Buncombe Cooperative Community Ministry). We are grateful for this organization and commend our churches for supporting this work.

During the past year Christian Ministries has assisted in several worthwhile projects. Two hundred dollars was given to the Juvenile Evaluation Center at Swannanoa to purchase new hymnals. Leadership for religious services at the Center has been provided by several churches in our Asso.

As social needs arise in our churches and community, the Christian Ministries dimension of our association stands ready to assist in every possible way. During 1976-77 the work of Christian Ministries will continue to grow. A Christian Ministries

Council (made up of representatives from the nine districts of our association) will continue to meet and plan for more effective work. Churches are urged to appoint or elect a Christian Ministries representative to meet at the quarterly Association meetings.

Please continue to pray for Christian Ministries in the Buncombe Association.

Gayle Brown, Director

HOSPITAL MINISTRY

Upwards of approximately 3,000 people were visited by the Chaplain during the past year. The compassion of Jesus does not guarantee He will always make people well in this life but it does give courage and assurance in the midst of sickness and sorrow. For the 3,000 we say thanks to the Buncombe Association for remembering us in a time we needed you most.

Respectfully,
Charles W. Smith, Chaplain

EVANGELISM COMMITTEE

Buncombe Baptist Association

1975-76

The Evangelism Committee believes that winning lost persons to faith in Christ should be the prime concern of the church. With this idea in mind we are seeking to encourage all of our churches to give particular attention to Christian witnessing.

In 1975 the Associational Board gave our Committee permission to seek to have a Lay Revival in every church in the Bicentennial year. By the end of this year we will have conducted 25 or more such Lay Revivals. We are very grateful for God's grace and for the response of pastors and churches.

It is our hope that in 1977 our churches will give emphasis to evangelism in the Sunday Schools and that we will see many souls come to Christ through the witness of Sunday School personnel.

On a statewide basis we have seen an encouraging work. Rev. Bill Lamb, our State Secretary of Evangelism, reports the following:

1. More than 2600 pastors and lay persons in statewide Evangelism Conference
2. 14,284 persons in Lay Evangelism Schools in four and one-half years.
3. 525 Young people in Youth Ministry week and over 10,000 in Youth Evangelism Night.
4. Continued Cooperation with Brotherhood Department in Lay Revival and Lay Witness Weekends.
5. Youth Evangelism Strategy using Leadership Family, Touch Ministry, Discipling Ministry and Sharing Ministry.

Your Evangelism Committee is very grateful to Lay persons and Lay Coordinators for their faithful participation, especially to Alton Cannon for his work in the Enka-Chandler Crusade.

Respectfully submitted,
Alton Cannon

CHRISTIAN HIGHER EDUCATION REPORT

During fiscal year 1975-76, North Carolina Baptist provided $2,783,000 in financial support through Cooperative Program gifts to our seven Baptist colleges and universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. Additional support was provided through the observance of Christian Higher Education Sunday held on Father's Day in churches throughout the State. Special offerings received on this day are aimed at providing student aid to N.C. Baptist students.

Enrollment in our seven Baptist Colleges has run between 12,000 and 13,000 total students. Some 800 or more of these students are preparing for the ministry or other church related vocations. It is a well established fact that the over-whelming majority of Baptist ministers and church staff members in North Carolina received their education at Baptist colleges.

From the beginning, the preparation for ministry has been a purpose of our Baptist colleges, and we continue in that tradition. In addition to the formal preparation provided those going into church related vocations, all students in our Baptist colleges are exposed to opportunities that prepare them for ministry, whatever their vocation.There is a distinct difference in a Christian education.

Churches in Buncombe Association need to draw closer to our Baptist colleges. Invite students or faculty members to speak or lead special programs in your church. Learn about the distinct Christian opportunities for our young people, and the financial aid which is available to them. Encourage your young people to visit Baptist campuses and provide them with materials that are available upon request.

The Baptist Colleges of North Carolina reaffirm their gratitude for the support given by the churches, and pledge again their support of the local church and their commitment to make available to the youth of N.C. quality education with guidance in Christian values.

Dr. C. Fred Werhan
Representative in Christian Higher Education

REPORT OF THE DEPARTMENT OF CAMPUS MINISTRY

Although there are almost thirty of us attempting some distinctly Christian witness as Baptists or with BSU on the campuses of North Carolina, we know that we cannot do the job alone.

There will be worship periods, study sessions, fellowship hours, missions opportunities, outreach and witness groups and attempts to make our faith "applicable" to college life from Cullowhee to Wilmington. Chaplains will be seeking to project a ministry to faculty, administrators, internationals, married and graduate students as well as undergraduates. Students will give over $7,000 for missions and send their fellows around the world as witnesses. Baptist faculty and local pastors will join us in teaching, leadership training and deepening of Christian commitments.

Of equal significance in reaching students, however, will be the work of pastors, Sunday School teachers and other committed Christians in the churches from which these persons come. It is our hope to work together in a number of ways during the coming year to strengthen each other and seek even more effective ways of service.

James Y. Greene, Department of Campus Ministry

REPORT OF THE CHRISTIAN LIFE COUNCIL

The emphasis of the Christian Life Council in 1976 has been twofold: citizenship and

family relationships.

In January a bicentennial packet was mailed to every North Carolina Baptist pastor. In addition, a number of sermons and conferences have dealt with Christian Citizenship. Six tracts on citizenship were written and printed and are available for local church use.

A major concern for the Christian home has prompted the Council to distribute over 150,000 pieces of literature relative to the family. Over a hundred sermons on the home were preached and a number of conferences were conducted.

A Workshop for Youth Ministers was co-sponsored with the Youth Ministries Section.

A Single Adult Conference is scheduled for October 29-31 in Charlotte.

One of the most exciting developments is the creation of the Department of Christian Family Life. W. Douglas Cole will head this Department which will be a part of the Christian Life Council.

The Council continues to serve as a research, resource and referral agency for North Carolina Baptists regarding applied Christianity. Dozens of requests are received and answered from Baptists pertaining to everyday life situations.

The Christian Life Council's reason for existence centers on the concept of helping those who call Him "Lord, Lord" to know and do His Commandments.

BIBLICAL RECORDER REPORT TO THE ASSOCIATIONS

The Old Testament prophet Hosea declared, "My people are destroyed for lack of knowledge". Because of a great information void concerning truth, Jeremiah also cried out, "Publish and conceal not.".

Just as in Old Testament days, communication still remains one of the most sensitive problems in our churches. Think for a monent--how many problems has your church had that could be traced to a lack of communication? Too many church members are misled because they are uninformed, poorly informed, or misinformed. Churches must take initiative to provide accurate information if work in the local church, association, and convention continue to show progress.

Each year more churches understand the importance of providing the RECORDER for each family. When this is done,members become more responsive because they are better informed. Baptists have made encouraging progress in recent years through bold mission enterprises and this can be traced to better-informed church members. Stewardship gains also go hand in hand with better communications. As an example, 79 of the 80 churches which led their associations in per capita mission gifts last year have a RECORDER club.

Each church needs to look at its budget carefully and then make provision to send the RECORDER to each family. Although nearly 1,100 churches in the state have the RECORDER in the budget, at least 500 more churches should take this step. Such action could be the difference between mediocrity and greatness in your church.

W.A. Criswell, pastor of the First Baptist Church in Dallas, Texas, urges all Baptists to "stay with the state paper. Increase its circulation. Send it to the homes of all people. The reward will be great."

Louie D. Newton of Georgia who has done more than any other person to interpret the value of Baptist state papers, said: "The investment any church can make in furthering the Kingdom of God is to put the Baptist state paper in the homes of the membership. These papers are the packhorses of every phase of denominational life."

If this "packhorse", meaning the RECORDER, is not going to every family in your church, may this be the year that you take this step.

Respectfully submitted, J. Marse Grant, Editor

BAPTIST HOSPITAL REPORT

The leadership of your Baptist Hospital holds to a philosophy of adminsitration based on Christian stewardship and makes an effort to pass this on to all employees. A continuing effort is made to help each employee realize that he is a part of a team involved in a Christian ministry of healing. This makes a tremendous difference in the whole atmosphere of the hospital and is evident to patients and visitors alike.

Because of this sense of stewardship there is a continual updating and upgrading of medical procedures to assure patients of the highest quality care. One of the most significant recent developments is the creation of a department of Family Medicine. This department provides primary health care for a limited number of families, that is, the kind of all-round, on-going health care normally provided by a family physician.sy At the same time the department offers training in family medicine for physicians who will enter this field of practice. This will help to balance the trend of recent years toward increased specialization in the practice of medicine.

Many of the physicians training in family medicine are receiving part of their clinical experience in small towns and rural communities under the auspicies of the Area Health Education Centers, created by the State Legislature. It is believed and hoped that some of them will choose to remain in these areas for their permanent practice.

Another expression of the hospital's sense of stewardship is seen in the improvement of physical facilities. In recent months renovation of the west and south wings of the hospital has been completed; construction has been completed on an addition to the water-chilling facilities; construction has begun on a 4-level parking deck in front of Reynolds Tower which will provide about 800 parking spaces for visitors; and construction has begun on a new building to house the new department of Family Medicine.

Contributions are continually made by the Pastoral Care Department toward the fulfillment of this sense of stewardship. A chaplain is assigned to each area of the hospital and is responsible for providing a pastoral ministry to patients, staff and visitors in that area. There are capacity enrollments in all phases of the Clinical Pastoral Education programs. A third satellite has opened in Morganton during the past year.

Mother's Day gifts for the fiscal year ending June 30 were $405,945.52 compared to a total of $390,000.00 for the preceding fiscal year.

Respectfully submitted, James Lamb, Representative

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

The variety of services provided by the Baptist Children's Homes of North Carolina have been increased greatly in recent years. Western North Carolina has shared in this expansion made possible by the generosity of our Baptist people and other friends of the dependent child.

Western North Carolina has provided many of our finest foster homes since the beginning of this program in the 1930s. This continues to be one of our finest services. We are constantly in need of more good foster homes and will welcome an opportunity to talk with people who would like to work with us in this program.

The Maternity Home in Asheville, opened in 1970, became the first agency-owned group facility in Western North Carolina. This has proved to be a much-needed and well-received service. Girls have been served from throughout North Carolina and beyond. It is recognized for its quality of care and Christian concern.

After several years of careful planning, generous giving, and hard work, Broyhill Home became a reality in 1971. People in the western part of the state rose to the challenge and provided funds to purchase land and develop a campus with buildings

and facilities for sixty children. This is one of the most modern up-to-date facility of its kind in the nation.

Many children find themselves in emergency situations in which they need help immediately. To serve this child we are developing emergency care homes. The Thermal Belt Youth Shelter at Forest City, now in its second year of operation, is proving beneficial to numbers of children in this area.

The department of Child Development and Family Education is available to assist pastors and churches in planning and presenting wider services to strengthen, enrich, and support Christian family life. Members of the staff are available upon call to provide assistance in planning for day care, family education, and related interests.

We are deeply grateful at the Homes for every expression of interest and means of support provided by our people. Special gifts, income through the Cooperative Program and the Thanksgiving Offering are vital to our existence. We thank you for every expression of your faith and confidence.

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA

This past year the North Carolina Christian Action League has been involved with the problem of hard core pornography, massage parlors and beer and wine sales. An anti-obsenity and pornography ordinance has been drafted by our attorney, Mr. Allen Bailey, in cooperation with lawyers from Citizens For Decency Through Law. This ordinance covers hard core pornography as it has been defined by the Supreme Court. The Supreme Court has also ruled that such matters are not covered by the First Amendment guarantees. The ordinance has been adopted in several North Carolina Cities and Counties and is under serious consideration in other places in the State. Since this ordinance covers only a City, Town, or County where it is adopted, we are seeking the passage of a state-wide ordinance that would regulate the material that comes under the purview of the Supreme Court ruling. We recommend that you contact the candidates for the General Assembly in your District and ask for their support for a stronger obscenity regulating statute. It is essential that all candidates make their position clear on issues affecting public morality. Christian men and women are running for office. We must let them know that the people of North Carolina want something better. Our legislators can give us a better law. They must do it. They will respond to our efforts. Let's let them know.

We regret to report that in spite of strong opposition by state and local Christian Action League leaders, Miller Brewing Company has purchased 1,600 acres and is in the process of building a $130,000,000.00 brewery in Eden, N.C. The company has promised to put the name "Eden" on every can and bottle produced at the plant. Just think of "beer from Eden". In line with this increased production, efforts are being made to open up more outlets for retail sales in the state which will increase the number of permits from the present 29,899. Is this an example of the need for more united action against the evils of alcohol?

We are grateful for the victories that have been won. Some failures are acknowledged because people have been deceived by the so-called fantastic profits from the sale of beverage alcohol and have voted for legalizing it.

The Christian Action League is your voice on the state-wide level. We speak for you as we seek to deliver God's message of condemnation on the beverage alcohol industry. We are grateful for your support and we need your continuing support. The work of the League can be put on a firm foundation by budget support from the churches across the state. You are urged to support the League in this way and with your prayers for God's guidance in the work we seek to do. It is God's work that we are doing. We work for Him as we speak for you.

Again we thank you for your cooperation and support and prayers.

Respectfully Submitted,
Christian Action League of North Carolina

AMERICAN BIBLE SOCIETY

The Bicentennial of the American Revolution is here, and churches across the country are planning how they will participate in this great celebration. The American Bible Society can help them, as it has in the past. The ABS (born in 1816) grew up with the new nation and made sure that its citizens had copies of God's Word to guide them.

Today the goal of the ABS is the same--the translation, publication and distribution of the Scriptures in the language of the people, without doctrinal note or comment and without profit. As a vital resource agency to the churches, the ABS works with the United Bible Societies to provide the Scriptures to people throughout the world. The number of Scriptures distributed annually runs into the hundreds of millions of copies and continues to increase.

A milestone in the development of the common language translation will be reached late in 1976, when The Good News Bible, the entire Bible in today's English Version, is published. To be relased during the 160th anniversary year of the American Bible Society, this translation will be the Society's Bicentennial gift to the people of the United States.

The dilemma of the new reader unable to improve his reading skills for lack of materials is a problem familiar to the Bible Societies. The Societies feel that if "bridge materials " such as Good News For New Readers Scripture Literacy Selections are not available, most new readers will return to illiteracy and never again have the opportunity to read God's Word.

Scripture distribution in the United States during 1975 reached a total of 109,469,781 copies, an increase of 11,181,000 over 1974.

An unusual opportunity for distribution of Scriptures arose with the start of America's Freedom Train on a 21 month, 17,000 mile journey around the U.S. At stops along the way, friends of the Bible Society presented copies of Scripture to the city's leading citizens as well as to visitors.

As the tenth anniversary of the publication of Good News for Modern Man approaches, distribution of this New Testament in Today's English Version has passed the fifty million mark. This is an achievement unmatched in (paperback) publishing history.

The Bible Society assists the missionary activities of the Southern Baptist Convention in many ways.

Contributions from churches in 1975 increased 9.4 percent over last year to a total of $1,453,920. For this the American Bible Society is very GRATEFUL.

We ask for your continued prayers, that the Bible Society, in partnership with the Southern Baptist Convention and other willing Christians, may perform even more effectively its task of bringing the Word of God to those who ask for it and need it.

THE STATE OF STATE MISSIONS

1976 has been a year of cooperation. The celebration of the American Bicentennial emphasized the cooperative spirit of this nation. What Americans share in common outweighs their diversity. We are a United States because we are cooprative states.

Cooperation and diversity are cherished principles among Baptists. One hundred fourty years before the nation's beginning a Baptist leader, Roger Williams, opposed coercion in matters of religion. The broad principles of religious liberty, later guaranteed to all Americans, led to the founding of Rhode Island. Three years later, in 1639, the First Baptist Church in America was established there.

Cooperation and diversity are also basic to the Baptist mission program. We are a state convention of 3,458 autonomous churches coming together"...to promote missions evangelism, education, social services." (Constitution, Article II). The

Convention was founded for missions. It is held together because of missions. And its future growth depends upon a commitment to missions.

Basic to that commitment is a strong program of State Missions. The state of State Missions strongly affects the state of Home and Foreign missions. Mission programs in distant areas depend upon the strength of the "sending churches" back home. Overseas and national missions look to the churches for prayer, concern, missionaries, and money. To be weak on the "home front" is to be even weaker in distant lands.

During the past several years State Missions has emphasized programs to strengthen church and association ministries. Two important emphases are Bible study and leadership training. A strong Christian education program is the backbone of mission support. The Church Program departments--Sunday School, Church Ministries and Training, Church Music, WMU, and Brotherhood---are wholly committed to these tasks.

A second major program of State Missions are the "direct mission" ministries. These programs lengthen the churches' concern across the state, representing you in areas where your church does not serve. The ministries include Deaf Missions, Resort Missions, Student Missions, Chaplaincy and Language Ministries, Christian Social Ministries, and Interracial Ministries.

Cooperation in Baptist missions is also evident in the way the programs are conducted. Resort Missions, for example, is usually a joint project of area churches, Associational Missions, State Missions, and Home Missions. In fact, the vast majority of Home Mission projects in North Carolina are financed 64 percent by State Missions.

State Missions is supported by the Cooperative Program and the annual State Missions Offering, September 19. The special offering is similar to the Lottie Moon Christmas Offering (Foreign Missions) and the Annie Armstrong Easter Offering (Home Missions).

The 1976 State Missions Offering goal is $400,000. The offering distribution, approved by the 1975 Baptist State Convention, is as follows:

$175,000 Basic State Mission Budget
43,000 Fruitland Classroom Building
72,000 Caraway Conference Center
10,000 Special Mission Projects
100,000 Baptist Assembly (Caswell)

THE NORTH CAROLINA BAPTIST FOUNDATION INC.

In a tract that came across the Foundation desk during the past year was a note about the will of the famous financier J. Pierpoint Morgan. It is reported to have contained 10,000 words and incorporated 37 different articles of instruction, all of which were necessary because a vast fortune has to be properly dispersed. What Morgan valued most, however, was indicted by the opening statement of that legal document. It read, "I commit my Soul to the hands of my Savior, full of confidence that, having redeemed it and washed it with His most precious blood, He will present it faultless before the throne of my Heavenly Father. I entreat my children to defend, at all hazard... the blessed doctrine of complete atonement for sin through the blood of Jesus Christ once offered, and through that alone."

What a testimony! This wealthy man recognized that of everything he owned, his most valued "possession" was the priceless gift of salvation. Paul, in II Corinthians 12:4, says "I seek not yours but you." As we think of Christian stewardship, we are accustomed to thinking first about giving or raising money. Christian stewardship is not primarily a means for raising money, but a plan for making the right kind of men.

During the 1975-1976 fiscal year, the North Carolina Baptist Foundation has continued to be used as a channel for Baptists of our state to provide a tangible support for missions in a perpetual way for the years to come. Through a will of a person who

had received financial assistance years ago from our Baptist Hospital, a 29,950 trust was established with the Baptist Foundation to provide income for the hospital's needy patients. The income of the investment for one year will repay what the hospital provided in financial assistance to this person.

The children of one family, upon the settlement of the estate of their father, placed all the residence of the estate with the Foundation to establish a trust in memory of their parents for Foreign Mission Support.

A widow tithed the estate of her recently deceased husband to provide an educational scholarship for a student in Christian education in one of our Baptist Colleges. Another husband and wife began a trust "To the Glory of God and in Honor of our Pastor." This was but the beginning of a Book of Honor for North Carolina Pastors and Missionaries with income to go toward all mission efforts of our denomination through the Cooperative Program. The value of the principal has increased sixty times already since the first gift and several pastors and missionaries have been remembered in this expression of love.

New additions during the 1975-1976 year to the North Carolina Baptist Foundation assets held for our institutions and missions totaled $210,147.17. This amount combined with the market value of real estate (including the Yanceyville unit of the N.C. Baptist Homes, Inc.), annuity trusts, and the Foundation Common Trust Fund brings the total market value of assets, as of June 30, 1976 to $2,946,044.49.

The income from Foundation trust funds paid to beneficiaries during 1975-1976 was $157,069.28. In previous years the Foundation had paid to beneficiaries $1,018,414.76. The total paid through June 30,1976 now has reached $1,175,484.04.

Wills still account for a major portion of the assets of the Foundation, but presently the annuity trust accounts comprise $480,270.73 of the total value of the Foundation assets.

Edwin S. Coates, Executive Secretary

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Your North Carolina Baptist Homes have completed 25 years of growth and development. These have been good years, filled with the abundant blessings and goodness of the Lord. He has brought us from one Home in 1951 to five Homes and an excellent Nursing Facility, from one resident to 230 residents and patients. Hundreds have been ministered to, many lives blessed, and families have been helped immeasurably.

The past year has been of special excitement and enthusiasm as we entered into the fund-raising effort to raise $1,000,000 for the construction of the Western North Carolina Baptist Home in Asheville. In September, 1975, Brother Ralph Cannon, beloved pastor, and Trustee of the Homes, was called by the Trustees to serve as Director of Development and Denominational Relations and has been leading the fund raising program for the Western North Carolina Baptist Home in a remarkable way. He reports that the response from our Baptist pastors and people in Western North Carolina has been most encouraging, and that there is every indication that we will reach the goal. We are grateful not only to those in Western North Carolina, but throughout the State, for the happy and successful response that we have experienced thus far as we move toward making this additional Home available for our older people in one of the most beautiful spots in the world.

The first unit will accommodate 50 people and will bring the total capacity of our Homes and Nursing Care Unit to 280.

The love gifts of North Carolina Baptists make this Christian care and concern possible through two vital sources--Cooperative Program, and the Special Offering for

the Homes received on the third Sunday of February each year. Through these sources more than 35% of the Homes' total income is provided, and the majority of the residents who cannot pay the full cost of care are supplemented. We are grateful for these life-sustaining gifts.

Here is a bit of valuable history which many of us will treasure as we prepare to build our WNC Baptist Home. Several years ago, I went to Winston-Salem in an effort to get a home in Western North Carolina for the aging. At that time, they suggested that if we raised $700,000.00, they would consider operating a home in Western North Carolina. Mr. M.H. Cox, who was formerly our beloved librarian at the First Baptist Church, was helpful in getting the first money by influencing Mr. Percy Franklin of West Asheville to make a will, leaving his property to the First Baptist Church in Asheville for a Home for the aging in Western North Carolina. I put the will in proper legal form and we received from the Franklin Estate approximately $25,000.00 in stocks and notes; Mr. M.H. Cox, Mr. Homer Brooks and Mr. J.C. Joyner were appointed by the church as trustees of this estate and invested it in such a way that the estate is now worth over $40,000.00.

Miss Lucile Fitzgerald, Rev. Nane Starnes and Mr. J.C. Joyner went back to Winston-Salem for a meeting of the Board for the Homes and at that time the Board agreed to operate a home and estimated that the cost of the land and construction would be approximately $1,000,000.00. We incorporated the Western North Carolina Baptist Retirement Home in order to have a vehicle to take title to the real estate. We then purchased the Pearson property for $100,000.00. We used part of the Franklin funds, and Mrs. Grace Bell gave us $15,000.00 for the purpose of making the down payment and we financed the balance over a period of three years. Mr. and Mrs. Eric Bell, Rev. Nane Starnes, Miss Lucile Fitzgerald, Mr. Homer Brooks and Mr. J.C. Joyner are officers of the corporation.

Through the efforts of a number of people through gifts and wills, we have been able to make great progress in securing money and pledges and hope to be able to start building in the near future.

Respectfully submitted, J.C. Joyner, Representative

STEWARDSHIP AND COOPERATIVE PROGRAM

The faithful stewardship of individual Christians and the missionary vision of our churches, expressed through their support of the Cooperative Program enables Southern Baptists to maintain a growing World Missions Program. The stewardship theme for this year is "Bold Believers in Giving". Through the Cooperative Program we demonstrate our mission commitment.

For the Christian, commitment to the task that Jesus set forth involves a total way of life. This may be referred to as the Christian life style. One man said that as he turned his life over to the lordship of Christ and discovered the demands of discipleship, he suddenly realized that his house, his possessions, and his occupational skills belonged to Christ literally, and that they were to be used in trust to accomplish Christ's mission.

For the church, commitment to the bold mission task calls for a specific life style. Churches are stewards, too. The church must demonstrate a commitment to the mission task in the use of all possessions if it is to be true to the command of Jesus. Every church is challenged to increase annually the percentage of its income given through the Cooperative Program. Churches should consider prayerfully the 15 percentage increase suggested by the state convention for Cooperative Program and the increase suggested by the association for associational ministries.

During the past year the churches of our association gave $418,183.00 through the Cooperative Program. Last year our churches gave $39,993.06 for associational missions.

Last year, 1126 churches increased their gifts through the Cooperative Program by 15% or more, and 4 associations in our state had 100 percent of their churches giving through the Cooperative Program.

WE RECOMMEND:

1. That a stewardship chairman be elected in every church in our association.
2. That a stewardship conference of Stewardship Decision Night be held for interested churches in order to make available to them guidance materials for use in their stewardship programs.
3. That every church conduct a stewardship emphasis this year.
4. Every church in the association giving something through the Cooperative Program for world mission support, every month.
5. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
6. Every church in the association giving the suggested amount for the support of associational missions, every month.
7. Have a special prayer for some Cooperative Program ministry during every

ANNUITY BOARD OF THE SOUTHERN BAPTIST CONVENTION

Southern Baptist churches depend on the Annuity Board to provide retirement and insurance protection to pastors and others in church-related vocations.

The Board holds in trust retirement contributions from nearly 40,000 persons. Their contributions will be converted into annuity benefits when they retire.

These contributions, taken together, are considered as funds held in trust by the Annuity Board. They now amount to $401,135,261. While this appears to be great deal of money, this must be divided among the 40,000 future annuitants and serve their lifetime, post-retirement needs.

Darold H. Morgan, president of the Board, described 1975 as "an excellent year of recovery, growth, and optimism" for the agency. Income from the investment of funds held in trust attained a one-year record of $23,149,064.

Benefits paid to retirees, widows, and the disabled in 1975 amounted to $15,734,003. During the Annuity Board's 58 years of existence, it has paid more than $141 million in retirement and protection benefits.

A 13th Check issued in December, 1975 provided 8,221 annuitants with living. The combined amount of this extra benefit came to $733,585. It is called the 13th Check because it is over and above the 12 regular monthly payments.

The Annuity Board helps churches and SBC agencies get the best coverage at the most advantageous rates in life, health, and disability insurance.

Additional information about the Annuity Board may be obtained through the Development Office, Annuity Board, SBC, 511 North Akard Building, Dallas, TX 75201.

CHRISTIAN LIFE AND PUBLIC AFFAIRS COMMITTEE REPORT

During the year (1975-76), the Christian Life and Public Affairs Committee cooperated with the leadership of the Buncombe County Chapter of the Christian Action League in combatting pornography and obscenity. This effort reached across denominational lines and resulted in many petitions being collected, petitions calling for an ordinance that would declare obscenity and pornography in any form a public nuisance. Several developments gave encouragement to the collecting of these petitions: (1) the U.S. Supreme Court has rendered strong decisions against obscenity and pornography and declared that each community has the right to maintain a decent society, (2) other communities throughout the nation have been successful in the legal restraint of obscenity and pornography, declaring it a public nuisance, and (3) the local community of Asheville and Buncombe County has already established a strong position opposing obscenity and pornography. Communication between the leadership of the Christian Action League and the Buncombe County Board of Commissioners and the Asheville City Council gives hope for some kind of effort this fall to obtain appropriate legislation declaring obscenity and pornography a public nuisance.

The Reverend Bascombe S. Hensley

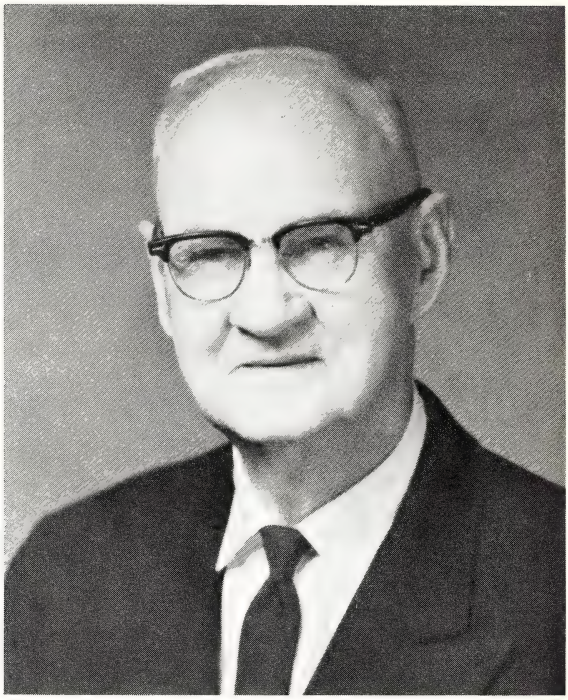
Bascombe S. Hensley (1891-1977) went to Wake Forest College to become an attorney, received his degree cum laude and his license to practice law; but he never hung out his shingle, for God called him to preach the Gospel and he was "obedient to the heavenly calling."

Five churches in Buncombe and Jackson counties were blessed through the skilled leadership of this dedicated pastor. They were Beaverdam, New Bridge, Big Ivy, Newfound, and Scott's Creek. An exceptional ministry was carried forward in each place. So very much progress was made during the seventeen years Scott's Creek pastorate that the BIBLICAL RECORDER gave the front page and another to the "Miracle at Scott's Creek," as the editor called it.

Bascombe was married to Nancy Patrick in 1917. Six children were born to this union. Upon the death of Mrs. Hensley, Brother B. S. was married to Mattie Mae Woodward in 1937. They, too, served beautifully together in Kingdom endeavors.

Many glowing tributes were paid to the Reverend and Mrs. Bascombe Hensley in a special service at Scott's Creek in 1974. After listing many of the accomplishments during Brother Hensley's pastorate Neal Sellers concluded, "But your greatest contribution was, and is, your faith in God and your love for God's people. 'No night was too dark, no storm too great, no weather too cold for Mr. Hensley to be at the side of his people during their troubles, illnesses, deaths, and at other times when the pastor was needed."

In the memorial service on February 19, 1977, Brother Bascombe's pastor, Reverend Raymond Thompson, quoted Revelation 2:10, "Be thou faithful until death and I will give you the Crown of life," and then said, "Yes a Prince has fallen in our midst only to be lifted to his glorious reward of his Crown of Life." JGH



The Reverend Wesley Burton Sprinkle

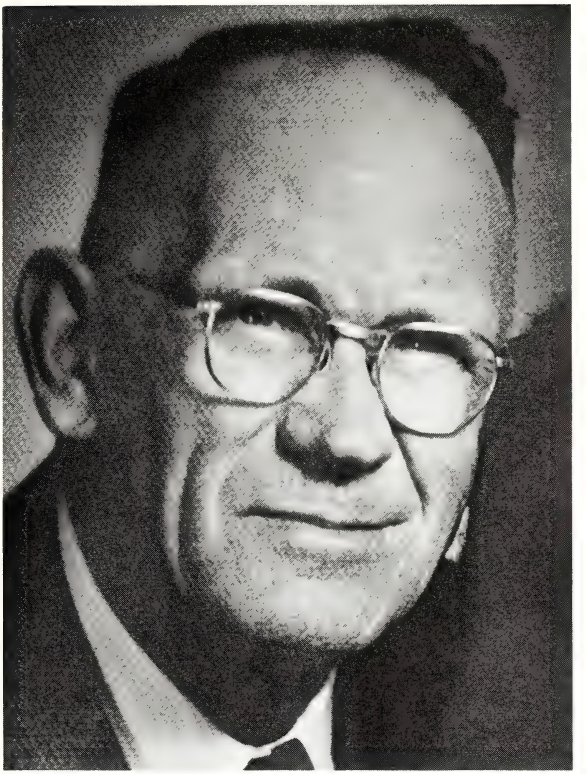
Just about every Baptist who has been around for a while knew Wesley Burton Sprinkle (1882-1977) and loved him. Nane Starnes summed up Brother Wesley's life and spirit in three statements:

> "Wesley Sprinkle had a unique gift in studying a passage of Scripture. He had the art of discovering gems of rare beauty. As he talked to you about this, his delight seemed to glow and sparkle. It was contagious, and you, too, were rejoicing with him in what he was seeing.
>
> Wesley had a light in his face. Written there was grace; concern and caring; optimism; good humor; and patience.
>
> Wesley Sprinkle was a bridge that tended to unite his Baptist brethren in the Cause we proclaim. He was at ease with scholars yet the man from farthest up the cove felt in him a kindred spirit."

Wesley was married first to Cora Knapp. To this union two sons were born, one of which died in infancy. His second marriage was to Sadie Anderson and two daughters were added to the family. It is fitting to note that Uncle Wesley's latter years were made richer and fuller through the loving care provided so faithfully by Mrs. Sprinkle.

His life was filled with preaching and teaching. He pastored 36 churches in five North Carolina counties. Several of these he served more than once. In addition he was guest preacher or teacher on many occasions.

Wesley Sprinkle has left an imprint on hundreds of lives. They won't ever be the same, for they have caught something of the spark and splendor of his faith. JGH



The Reverend Grady Shepherd

Grady Shepherd was known as an old-fashioned, 'handshaking preacher' who loved people as he loved the Lord. With a good sense of humor and a dedicated life he won many people to Christ. Because of his zeal and commitment he conducted many revivals as well as doing the regular work of the pastorate.

Mr. Shepherd served churches in Madison, Yancey, and Buncombe Counties. In the Buncombe Association he was pastor at Inanda, Turkey Creek, and Mt. Zion. During his ministry there were times when he served as pastor of two or three small, part-time churches simultaneously.

Pastor Shepherd was born on February 12, 1896 and went to his eternal home on September 2, 1976. Mrs. Mittie Shepherd followed him to the Father's House on May 11, 1977.

The Shepherds had two sons and three daughters and they were known as a happy family. Their congenial spirit overflowed into many lives as Mrs. Shepherd and the children shared in being good hosts to friends whom the pastor invited to their home.

Grady Shepherd served his country during the second World War, and he had a close call with death in one battlefield experience. But God had a higher purpose for this servant. He preserved his life in order that he might achieve His will through his prolonged life by proclaiming the glorious message of redemption through Jesus Christ. JGH

The Reverend Albert H. Parham

Albert H. Parham (1893-1977) began his work for the Master at an early age at Liberty Baptist Church in Candler. He served in many leadership positions in his church before answering the call to preach the Gospel.

Feeling the need for more training he entered Fruitland Bible Institute, from which he graduated. Under the call of God to preach he just left his home and farm and ventured out in faith wherever the Lord led.

His was a fruitful ministry. During his active years he served five Buncombe Baptist Churches as pastor: Buena Vista, Bee Tree, Brown's Chapel, Newfound, and Turkey Creek. He also pastored churches in the Blue Ridge and Three Forks Associations, as well as interim pastorates in Haywood and Buncombe.

Albert Parham endeavored to meet the need of each church at the time he served as pastor. Where there was need for a new building he led out. If the church needed remodeling he gave leadership for getting the job done.

Erskine Plemmons spoke warmly of Brother Parham, saying that he had a shepherd's heart and a great capacity to serve. His sincere life and his love for people brought strength and comfort to all to whom he ministered. His fervent evangelistic preaching brought many to know Jesus Christ as Saviour.

Albert and Daisy Robinson Parham were blessed with three sons: Milburn of North Canton, a Baptist minister; Wilburn of Ohio; and Grady of Candler.

It has been said of Albert Parham that he walked in His Master's footsteps. Because he did an indelible imprint was made on hundreds of lives. JGH

ASSOCIATIONAL BOARD ACTIONS

July 19, 1976:

The Budget for 1976-77 which had been adopted by the Executive Committee was approved by the Associational Board.

The group was encouraged to stress 2% of the Church Budgets for Associational Missions in order for us to go into the new program of work in Christian (Social) Ministries as soon as possible.

October 18, 1976:

A motion was made and approved for pastorial aid of $1,200.00 from the Baptist State Convention for the Jupiter Baptist Church Pastor - Rev. Tommy Robertson. Rev. Robertson is a graduate of Fruitland Bible Institute and is now a student at Mars Hill College.

January 17, 1977:

A motion was made by CR Pierce and was seconded to pay to Lawrence Fox expense for travel in connection with the promotion of the Annuity Board among the Pastors and Staff people. This will come out of the Budget under item S-3 - Pastor's Annuity Promotion ($100.00 in the Budget). Amount per mile to be determined by the Finance committee.

A motion was made and passed to have a CLYDE PARHAM DAY honoring one of our oldest pastors and who is still serving an active pastorate. A committee of the Director of Missions, Chairman, E. V. Plemmons, and the Vice-Moderator - Roy Denton was appointed by the Moderator to work out plans for this.

April 18, 1977:

Reports of all work were given, but no definite actions at this meeting.

Respectively submitted,
Martha E. Hicks, Clerk

ACTIONS OF THE EXECUTIVE COMMITTEE

February 28, 1977:

The following motion was made by the Executive Committee as to the request for use of the Baptist Building for extra meetings during the Crisis - cold winter period. "We move that these requests for extra meetings at the Baptist Building be denied on the basis of the fact that the Public Utilities Co. had urged us to cut the amount of gas we use by 35% and that the Governor has requested that we set thermostats to 62% by day and 55% at night - and we feel that we should cut down just as the First Baptist Church and other churches have and thus, be consistant with the policy requested by our Governor for energy conservation." The motion carried.

In regard to a request that has come for suggestions for one or more persons to be named to replace Hatcher Elliott on the General Board of the BSC. (His term ends in 1977). A motion was made that we name James Johnson for this place. The motion passed.

In regard to Christian (Social) Ministries program in Buncombe. It was announced in the Biblical Recorder that our request for $5,200 was approved for Buncombe and Kings Mountain Associations for the last six months of this year to begin work toward the beginning of a new work in our Association. A letter was received later from Ernest Upchurch saying that Buncombe would receive $5,200 for the last six months of this year 1977. This could begin any time after July 1, 1977.

June 27, 1977:

The following actions were taken at this meeting:

1. It was reported that names of laypersons should be sent for recommendations to the General Board of the Baptist State Convention. The name of Brother James Johnson was approved at an earlier meeting and was sent in to the committee. The names of Miss Pauline Snelson and Mike Smith were named in the event these were needed. Motion was made to send these and the motion passed.

2. The Nominating Committee (Mr. Youmans, Chairman), presented the names of the following Program Directors to serve the Association during the coming year: Sunday Shcool - Miss Shirley McIntosh; Church Training - Mrs. Orville Myers; Woman's Missionary Union - Mrs. Robert Barnes; Brotherhood - Dudley Penton; and Music - Jay Lambeth.

It was announced that Christian Ministries will go into a Staff position - if new program, etc. goes into effect.

A motion was made to accept these named for our program Directors next year. The motion passed.

3. In regard to a Christian (Social) Ministries Director, a motion was made that we proceed with the employment of a Christian Ministries Director - reaffirming the actions of the Association as regards to the beginning of a Christian Ministries Program in cooperation with the Baptist State Convention and the Home Mission Board - and that the Finance Committee be instructed to undergird positive efforts to secure contributions to the Associational Budget for 1977-78.

4. A motion was made to provide office space on the main floor of the Baptist Building for all day by day work of the Association including the new Christian Ministries program. The motion passed.

5. A motion was made to provide full-time secretarial help. We now have part-time assistance two days weekly and sometimes three when the work load is heavy and we will need two more days per week with the new ministries program. The Personnel committee feels that it is better to go full time since we are so very close to this. This was approved.

6. In response to the recommendation of the Personnel Committee, a motion was made to change the title of Mrs. Hicks service to **Director** of Education Ministries and Financial Secretary. As such she will continue to work with (but on an expanding scale) the directors of programs to further the work, arrange for clinics, workshops, etc. which will improve the abilities of our leaders in the church programs; counsel with individuals and groups to assist them in their educational functions; and stay alert to do all the things possible to help our hundreds of fine teachers and directors so that we not neglect to provide for helping our educational leadership in the churches as we provide for help in the field of social (more personal to people in need) ministries.

Mrs. Hicks will continue to function as Financial secretary and also as Clerk (the latter is elected year by year). This was approved.

7. Bro. Howard Candler, Chairman of Finance presented the Proposed Budget for 1977-78. Each item and section was studied and discussed. The motion was made that we adopt this Budget. The motion passed.

8. Rev. Hatcher Elliott asked that we consider the possibility of having Richard Everett to come for 3 nights of Youth Evangelism Strategy, and to be aware of dates for this in the fall. This was approved.

Respectively submitted,
Martha E. Hicks, Clerk

CONSTITUTION AND BY-LAWS

Preamble

We, the members of Missionary Baptist Churches in the County of Buncombe, State of North Carolina, and territory adjacent hereto, do hereby propose to establish and maintain the principles and rules of order of a district association in conformity to the following plan:

ARTICLE I--NAME

The name of this body shall be the Buncombe Baptist Association.

ARTICLE II--PURPOSE

The Purpose of this Association shall be to advise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Association itself.

ARTICLE III--MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist Churches in the area of the Association. A cooperating church is defined as:

(1) A church which makes an annual report to the Association on forms provided by the Association through the clerk,

(2) A church which endeavors to contribute regularly to the support of the associational budget on a monthly, quarterly, or annual basis.

(3) A church which sends duly elected messengers to the annual associational meeting and duly elected members to the associational board meetings.

SECTION 2. The Association shall be sole judge of its membership and may receive churches or reject churches, according to its Constitution and By-Laws. Member churches may also withdraw as they desire.

SECTION 3. Churches desiring membership in the Association shall apply to the membership committee and if recommended by this committee and accepted by the Association in annual session shall agree to come under the watch care of the Association for a period of one year. Any church requesting membership in this Association shall be required to attach to their petition for membership a copy of the Articles of Faith and Church Covenant as adopted by the church at its organization or before filing of its petition for memebership. At the end of one year, upon recommendation of the committee, membership within the Association of such churches shall be determined by vote of the Association in annual session. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

ARTICLE IV--MEETINGS

SECTION 1. The Association shall meet annually on Monday night and Tuesday mornings and afternoon after the second Sunday in September.

SECTION 2. Special meetings may be called by the Moderator or Executive Committee provided two weeks notice is given to the member churches.

SECTION 3. Each church shall elect annually, in addition to the Pastor, one messenger to the meeting of the Association for each 50 members of the church, provided each church shall have not less than 3 nor more than 10 messengers. These shall constitute the voting body of the Association. The names of the messengers printed in the Minutes shall include only those attending and registering at the Associational meeting.

Whereas, we believe there has been no substantial change in this sentiment, and

Whereas the State A.B.C. Board has estimated that with liquor-by-the-drink there could possibly be 4,000 to 5,000 new outlets for the sale of whiskey in North Carolina.

Therefore be it resolved that we, the members of, Association, assembled in session on this the day of 1977, do hereby petition the members of the House of Representatives from this District to vote against such legislation in the 1978 Special Session of the General Assembly.

The group looked with favor on this type of ministry and the matter was referred to the Missions group (Bro. and WMU).

DIRECTOR OF MISSIONS REPORT

THE PAST IS GOOD - THE FUTURE LOOKS BETTER

PROMOTION OF BIG EVENTS kept us on the move during the past year. We worked in cooperation with the Billy Graham Crusade, the State WMU annual meeting, the Bicentennial Celebration, and many other regular activities. Our Baptist people truly participated in many wonderful ways to make all events meaningful.

MORE AND MORE PEOPLE are using filmstrips and projectors and other things provided here to advance the missionary cause. Free pamphlets are picked up here quite regularly and many seek help in ordering literature and other materials. All in all there is increasing use of services provided through the associational office.

SOME MISTAKES HAVE BEEN MADE which can be corrected. Several of us are guilty of not using adequately the committees which are elected to serve in various capacities. Committee chairmen should see to it that their committees are convened and then used. The training period soon after the associational annual meeting is designed for all committee chairmen. It should be well attended.

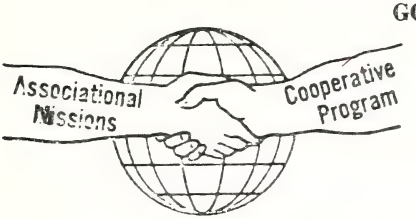
THE SPIRIT IS BEAUTIFUL in our association and also in our convention. May we not forget to be thankful in our hearts and to express our gratitude to the Lord who makes all these good things possible. I am very appreciative of our associational staff, our officers and program leaders, and a great host of wonderful pastors and lay workers from the churches who bring joy and encouragement all along the way.

MUCH TIME AND EFFORT THIS YEAR HAS GONE INTO PREPARATIONS FOR AN EXPANDED ASSOCIATIONAL WORK. In keeping with the action of the association some five years ago to begin a program of Christian Social Ministries when we are able to do so, the Associational Board in the July meeting of this year made the decision to begin. Cost for the work will be borne by the

Association, the State Convention, and the Home Mission Board. Dr. Ernest Upchurch of the City and Metropolitan Missions Department of the Convention will work closely with us to assist us in moving forward in this area. A trained Director who shall have the approval of each of the participating bodies will be secured. The Personnel Committee of the Association has been working to bring the best possible Christian leader and worker to this key place of service.

Expanding our effectiveness also demanded upgrading our approach in helping the hundreds of dedicated leaders in the churches who teach and train. The Board has named Mrs. Hicks as Director of Educational Programs. She will guide in these programs both in local churches as requested and on the associational level (as in clinics, etc.). She will continue to work with our excellent program directors to secure a continuing improvement in total teaching and training endeavors. In addition, Mrs. Hicks will continue to serve as Financial Secretary and as Clerk. (The latter is an elected place annually.)

THE TWO PERCENT PLAN OF GIVING TO ASSOCIATIONAL MISSIONS IS A VERY GOOD PLAN. $2.00 OUT OF EACH $100.00 RECEIVED WILL BRING BLESSINGS.



HAND IN HAND
FOR WORLD MISSIONS

Expansion called for housing a fuller staff on the same floor level. Although we regret very much to lose the Baptist Children's Homes personnel from the Baptist Building we are grateful that they will maintain an office in the Asheville area. With the presence of the Maternity Home, the casework center offices, the coming new Homes for the Aging, the Baptist Book Store, and the Baptist Building, the Christian witness of Baptists is varied and impressive in Asheville. May our ministry be truly a redeeming one in each locale.

Physical changes have been made at the Baptist Building to take care of our expanding ministry. We trust that these changes may serve to cause our entire work to be better in the years to come.

THE COST OF EXPANDING AND UPGRADING is never small in today's economic climate. A thirty percent (30%) increase in our associational budget this year over last is truly a bold step forward. It is a giant step in faith - faith in God and in fellow members throughout our Association. I trust that every church will consider more seriously this new need. So many churches have been upgrading their giving all along. Some others have not done so. We deeply appreciate what you have done and what you will do to carry us through. The two percent plan of giving (2% of each offering plate dollar) is a worthy plan. Please consider this or some other regular plan of sharing in the work of missions in your Association.

I SERVED ON THE JURY IN THE SNOW MURDER TRIAL this spring. It was no easy assignment. Day after day I watched the sad face of the attractive young woman in her early twenties who fatally shot Mrs. Denardo in a beauty salon. When the gun went off and Mrs. D. fell to the floor Miss Snow reportedly said, 'Oh, I'm sorry, I didn't mean for that to happen." And I don't think she did at all.

BUT THAT IS THE WAY OF SIN. Here is a young person who, even though young, had run the whole range of sinful living. She had been on drugs from her early teens or before. The craving for heroin made her do many things and brought her the long prison sentence after her confession.
I AM SAYING that there is a lostness - a hurt - a heartache and a heartbreak again and again in our Asheville community. As we strive to expand our ministry of redemption in the name of the Saviour Jesus Christ may we never forget it. The tears of a Mother seeing her daughter off to prison is a poignant reminder.

Sincerely yours,
John G. Hicks

TAKE A **BOLD** STEP!

VOTE NOW TO INCREASE YOUR CHURCH'S COOPERATIVE PROGRAM AND ASSOCIATIONAL MISSIONS GIVING

REPORT OF EDUCATION COORDINATOR

We have had a good year and a busy year in all of our programs. Many leaders and Pastors in our churches have expressed gratitude for the work of all of our Associational leaders in our Organizational programs.

There has been a renewed interest in improving the quality of teaching and training in the churches. This was seen last year as we went into around 12 of our churches with teams to help in Preparation Week for the new year. We also went to First Baptist Church, Old Fort in the Blue Ridge Association and the First Baptist Church, Waynesville in the Haywood Association. Already this year we have had more requests than we can fill soon. We are planning with some for later dates in the fall and winter.

Also, all of the Leadership clinics and Special events throughout the year in Sunday School, Church Training, Woman's Missionary Union, Brotherhood, and Music have been well attended - showing good interest.

Several of our program organizations have maintained good and meaningful Council Meetings as they plan their work. These have proved most helpful.

The conferences at our four quarterly meetings have been helpful in bringing to the leaders information and good approaches for achieving their goals. As you read the report of each Program Director, you will see the good work that has been done.

In addition, I have had, at the Baptist Building, many conferences with individuals and small groups in planning for new units of work, sharing materials and information for advancing the work in our total church programs.

Many leaders and churches have used our filmstrip library, or rather, our library of visual materials and equipment. During one week of VBS emphasis time we had 75 filmstrips and all projectors loaned out at one time. We are very grateful for this ministry in Educational materials that we have. We now have around 400 filmstrips in our Associational Visual Library along with around 15 pieces of equipment. Also, we have some slides.

We will soon have a larger area in the Baptist Building for display of Curriculum materials. We have had this on a limited basis.

All of these things indicate an increasing awareness of what can be done for improving the quality of our Educational Ministry.

We look forward to the continuing opportunities to better assist our churches in their vital teacher-training programs.

CHRISTIAN SOCIAL MINISTRIES

Christian Social Ministries in the churches of Buncombe Baptist Association continues to grow and is becoming a stronger ministry, meeting the hurts and needs of people in the name of Jesus Christ.

CSM activities and programs are many and varied. Day care for working mothers, ministries to penal institutions and nursing homes, a medical clinic to meet physical needs, and church clothes closets are just a few of the ministries that our churches are involved in.

Meeting the needs of our senior citizens is a ministry that more and more of our churches are providing. A chaplain ministry for a local high school football team gives one of our pastors an opportunity to share Christ and God's love.

CSM awareness and information conferences have been conducted this year to better inform pastors and lay people about CSM work. On July 25, a meeting was held at the Weaverville Church as mission groups from Baptist, Methodist, and Presbyterian churches came together to learn more about CSM work. A film entitled "Ministering to the Whole Man" was shared and informal discussion followed.

Through the cooperative efforts of the City and Metropolitan Missions Department of the N.C. Baptist State Convention and Buncombe Baptist Association, a conference on "Contemporary Religions in Today's Society" was held at Grace Church on August 15. We were privileged to have some of the finest people with our Home Mission Board present to discuss contemporary religions and beliefs of today. The conference was well attended and we are looking forward to next year for another time of sharing on Interfaith Understanding and the Baptist Witness.

Several of our churches are supporting the work of ABCCM. We appreciate what this agency is doing, particularly in the area of meeting emergency needs.

Many calls come into our association office requesting help. Some are of emergency nature. Others require counseling sessions. Long-term assistance is needed in some cases. It is encouraging to see our association take positive action in employing a full-time Director of Christian Social Ministries to help meet the growing physical, social, emotional, and spiritual needs of our community. This expanding ministry is a cooperative effort of the Home Mission Board, North Carolina Baptist State Convention, and Buncombe Baptist Association. As Buncombe County grows, our churches will grow and reach out to people and minister in the name of Jesus Christ. The Christian Social Ministries Director will assist our pastors and churches as an enabler, catalyst, and supporter as we, together, minister to a lost and needy world. Continue to pray for CSM as we grow and meet the challenge of BOLD MISSIONS.

Gayle Brown, Director
Christian Social Ministries

HOSPITAL CHAPLAIN

The work of Buncombe Baptists is not on probation. The hospital ministry is a wide-open opportunity to prove the reality of Christian compassion as commanded by our Lord in Matthew 25:46 "Inasmuch as ye have done it unto one of the least of these my brethen, ye have done it unto me." We visit an average of 20 or 30 patients each day (Monday, Wednesday, and Friday) and give out tracts and scriptures. Words of comfort are much appreciated by those who have suffered death in their families. God blesses the effort of Buncombe Baptists in the hospital ministry.

Respectfully,
Charles W. Smith, Chaplain

REPORT OF RESOLUTIONS COMMITTEE

Be it resolved that the Buncombe Baptist Association's 96th Annual Session express thanks to our Lord for the many blessings we have received from His hands during the past year.

Be it further resolved that we express our special gratitude and deep appreciation to the Sunrise and First Baptist, Black Mountain, Churches for their cordial hospitality in each session of the Buncombe Baptist Association.

Be it further resolved that our gratitude be extended to our Director of Missions, Rev. John G. Hicks and Mrs. Hicks for their untiring and most faithful and efficient leadership throughout the 96th year of the Buncombe Baptist Association and to our most capable and dedicated Moderator along with all the officials in every department of our Baptist work. May we further express our gratitude to those who planned the program of all the sessions, and to each speaker and report to inspire us to a greater future of endeavor for our Master.

SUNDAY SCHOOL

1976-77 brought new enthusiasm for the work of the Sunday School in the Buncombe Association. New emphasis began to be placed on teacher-training and some twelve teacher-training clinics were held in the Association. These fall clinics were further supplemented in May with an area-wide clinic taught by State and Southwide Sunday School leaders.

Each quarterly meeting brought additional opportunities for teacher-training and methods of techniques for each age group were discussed. These meetings were well attended by the Sunday School leaders in our churches. More clinics are planned for 1977-78.

1976-77 brought growth in the Sunday Schools of the Buncombe Association. Because Bible teaching is such an important program for our churches today, outreach must continue to be an essential goal for all of us.

Sunday School challenges for this year include:

1. High attendance Sunday in the Association on October 31, 1977.
2. Teacher-training Clinics held in Central locations in the Association during September and October.
3. Emphasis on Senior Adults during the year of 77-78.

4. Additional Bible Study opportunities in January Bible Study, VBS, Mission VBS, Adult VBS, and Backyard Bible Clubs.

In all of these may we seek His blessing and leadership as we labor together to set goals and to work hard to make them come true. The importance of Bible Study can not be minimized in our lives. May our churches reach out to share this truth with our community and with our world.

Respectfully,
Miss Shirley McIntosh

CHURCH TRAINING

These are important days in the ministry of Church Training. As our churches support **Bold Mission** through bold witnessing, let us remember that after we win them we must train them.

A new series of **Church Training Discipleship Development** books are now available to help us in our training program. We hope these books will be used in the individual churches as well as district training schools.

We met with West Asheville Church for our "M" NIGHT meeting in November and received a most inspiring message from Luther Osment, who was with us in our association before entering missions work in our state. Our attendance was four hundred and seventy with thirty-six churches represented. There were twenty-eight pastors and twenty-four Church Training Directors present. Calvary received the achievement award; White Rock, the attendance banner; and Kerlee, the percentage banner.

Youth Night was held at West Asheville Church in April. A singspiration with welcome and prayertime was led by our youth president, Kelvin Moseley. We had group discussions with brief reports afterwards. We enjoyed music presented by Jay Lambeth. An interesting puppet drama was given by Kathy Gore and youth from Asheville First Church. Weaverville Church won the attendance banner.

Our only participant in the Children's Bible Drill was Allan Ingle from Riverside Church. Mrs. Nell Thompson, our Children's Director, conducted the drill. Allan did well and was a state winner at Fruitland. We encourage others to join him next year.

Enka Church was host for our Youth Bible Blitz, which was really outstanding. Our Youth Director, Phyllis Gosnell, conducted the blitz and the youth did a superb job. Enka placed first and Berea placed second.

May I thank each of you for your prayers, assistance, and support in carrying on the Church Training work. I would like to pledge to you my best during the coming year, and beg you to support and use your Church Training program as a means toward a more effective Christian witness through the local church.

Respectfully submitted,
Mrs. Orville Myers
Church Training Director

WMU REPORT

This year in WMU has been a memorable one in several ways. The work has grown in interest and attendance. Four new churches have been enlisted in WMU work and at least eighteen new age level organizations started.

New WMU manuals were published this year, and Buncombe WMU took two bus loads of women to Mars Hill in September to an area manual study

conducted by state leaders. This was followed by an all day manual study for Buncombe Association held at Skyland Church in October.

Nine observances of the Baptist Women's World Day of Prayer, November 3, were planned and conducted by district leaders in each of the nine districts. Forty-two churches were represented, and we are grateful that this interest is growing year by year, and promoting a feeling of fellowship and togetherness among our women for the cause of missions.

The WMU Council members worked with Sara Ann Hobbs and State President Betty Gilreath in arranging for the annual state meeting held in Asheville, March 12-13 at the Thomas Wolfe Auditorium. This was a highlight since the annual meeting only comes to Asheville every five to seven years. Many of our women helped with registration, etc. and it was a time of inspiration for all 1,030 registered guests.

Since Miss Hobbs was retiring as executive secretary the council also arranged a lovely reception honoring her for her many years of service to WMU of North Carolina. All churches had a part by furnishing 4,000 homemade cookies which will long be remembered over the state!

All Directors attended leadership Conference at Fruitland for training in August. They have led their organizations in many splendid activities as follows:

A third GA Play Day at Ridgecrest with 123 attending

Acteens Prayer Retreat at Lake Julian

Acteens International Banquet witn 160 girls and leaders attending from 42 churches

BYW Rally with state BYW Director Nancy Curtis and state BW Director Suthell Walker attending and assisting

A Baptist Women study of the spiritual development book, "The Listening Woman I Am" taught by the author, Josephine Pile, from Nashville. This was enjoyed by 135 women from 15 churches

Other projects were:

200 boxes of stationery sent to Raleigh for use in Christmas Prison ministry.

$125 given to promotion of black VBS work

$100 given for Fruitland Scholarship

These things were made possible by Progress Fund gifts from church WMUs.

The four associational nights were used for training and special age level presentations by mission friends and GA Directors.

The annual meeting was held at Arden Church, April 25. The theme was "Minding the Future." Pastors were special guests, and Mrs. Marvin Garrett of Ridgecrest--home from Rhodesia--was missionary speaker. Thirteen churches were recognized for receiving awards on the Achievement Guide. They were Arden, Calvary, Edgewood, Pole Creek, Long Shoals, Westwood, Kerlee, Biltmore, Enka, Weaverville, Newfound, Merrimn Avenue and Jupiter. The Associational WMU received Distinguished Award for 1976-77.

Much remains to be done. It is our hope that we can find many opportunities to enlarge our mission work for we believe with our state president "we have no future unless we teach missions."

Mrs. Robert R. Barnes
Director of WMU

BROTHERHOOD REPORT

The Brotherhood has attempted to emphasize involving laymen in

Evangelism, Missions and boys work this year. Mike Smith and those working with him, in cooperation with the Evanglism Committee, have done a great job in this area.

W. G. Hutchison, along with Clyde Tilson and others have done an outstanding work in coorectional institution ministries. Rev. Mace Honeycutt is to be commended for his work with Royal Ambassadors in the area of track meets and camping.

The Brotherhood, in cooperation with the WMU, has involved many men and women as interpreters of our State Missions Offering, and have helped to "open the door to Bold Missions." Your Brotherhood Director has spoken in several churches to Baptist Men's groups and has helped two churches to establish Baptist Men's work.

We trust that an increasing number of churches, whether or not they have Brotherhood organizations, will put a real emphasis on getting laymen involved in mission activities.

I believe that we are headed for a great new year of work for our Lord. Thank you for the part you have in this work.

Respectfully submitted,
Dudley Penton

THE MUSIC COUNCIL

The past year has been extremely busy and productive for our Music Council. We have held monthly meetings of the full Council, as well as numerous committee and sub-committee planning sessions. The following is a chronological summary of our year's ministry.

The year began with an excellent Children's Choir Day Camp at West Asheville Church. Nearly 80 third through sixth graders participated in the week, which included worship, graded choirs, refreshments, recreation and a combined choir. The Camp concluded with a program of music on Friday evening which was very well attended. The combined choir presented the musical. "The Sound of America," directed by Bill Rotan. This musical was also presented at the October Quarterly Meeting, and at several area churches.

We held a seminar on church music at the October Quarterly Meeting. A number of part-time and volunteer church musicians attended this session along with our regular full-time people.

At the November "M" Night we provided a choir of over 60 young people from our churches. This choir sang the Call to Worship and two anthems, as well as leading the congregational singing.

In December an adult choir presented portions of Handel's "Messiah" at West Asheville Church, with guest soloists and musicians, and Charles Gatwood, now head of our State Music Department, conducting. Fourteen churches participated, and the choir numbered over 60. We have an excellent recording of the performance which can be made available through the Associational office.

In January we held a choral reading session at the Quarterly Associational Meeting. Each participating director brought several anthems from his/her own church, and the entire group sang all of these. In this way, each director was able to discover new music to use. All who attended agreed that this session was very helpful and worthwhile.

In February we provided a Youth Choir for the Billy Graham Youth Crusade at the Asheville Civic Center. This choir sang three anthems and led the invitation with a hymn. Over 75 of our young people participated.

Rehearsals began in March for a performance of "The Crucifixion" by Sir

John Stainer. This project concluded with the presentation of this work on April 8, Good Friday, at First Church, Black Mountain. The Black Mountain-Swannanoa Ministerial Association co-sponsored the project. Ten churches participated, and over 50 adults were in the choir. All of the musicians and soloists were our own people, including three of our Ministers of Music.

Our Annual Youth Choir Retreat was held at Ridgecrest in May. For the second consecutive year, Don Wyrtzen was our special guest conductor, and once again provided outstanding musical and spiritual leadership for our young people. The Retreat concluded on Saturday night with a concert at First Church, Swannanoa, featuring anthems by the choir and piano music by Mr. Wyrtzen. Over 200 attended this fine Retreat.

Largely through our association with Don Wyrtzen, as well as the close ties of one of our members, Mrs. Lynn Hayes, with Singspiration Music, our Association was invited to bring a Youth Choir to Singspiration's Southeastern Choral Clinic in Atlanta in July to perform a new musical, "Make It Clear." This hand-picked choir with auditioned soloists began rehearsals the last of May, and gave its first public performance on June 26. The trip to Atlanta was highly successful, with the choir performing to standing ovations and highest praise, even being called "the finest youth choir I have ever heard" by one of Singspiration's top choral people. Since returning from Atlanta the choir has appeared on television and continues to perform "Make It Clear" in local churches. When these commitments are completed we plan to open the choir to new members and begin work on other music. This choir has been an outstanding musical and spiritual experience for its members and a great opportunity for them to witness and minister. Reports from throughout our Association indicate that the choir has been a true blessing to all who have heard. Thirty-seven young people from twelve of our churches have participated.

This has been an exciting year as we have worked to equip and lead our people to share the Good News through music. Many people have worked hard to make our ministry fruitful, and in particular I want to thank the dedicated Ministers of Music who comprise our Music Council. Their commitment to the Lord and to serving Him through music has brought these many blessings to our people.

Respectfully submitted,
Jay O. Lambeth, Director

LIBRARY REPORT

The Associational Church Library Organization has met quarterly for workshops in conjunction with the quarterly associational meetings with average attendance of 7. A series of workshops will be held throughout the association when scheduled. The first of a series of workshops in western area was started on August 23 at Pole Creek Baptist Church with ten librarians participating.

There were three representatives of the association at the State Church Library Conference in April at Greensboro. Six church librarians from the association attended conferences at Ridgecrest. Miss Shirley McIntosh, Black Mountain, assisted at the Media Center at Ridgecrest during the summer session.

Within our Association there are 55 church libraries and media centers. Several churches have received awards from the Baptist Sunday School Board this year.

Respectfully submitted,
Mrs. Robert Kinser

EVANGELISM COMMITTEE

The Evangelism Committee is very grateful for the faithful work of our Lay people in weekend revivals. Andy Lawson, Chairman of the Board of Directors of the Baptist Lay Witnessing Foundaiton and Mike Smith have given invaluable help to the Association and many of our churches. We are especially grateful to Alton Cannon who organized the Candler Lay Revival.

Plans are being made now for more youth involvement in evangelism through Youth Evangelism Strategy.

On the state level, we are seeking to advance the idea of being "Bold In Creative Witness." Over 2,400 pastors attended the annual Evangelism Conference and over 12,000 youth were present at the Youth Evangelism night in August, 1976. Next year's Conference will be held in Greensboro, February 6-7.

It is the earnest desire of your Committee to share with the churches in their plans, programs and prayers for reaching those who are unsaved.

We invite your requests for help.

Respectfully submitted,
Hatcher Elliott, Chairman

MEMBERSHIP COMMITTEE

The Membership Committee of the Buncombe Baptist Association recommend to the Annual Associational Meeting that the Pine Forest Baptist Church be admitted into the Association.

The Pine Forest Church voted on August 29, 1976 to come into the Association and at the Annual Session last year was voted to come under the watch care of the Association for one year. They have filed with the Buncombe Baptist Association a copy of their Church Covenant, The Articles of Faith and have contributed during the past year -- 1976-77 - a total of $110.00 to the Associational Budget. They also sent a church letter to the Association this year.

According to the Constitution, a church under the watch care for one year shall become a member of the Association by vote of the Association in annual session, we therefore, recommend that the Pine Forest Baptist Church in the North Buncombe area of our Association, be accepted into the Buncombe Baptist Association.

Neils Larsen, Acting Chairman

RECREATION

The 1977 Buncombe Baptist Softball League season was a very important one in many ways: (1) It was our fifth season of competition and fellowship, (2) it was played at one location (the Hominy Valley Recreational Park) rather than the haphazard field situations throughout the county which we have had in the past, (3) it was played under the supervision of paid officials from Hominy Valley, rather than having to plead with a spectator (qualified or not) to umpire a game, and (4) most importantly, due to the existence and availability of the well-kept field and the presence of competent umpires, the disagreements between teams which can so easily occur under less desirable circumstances during the course of a game were practically non-existent. This, of course, created the best fellowship among teams that our league has seen in the five-year history of the league.

This is not to say that all problems have been solved. They haven't. (The problem of scheduling 22 teams on 2 fields 3 days a week and everyone playing the

number of games they would like to, is the biggest obstacle to overcome, perhaps the only one!)

But I am sure that I speak for most, if not all, of the 14 men's teams and 8 ladies' teams (Calvary, Grace, Hominy, Merrimon Avenue, Mount Carmel, Mount Bethel, Bent Creek, Alexander, Riverside, Zion Hill, Buena Vista, Friendship, New Morgan Hill, and Starnes Cove), when I say that when Christian fellowship is strengthened and the cause of Christ is furthered, (as I believe it has been this year) then it can certainly be said that our efforts have **not** been in vain.

ANNUITY BOARD REPORT

I am concerned about our pastors of the Buncombe Association. About 31 churches are not taking advantage of the protection through the annuity program. This plan protects pastors and family in case of death, disability, and retirement. For just $33.34 per month your pastor or staff worker and family can have this protection. Ask your leaders if your pastor has any protection in case of death, disability or when he is too old to carry on the work of your church. This is love in action.

Also many larger churches have failed to update their pastor's annuity. If you are not investing 10% of his total salary, it will not be adequate to live on when he retires. The reapers should receive good wages (John 4:36).

If I can help please call me, 667-3747.

Respectfully submitted,
Lawrence Fox

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

The past year in your North Carolina Baptist Homes for the Aging has been one of the fullest and most exciting in the twenty-six years that the Homes have been ministering!

Of keenest interest was the ground-breaking service for the new Western North Carolina Baptist Homes, on the Pearson Estate on Richmond Hill, in Northwest Asheville, last October, when more than a thousand people from our Western North Carolina Baptist Churches, as well as many others throughout the state, were present. It was a thrilling moment indeed when Trustees, Staff, and Residents of the Homes, pastors, and other church leaders latched on to ropes, attached to a huge bulldozer, pulled together and helped to move the first dirt at the site, heralding the beginning of the construction of your sixth Baptist Home for the Aging.

Construction is now underway for this lovely Western North Carolina Baptist Home, which will initially accommodate 50 people.

Another exciting venture is the construction of four duplex apartments at the site of the Hayes Home in Winston-Salem. These apartments will care for 16 additional persons and will be ready for occupancy in the fall of 1977. Sixty-six more people will be served in our Baptist Homes family in the next two years.

Gifts from our Baptist people have been very encouraging during the past year through the Cooperative Program and through the third Sunday of February offering. These sources supply 35% of the total budget of the Homes and are used continually to supplement the care of the majority of the residents who cannot pay their full cost of care. They are love gifts indeed and are a lifeline for those whose needs could not be met without them.

The needs of older persons in our society today are great and overwhelming. Plans are in the making for an accelerated ministry in our North Carolina Baptist Homes that will touch an ever-increasing number of persons.

These plans will call for a greater concern and commitment on our part than ever before. The future of our North Carolina Baptist Homes is as bright as the promises of God; and, in that future, the Lord, and these older people in our midst, will be looking to you to share in meeting the needs as we reach out and serve more of these dear ones who desperately need help.

BIBLICAL RECORDER REPORT

What is perhaps the greatest challenge faced in all the history of Southern Baptists is before our people for the remaining 23 years of the 20th century. It has been called "Bold Missions Thrust," and the success of the venture is yet to be determined. There is no doubt concerning the importance or the motivation for the undertaking, but there is uncertainty as to whether the motivating message will be successfully communicated to some 13 million Southern Baptists, and to our more than 34,000 churches. Without adequate communication channels, the program cannot succeed.

The heart of the program is to evangelize and congregationalize the world's population, and the thrust is confronting all human beings everywhere with the gospel, and affording them the opportunity of knowing and trusting Christ as Saviour, and then leading them to understanding of His lordship.

The program is so big, and the challenge so great, that every Baptist must be involved to make it successful. Not since Jesus presented his disciples the goal of going into all the world has such boldness been demonstrated.

The most difficult problems faced in our churches are related to communications. When people are uninformed, poorly informed, or misinformed, they get into trouble. When they know what is taking place in their local congregation and in the denomination, interest is generated and cooperation results. Openness is therfore important, and the purpose of the BIBLICAL RECORDER is to keep Baptist church members informed concerning involvement in their denomination, and in the Christian world.

In light of developments presently underway in our denomination, it is important that every Baptist church member in North Carolina receive the BIBLICAL RECORDER weekly. Already more than 1,100 churches in our state are providing through their budgets for the RECORDER to go to all resident families. The Southern Baptist Convention has adopted a circulation goal of 8 million for state papers by 1980. The SBC believes that every Baptist family ought to be receiving its state Baptist paper. RECORDER circulaiton approaches 120,000 but should be increased in the immediate future to 150,000.

If your church is not sending the RECORDER to resident families at the present time, arrangements should be made immediately to do so by incorporating it in your church budget. Costing less than half the price of a postage stamp per issue, it is delivered by U.S. mail directly to your home address.

The RECORDER doesn't cost; it pays! Your church will be a healthier congregation if you provide the RECORDER for your resident families. It is the most widely read piece of literature received by North Carolina Baptists. No

investment pays greater dividends.

REPORT OF BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA

Baptists of North Carolina provide a ministry of love and care to children, young people and their families. The program is more than rooms and meals and activities and recretion. It's more than buildings and grounds. The care of children is missions. . . . reaching out with a helping hand; it is evangelism. . . . sharing the joy of life in Christ: it is love and affection. . . . the giving of hugs and kisses and friendship; it is education. . . . teaching an appreciation for the finer things in life; it is restoration. . . . enabling families to function again.

CAMPUSES at Mills Home, Thomasville; Kennedy Home, Kinston; Odum Home, Pembroke; and Broyhill Home, Waynesville-Clyde continue to serve as centers of service and operation in their respective areas of the state.

FOSTER HOME CARE, a statewide program of the Homes, is vital to numbers of children needing special help. Additional foster homes are needed throughout the state. We welcome opportunities to talk with prospective foster parents about this area of service.

THE EMERGENCY SHELTER at Forest City is meeting a critical need in western North Carolina. It provides a ready resource for children who need help immediately. During a period of one to ninety days responsible planning is made for the child's future.

THE MATERNITY HOME in Asheville, opened in 1970, has proved to be a much-needed and well-received service. More than three hundred girls have been served from throughout North Carolina and beyond. It is recognized for its quality of care and Christian concern.

SOCIAL WORK AND FAMILY RESOURCE CENTERS enable us to work with families in providing services to children, family rehabilitation, family education and protective services. These Centers are located at Waynesville, Asheville, Charlotte, Thomasville, Burlington, Raleigh, Kinston, Fayetteville and Pembroke.

THE CHILD DEVELOPMENT CENTER on the Mills Home Campus at Thomasville provides a demonstration program for churches who are interested in establishing services for preschool age children in nursery school educaiton, day care and kindergarten. We welcome opportunities to assist churches any place in the state who want to develop this type program.

Members of our staff are anxious to have you and members of your churches visit Broyhill Home. To see, observe and to feel in person what it is like to live in a children's home is to appreciate our child care ministry. Thank you for your dependable support in numerous ways. It shall be our purpose to keep this a dynamic ministry and to meet the needs of those whom we serve.

COOPERATIVE [STEWARDSHIP] PROGRAM REPORT

Will **you** lead every member of the church where you serve to give a tithe or more

of his income into the church treasury and lead the church to give the suggested amount to the Association plus giving from 10% to 50% of church receipts through the Cooperative Program?

The Southern Baptist Convention theme for this year is "Bold Missions." "But you shall receive power when the Holy Spirit has come upon you; and you shall be my witnesses in Jersulam and in all Judea and Samaria and to the end of the earth." This command of Jesus in Acts 1:8 clearly calls for boldness on the part of His followers. These words emphasize our commitment to missions and mission support.

In I Corinthians 3:9, the apostle Paul says, ". . . .we are labourers together for God." We must continually challenge one another as Baptists to minister in Christ's name through the church, through the association, and through the Cooperative Program in bold support of missions at home and around the world.

Commitment to a bold mission task calls for specific action on our part as individuals and churches. During the past year, the churches of our association gave $450,540.00 through the Cooperative Program. A total of $44,230 was given to the Associational Missions Budget plus $12,239 in designated gifts making a total of $56,469.

WE RECOMMEND THESE GOALS:

1. Every church in the association BOLDLY ADVANCING THEIR GIVING through the Cooperative Program for world mission support, and giving the suggested amount to Associational Missions.
2. Every church in the association increasing the percentage of the total budget income given through the Cooperative Program.
3. That every church seriously consider its responsibility to develop Christian stewards and determine to elect and train a stewardship committee to assist the church in developing Christian stewards.
4. That every church conduct a stewardship emphasis this year. This coming year, the stewardship theme is "Bold Believers in Giving Through a Growing Commitment."
5. That an associational stewardship conference be held in order to assist churches in planning and conducting their stewardship programs.
6. That every church double Cooperative Program giving and associational missions giving by 1982.

Mrs. Marvin Garrett, Representative
Cooperative Program

CHRISTIAN HIGHER EDUCATION REPORT

Baptists of North Carolina are deeply involved in the ministry of Christian Higher Education through the support of six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. During the 1976-77 academic year, 13,733 persons were enrolled in the seven schools. The number graduating in May, 1977 was 2,493.

One strong emphasis of Baptist colleges is the preparation of pastors, missionaries and other church vocation volunteers. In the fall of 1976, there were 846 persons preparing for church-related vocations at North Carolina Baptist colleges.

The recruitment of more Baptist young people is a major concern of the colleges. Pastors and other church leaders are urged to encourage the youth from Baptist churches to attend a Baptist college. During 1977, the pastors have given the names of more than 6,000 prospective students to the colleges through the Council on Christian Higher Education. These students have received information from the colleges and from the Council office.

Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students financially in order to make available the educational experience at a Christian college. An offering is received on Father's Day each year to provide aid for North Carolina Baptist young people. Students who need to apply for financial aid should make application to college early in the junior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Mission emphasis of Southern Baptists a vital and successful ministry.

BAPTIST FOUNDATION REPORT

The establishment of the North Carolina Baptist Foundation as an agency of the Baptist State Convention of North Carolina was approved in 1919 and chartered in 1920. The objective of this agency of the Convention were clearly stated in its charter:

1. To promote the making of gifts . . . . for the causes and objects fostered by the members of the missionary Baptist denomination in the State of North Carolina, in their cooperative undertakings, and to provide a way of securing greater uniformity of purposes, powers, and duties of administration in the management and distribution of the gifts so made;
2. To receive, own, hold, administer, and distribute gifts of any kind . . . . to be used for the promotion of the Missionary Baptist cause in general or any specified object of the Missionary Baptist denomination. . . . "

The Foundation continues to strive toward fulfilling the objectives stated in its charter. In so doing it will serve more as a trustee than as a foundation, as foundations are presently defined. As trustee, the donor or benefactor makes decisions relative to specific or general recipients of trust income.

During the first 40 years growth was slow. In total assets we have grown from $2,000 to $264,000. In the last 17 years we have grown from this amount to almost $4,000,000 in assets.

The emphasis of the Foundation is Christian Stewardship. We believe that through the North Carolina Baptist Foundation we can provide opportunities for our people to become better stewards of what God has entrusted them with.

There are three methods used to give through the Baptist Foundation. First, by putting in your will all or a part of your estate to go to the Foundation. Second, by transferring the estate to the Foundation and receiving an annuity for life. Third, by an outright gift to the Foundation.

The gift can be given through the Cooperative Program or to any institution or mission cause of the Convention.

Respectfully submitted,
Erskine V. Plemmons

AMERICAN BIBLE SOCIETY

In the fall of our Bicentennial Year, the American Bible Society published the "Good News Bible" in Today's English Version. This publication, which is the result of years of painstaking translation work, makes available for the first time a faithful translation of the scriptures in a style of language easily understood by most people.

The purpose of the American Bible Society through the years has been to translate, publish, and distribute the scriptures without doctrinal note or comment and without profit.

Here are a few highlights of what ABS and its partners have accomplished:

(1) At present, the Bible Societies are giving help directly and indirectly in 560 languages.

(2) Scripture distribution in the U.S. during 1976 reached a total of 114,769,046 copies.

(3) In 1976 ABS contributed $5,649,892 to the United Bible Societies World Service Budget, thus giving crucial support to the Bible cause throughout the world.

(4) The ABS also assists missionary activities of the Southern Baptist Convention in various ways.

Southern Baptists can help promote the Bible cause through contributions and prayers. In 1976 the Southern Baptist Convention contributed $275,361 to the ABS budget of $13,625,000. An increase is needed as costs and demands for scriptures continue to rise.

The ABS asks for your continued prayers, that, together with the Southern Baptist Convention and all willing Christians, we will be blessed by God in our combined efforts to bring His Word to all those who are in desperate need of it.

CHRISTIAN ACTION LEAGUE

The N. C. Christian Action League has been engaged in a two-pronged attach on the moral front during the past year. A real effort has been made to curb the flow of pornography, and the liquor-by-the-drink issue has been opposed at every turn.

The legislature passed Senate Bill No. 539 which was introduced by Senator I. Beverly Lake, Jr. of Wake County. It is hoped that this law will regulate and eventually do away with hard-core pornography in North Carolina. It was amended many times, but the strength of the statute remains intact. This new law will permit the solicitor or the attorney general to proceed against pornography.

Another bill has been enacted that will prohibit the display of pornographic magazines and other materials on racks in public places where they can be viewed by minors. Still another law was passed that will make it illegal to use minors in the production of pornographic materials.

The effort against liquor-by-the-drink began before the election of Senators and Representatives last year. Many committed themselves to oppose any such legislation and became voting members of the 1977 Assembly. We counted heavily upon these friends to hold the line against any new legislation that would merchandise whiskey like apples and oranges, and no such legislation was passed during the 1977 session.

Senate Bill No. 735 was introduced which would have given a vote to any county, city or town which had an ABC store to determine if liquor-by-the-drink sales would be authorized. The bill would have allowed the addition of such sales on top of "brown-bagging." In other words, a restaurant which qualified could

have had both types of permits. This would have given North Carolina one of the most liberal systems in the United States. Due to some vote-swapping to revive the pornography bill, this measure passed the Senate by a 24 to 23 vote. The proponents of the bill, realizing that it was headed for defeat in the House by at least 15 votes, made a last minute move which sent the bill back to the House ABC Committee, where it will await next year's session of the General Assembly.

This gives us time to organize our forces and to make contacts with our Representatives. You spoke loud and clear in opposition in the state-wide referendum in 1973, and you are urged to contact your Representatives and request their opposition to Senate Bill No. 735.

The Christian Action League appreciates the support which has been given this past year, and reminds you that we can do only that which you enable us to do through your contributions.

Respectfully submitted,
Bill Horton, Representative

BAPTIST HOSPITAL

The beautiful stained glass window in the front of Davis Chapel at Baptist Hospital has three large panels, each depicting an aspect of Christ's ministry: healing, teaching, and preaching. The window serves as a reminder to the staff that Baptist Hospital has also been commissioned to this three-fold task.

The Hospital's primary task, obviously, is healing and it attempts to obtain and use the best personnel and equipment available for the healing task. The medical staff consists of competent, dedicated men and women in all the various specialities of medicine. Persons with rare and complicated medical problems are referred to Baptist Hospital by their family physicians for treatment. Last year 158,863 visits were made in the hospital's Outpatient Department and the Bowman Gray Department of Clinics. There were 22,365 admissions to the hospital for a total of 193,942 patient days. These patients came from 90 counties in North Carolina, from 29 other states and from 3 foreign countries.

Baptist Hospital is also involved in teaching. In cooperation with the Bowman Gray School of Medicine of Wake Forest University, it helped to train 1,188 students last year for careers in medicine and allied health fields. In addition, there were 87 graduate students in the basic sciences. The hospital also provided clinical facilities for 483 student nurses from 3 nearby schools of nursing and for 120 students in other allied schools. The School of Pastoral Care last year enrolled a total of 75 students in various levels of Clinical Pastoral Education.

The hospital also has a preaching ministry. There is preaching in the formal sense at least four times a week in the worship services held in Davis Chapel. In a less formal sense, the Christian Gospel is proclaimed daily by staff, students, patients and others who witness to their faith in word and deed.

In all of these ministries, Baptist Hospital is mindful of its Christian heritage and its strong tie with the Baptist State Convention. This tie is maintained and strengthened through the services of capable, dedicated trustees who are elected by and are responsible to the Convention. The tie is also strengthened through the financial support from the churches; last year $294,324 was received through the Cooperative Program and $405,947 through the Mother's Day Offering.

Several members of the hospital staff have assumed active roles in denominational life at the association level and the state convention level, as well as in their local churches. For the past five years hospital personnel have assisted in Cooperative Program promotion in at least two associations each year. Staff members are pleased to do everything possible to strengthen the denominational

tie, believing that this tie adds a dimension to the ministry of healing, teaching and preaching.

Mother's Day gifts for the fiscal year ending June 30, 1977 were $411,225.56 compared to a total of $405,946.52 for the preceding fiscal year.

Jack E. Guffey

Preacher ..... Kenneth Ridings
Alternate ..... Johnny Tiller

Reverend Leroy Thomas was born on May 18, 1894 near Knoxville, Tennessee and lived there until he became a young man of twenty when he then moved to Cleveland, Tennessee in 1914. A year later he was married to Mary Elizabeth Hicks of Cleveland and they started the journey of life together.

In 1920, while working at the Hardwick Woolen Mills, God called Leroy Thomas to preach the Gospel. He was then a member of the Big Springs Baptist Church in Cleveland. Brother Thomas shared what God had done in his life. They then licensed and ordained this servant of the Lord.

The Red Oak Baptist Church near Cleveland was Brother Thomas's first pastorate. After this he accepted the Ooltewah Baptist Church and served there until he left Cleveland and entered the Southern Baptist Theological Seminary in Louisville, Kentucky.

In 1923 he returned to Tennessee and became the pastor of the Ocoee Baptist Church. In 1925 he served a Baptist Church in Newport. In 1926 he went to Georgia and pastored a field of three churches in north Georgia.

In 1929 Leroy moved to Swannanoa, North Carolina and became the pastor of the Swannanoa Baptist Church which he served until 1934. Following this pastorate he served the Rhodhiss Baptist Church from 1935 to 1940. From 1940 until 1944 he served the Flat Creek and Chestnut Grove Churches in Buncombe Association. From 1944 to 1949 he served the Oakley Church and then the Buckeye Church. From 1950 until 1953 he pastored the Mountain Grove Church in Caldwell County and then moved to pastor the Roaring River and Liberty Grove Churches from 1954 until 1955. Returning to Buncombe County in 1956 he accepted the Grassy Branch Church from which he retired and moved to Swannanoa. During retirement he served as interim pastor of several churches in the area.

In 1963 Mrs. Thomas died. In 1964 he married Ms. Minnie Foster and they resided in Oteen where he served as supply pastor when he was able. He went home to be with the Lord on June 19, 1978.

Leroy Thomas is remembered in our midst as a man of strong conviction and of much compassion. His friendly manner and zeal for the Lord was a source of blessing in the pastors' conferences and among many Christian friends.

ASSOCIATIONAL BOARD ACTIONS

July 18, 1978:

The Budget for the year 1977-1978 was given (this was adopted by the Executive Committee on June 27, 1977. The Associational Board approved this Budget.

The name of Brother James Johnson was approved at an earlier meeting to send to the General Board of the Baptist State Convention as recommendation to represent Buncombe Baptist Association. The names of Miss Pauline Snelson and Mike Smith were named to be sent also in the event these were needed. A motion was made to send these and the motion passed.

The nominating committee presented the names of the following program Directors to serve the Association during the coming year (Mr. Youmans, chairman).

> Sunday School, Miss Shirley McIntosh; Church Training, Mrs. Orville Myers; Woman's Missionary Union Director, Mrs. Robert Barnes; Brotherhood, Dudley Penton; Music, Jay Lambeth.

A motion was made to accept these named for our program Directors next year. The motion passed.

The actions of the Executive committee were read to the group and were approved.

They were as follows:

1. In regard to a Christian Social Ministries Director, a motion was made that we proceed with the employment of a Christian Ministries Director - reaffirming the actions of the Association as regards to the beginning of a Christian Ministries program in cooperation with the Baptist State Convention and the Home Mission Board - and that the Finance Committee be instructed to undergird positive efforts to secure contributions to the Associational Budget for 1977-78.

2. A motion was made to provide office space on the main floor of the Baptist Building for all day by day work of the Association including the new Christian Ministries program. The motion passed.

3. A motion was made to provide full-time secretarial help. We now have part-time assistance two days weekly and sometimes three when the work load is heavy and we will need two more days per week with the new ministries program. The Personnel committee feels that it is better to go full time since we are so very close to this. This was approved.

4. In response to the recommendation of the Personnel Committee, a motion was made to change the title of Mrs. Hicks service to Director of Education Ministries and Financial Secretary. As such she will continue to work with (but on an expanding scale) the directors of programs to further the work, arrange for clinics, workshops, etc. which will improve the abilities of our leaders in the church programs; counsel with individuals and with groups to assist them in their educational functions; and stay alert to do all the things possible to help

our hundreds of fine teachers and directors in the churches. The Personnel Committee feels that it is highly important that we not neglect to provide for helping our educational leadership in the churches as we provide for help in the field of social (more personal) ministries.

Mrs. Hicks will continue to function as Financial Secretary and as Clerk (the latter is elected year by year). This was approved.

October 17, 1977:

Dr. Fred Werhan presented a report from the Personnel committee:

1. A job description for the Director of Christian Social Ministries and spoke of the type program this type of ministry involves.

2. He then, presented the name of Rev. Gayle Brown for the new Director of Christian Social Ministries for Buncombe Baptist Association and gave qualifications for and experience of Mr. Brown. Bro. Werhan made a motion that we accept the job description and the person named for the Director of Christian Social Ministries. After discussion and questions concerning this ministry the job description and the Director of Christian Social Ministries were passed by the group. Brother Gayle Brown was presented to the group and he spoke to the group - sharing some thoughts and visions for the future of this new work.

January 30, 1978:

This was held on January 30 instead of the regular meeting time of the 16th, because of heavy snow and ice. A large group was present for the quarterly meeting, but there were no actions taken by the Assoc. Board - just reports and a petition presented by the chairman of the Christian Action League.

April 17, 1978:

The Nominating Committee presented the name of Earl Cobb for the Brotherhood Director to replace Dudley Penton who had moved out of the Association. A motion was made and seconded to elect Bro. Cobb as Associational Brotherhood Director. The motion passed.

A motion was made and passed to ask the finance committee to put into the Budget an amount to help with the Action Plan for SS enrollment which will be held Oct. 8-15 of this year. The motion passed.

Martha E. Hicks, Clerk

ACTIONS OF THE EXECUTIVE COMMITTEE

September 12, 1977:

Church aid for a lot for the Reynolds Church in the amount of $2,500.00 was approved to be sent into the Baptist State Convention.

A request for lot aid for the Pine Forest Church when they are received into the Association, was approved in the amount of $2,000.00.

The Executive committee approved of the Annuals for 1977 to be dedicated to the Memory of three Buncombe Baptist Pastors who had passed during the year including Rev. Welsey Sprinkle who expired after June 30, 1977. These were Rev. Sprinkle, Rev. Albert Parham, and the Rev. B. S. Hensley. It was made known later that we had one other pastor to pass during the year - Bro. Grady Shepherd and his name was added to the list of In Memorium. Action for this came in the next Executive meeting.

October 17, 1977:

The action to add Bro. Grady Shepherd's name to the In Memoriam for the annuals was taken (see above).

A job description for the Director of Christian Social Ministries was passed out to the group as information before it was presented to the Association Board. The name of Rev. Gayle Brown was announced as the person to be voted on at the Associational Board meeting. A motion was made that we adopt this job description. Discussion and questions followed. No other action was taken and will be presented to the Associational Baord with the agreement that all will press for financial support of the Associational Budget in a much greater way with emphasis on increasing Budget giving for new year - 1978.

It was common agreement with the Executive Committee and the Director of Missions that Gayle Brown go ahead with his planned trip to the Holy Land - Dec. 26 - Jan. 6 of this year. This is a gift to him and Mrs. Brown from the Oteen Church and was planned before Mr. Brown accepted the position as Director of Christian Social Ministries for Buncombe Baptist Association.

February 3, 1978:

In regards to a request coming from the Music Council as to the need for the Youth Singers to secure records and pay for them before they can be sold, a motion was made that we instruct the Treasurer/and or Finance Committee to negotiate to borrow the sum of $500.00 for the Music Council. It was recommended that this amount be paid back in a 90 day note or at least before the present Associational year ends. It was also recommended to the Music Council that the Youth Singers not have a separate account, but place all monies through the Buncombe Baptist Association Budget designated for Youth Singers.

May 29, 1978:

In regards to two lots in the Oakley section of our city (on Glendale Avenue, Biltmore Ward where the Glendale Church used to be and was disbanded several years back - this property was secured in 1956 when Manley Hocutt was Associational Missionary), a motion was made by Fred Werhan that we investagate everything pertaining to the property, including appraisal and possibility of sale to the Oakley Community Chapel Church, a free-will Baptist Church in the area, Rev. Hensley Pastor, and that this information be brought back to the Executive Committee and/or Associational Board for action. It was also suggested that the money for the sale of this property be put into a fund for buying of other property that we may need in the future for new Sunday School work or expansion. The motion was seconded and passed.

In regards to the recommendation from the personal committee regarding the position of Leader to establish new Sunday Schools in Buncombe Baptist Association (see position description sheet), a motion was made by Edgar Ferrell that this be accepted both the position and person with the suggestion that $330.00 per month be paid for a period of six months with $200.00 over for miscellaneous to be spelled out by the person employed as to amount for travel and salary, etc. It was requested that we ask the Sunday School Department of Baptist State Convention for an amount for materials for survey places, etc. This was seconded and passed.

In regards to the recommendation from the personal committee regarding the Position of Field work placement student from Mars Hill College in the area of Christian Social Ministries, a motion was made that the position description and the person be accepted to work in-service for a period of 6 months (see sheet of position description). It was suggested that the $500.00 from the Baptist State Convention be given to the student for expenses in the amount of $70.00 per month with $80.00 left for materials. This was seconded and passed.

The name of Miss Pauline Snelson was presented for new Sunday School Work and the name of Miss Cindy Layne was presented for the Christian Social Ministries in service student. Both were accepted by the group.

It was understood that with both of these workers - there would be no expense to the Association except space in the basement room provided for their use.

REPORT OF DIRECTOR OF MISSIONS

Never has there been a year so jam-packed with busy activity in Buncombe Association, in North Carolina and for World Missions. We trust that our "busyness" indicates more and better service to the churches and the association, but we hope to be able to slow down a little at least after this week.

The Lord has put together an excellent team to work with - Martha and Nancy, Gayle and Hal (in printing), plus Pauline (for new Sunday Schools) and Cindy (in CSM). Each has worked hard and in a fine spirit. I thank God for all of these.

Because so many Buncombe Baptist fellow travelers identify positively with us in sharing our hopes and dreams with Buncombe, we have moved forward in Kingdom Bold Mission Thrust. Giving to Associational Missions has about doubled in the past four or five years. The Associational permanent staff has doubled also. Some physical improvements have been made at the Baptist Building and new projection equipment has been purchased for loaning to the churches. Also, you have vastly increased (by your giving) the number of filmstrips we can loan to the church groups.

Improved attendance by church leaders at our four quarterly meetings encourages us. It is our hope that these meetings will continue to be of great help to our church program leaders as well as to all pastors and lay board members. Your suggestions for improvement of the quarterly meetings are welcomed.

The Bold Mission Conference on July 17 was a thrilling experience. We are all beginning to see a number of churches set Bold Mission goals as a result of more intense awareness of what God wants us to be and to do in the months ahead.

Our staff directors and program directors have projected good programs and have worked at getting meaningful participation in these programs on the part of church leaders.

Our State Mission promotion and participation did well the first year. Already we are seeing improvement this year. We hope to reach our Buncombe goal of $61,000 this year.

As more churches enter the Action Program we look forward to seeing much needed improvement in Sunday School enrollment. In addition, with Johnny Tiller as the new chairman of Evangelism, with warm-hearted pastors, and lay members telling the story that Jesus saves, we will see the baptism picture improved also.

As we come to 1979 we urge every church to participate in the World Missions Conference in October. Let's make the new year the best missions year to date.

HAND IN HAND FOR WORLD MISSIONS

SUNDAY SCHOOL REPORT

1977-78 associational Sunday School work continued to place emphasis on teacher training importance - all of this was due to the work of a full-time Director of Education Ministries in the Association. Many teacher training clincis were held in individual churches and on an associational level. In addition a Vacation Bible School clinic and an ACTION Clinic were also held.

Quarterly meetings also focused on teacher training as problems of Sunday School and opportunities for ministry were discussed and explored. One quarterly meeting focused on outreach opportunities through the ACTION program and many of our churches have chosen to do ACTION this fall.

Another meeting featured Sunday School opportunities as an important part of the Bold Missions Thrust. Outreach will be the central thrust of Sunday School in the coming year because Bible study is such an important program for all of our churches. Numbers are important because they represent people being reached for Bible Study.

Challenges for the new year include Preparation Week, Reach Out'78, ACTION and Starting New Sunday Schools, emphasis on Single Adults and Bible Teaching Learning improvement plan.

May we all work together to set goals worthy of our calling. His truth must be shared with our communities and with our world.

CHURCH TRAINING REPORT

We have been talking about and working toward a New Day for Training. We truly feel there is a new day for training throughout our Southern Baptist Convention and certainly, we trust, in our own Buncombe Association.

A planning meeting was held each quarter along with special called committee meetings. There was an increase in the attendance of the four associational meetings.

Our annual "M" Night meeting was November 21 at Calvary Church. We were inspired with messages from Cloyes and Mary Jo Starnes, our own missionaries, who were home on furlough from Korea. Cloyes is the son of Mr. and Mrs. Bert Starnes of Grace Church. Music was presented by the associational choir under the direction of Jay Lambeth. There was a tie between Grace and Riverside for the Achievement banner and plaque. Grace Church received both attendance and percentage banners.

An important emphasis in our Church Training program was the regional "Developing Book" conferences. This was held in February at West Asheville Church with our state workers leading.

In May our Associational Tournaments were conducted at Oteen Church. There were nine children from Beverly Hills, Oteen, and Riverside who participated. Eight of these were state winners at Fruitland. We commend the children and their leaders and parents. Alan Davis from Arden and Jeff Hensley from New bridge spoke in our Speakers' Tournament. Jeff placed first and represented our Association at Fruitland where he tied for first place to speak at our State Assembly at Caswell. He was state winner. He then gave his specch at Ridgecrest where he represented North Carolina. We are proud of Jeff and trust that many more of our youth will participate in the Speaker's Tournament in our Association next year.

Three of our churches had members attend our State Assembly at Caswell during Church Training Week in June. We encourage more of our churches to take advantage of this wonderful opportunity.

As a renewed awareness of the need of training seems to be growing across our state, let us pray that our churches in Buncombe will become more aware of this need.

Mrs. Orville Myers, Director

WOMAN'S MISSIONARY UNION REPORT

This has been a good year in WMU work. Many things have happened that show interest and growth in organizational work and renewed dedication to the cause of missions around the world. Attendance at council meetings has been excellent. I appreciate very much the beautiful way all council members have attended, made plans, and carried out our activities. It has been team work at its best!

The theme for this year was "Teach Missions — To Be, To Do" with emphasis on training. This began with all program directors participating in leadership training at Ridgecrest, and then conducting training sessions for their age work at the Buncombe Associational Leadership Conference held at Biltmore Church. This was attended by 174 women from 22 churches.

Training was continued on associational nights with conferences for all ages. Two of these were used to give helps in teaching the home and foreign mission books. These were largest in attendance, and certainly resulted in good studies in the churches.

After the study of laypersons in missions, it was our joy to work with CSM Director in assisting in the Jones Valley Baptist Church project. Eighteen church WMU's furnished and served lunches at the work site to the volunteer workers.

The WMU was involved in a mission action project, as we bought material and made 60 containers to be used in Asheville taxicabs for Christian literature distribution. This project was headed by Dr. Claude Frazier, and received approval from Buncombe Association. Only time will tell the value of the project.

World Day of Prayer observances were held in each of the nine districts under the direction of the district leaders. This resulted in 331 women from 41 churches joining women around the world in prayer and offerings for world missions.

WMU annual session was held at Calvary Church with Rev. John S. McGee, missionary from Nigeria, bringing a mighty message. Seventeen churches received awards for WMU Achievement. These were Biltmore, Buckeye, Enka, Jupiter, Kerlee, Liberty, Skyland, New Bridge, Reed Memorial, Merrimon Avenue, Pole Creek, Weaverville, Arden First, Calvary, Long Shoals, Westwood, and Edgewood. Also 61 age-level awards were given to age-level organizations. Interest in earning awards is growing each year, and we rejoice, because it increases the quality of our work. The Associational WMU also received the Distinguished Award.

The age-level directors have been totally dedicated to their tasks. Following are some highlights of the year.

GA Play Day at Ridgecrest. 115 present to hear Miss Olive Lawton, retired missionary speak.

Acteens Banquet at Edgewood Church with 104 girls present.

Acteens Council attending training at Mundo Vista.

Forty-three Acteens visiting the Home Mission Board in Atlanta on tour planned and conducted by Director, Mrs. Joe Strange.
Six BYW attended BYW Convention at Ridgecrest.
Fifteen women from 5 churches attended state WMU annual session in Fayetteville.
Young Baptist Women seminar with state leaders held at First Baptist.
$125 given for promotion of interracial work.
$100 scholarship to Fruitland student
New work started in 3 churches and a number of age-level organizations begun.

These past five years as Associational Director have indeed been busy ones for me, but I thank God that I have had this opportunity of service. It has been a joy, and I feel we have grown in organizations, knowledge of methods, and especially a feeling of fellowship among our churches. So much yet needs to be done. Too many churches are without organized mission work. We need the help of pastors in getting into these churches. I pray sincerely that we may pledge our support to the newly elected WMU Director, Mrs. Jean Hollingsworth and her council, and continue to be Laborers together with God" as we join hearts and hands in a great effort to "enter the door for Bold Service" in missions.

Mrs. Robert R. Barnes

BROTHERHOOD REPORT

The Brotherhood has really stepped up its activities this year. Mike Smith and those working with him have involved many laymen all across Buncombe County in lay evangelism both in the county, the state and all across the United States. These men, in cooperation with the Evangelism Committee, are doing a great job in this area. John Brendell has been busy as Baptist Men's President telling Buncombe Baptist churches how to begin or enlarge their Baptist men's work. W. G. Hutchison and Clyde Tilson, along with others, are doing an outstanding work in correctional institution ministries. The prisons were opened for a revival this year which resulted in many decisions for Christ. There is now underway an outreach program for parolees and their families. Reverend Mace Honeycutt continues to devote many fruitful hours of work with Royal Ambassadors which is climaxed each summer with camping trips and an associational and state track meet.

The Brotherhood, in cooperation with the WMU, involved many men and women in the Jones Valley Church reconstruction. They also serve each year as interpreters of our State Missions Offering.

Your Brotherhood Director and other members of the Brotherhood Council have spoken in several churches to Baptist Men's groups and have helped several establish Baptist Men's work. We trust that an increaing number of churches will put a real emphasis on getting laymen involved in mission activities.

Please feel free to call any member of the Brotherhood Council for help.

H. Earl Cobb
Brotherhood Director

MUSIC REPORT

The past year has been extremely busy and productive for our Music Council. We have held monthly meetings of the full Council, as well as numerous committee and sub-committee planning sessions. The following is a chronological summary of our year's ministry for 1977-78.

In July, 1977, the Buncombe Baptist Youth Singers presented one of the premier performances of the musical, "Make It Clear" at First Baptist Church, Atlanta. This presentation was in connection with the Singspiration Southeastern Choral Clinic. The Singers were highly praised for their work. The group continued to perform this work throughout the fall in our associational churches and on television. A recording was made in late November and released in February.

Our annual Children's Choir Day Camp was held the first week in August at West Asheville Church. Over 60 third through sixth graders participated in the week, which included worship, graded choirs, refreshments, recreation and a

combined choir. The camp concluded with a program of music on Friday evening which was well attended. The graded choirs were directed by Carroll Kirby, Lovey Bigham and Allen Cantrell. Steve Austin directed the combined choir, which presented the Christmas cantata. "Something Wonderful," by Butler.

The Buncombe Baptist Youth Singers led the music for the Monday night session of the Annual Meeting in September, presenting portions of a musical as well as anthems and hymns.

At the October Quarterly Meeting a choir of music ministers and other key music people presented an anthem and led congregational singing. Also, we featured Mr. Don Bearden, Co-ordinator of the Church Music program at Mars Hill College, who spoke to the entire group, then led the music session in a detailed discussion of his work.

We provided an adult choir for "M" Night in November. This choir, composed of singers from eight of our churches, sang two anthems, service music, and led congregational singing.

An outstanding presentation of Handel's "The Messiah" was given at Calvary Church on December 11. Sixty-eight people from fifteen of our churches composed this choir, and they were joined by four soloists and some students from Mars Hill College. Charles Gatwood, head of our State Music Department, was guest conductor.

We provided a choir for the January Quarterly Meeting, composed of music ministers and other key music people. This choir presented an anthem and and led congregational singing.

An adult choir of over eighty voices presented the musical, "The Church Triumphant" at Calvary Church on Palm Sunday, March 19. This performance was enthusiastically received by the large number in attendance. Fourteen churches were represented in this choir. A recording of this concert is now available.

The Singing Churchmen, a chorus of full-time church musicians from Baptist churches throughout the state, presented a concert of sacred music at Calvary Church on April 10. This group is directed by Charles Gatwood. Six music ministers from our Association sang this year with the Churchmen.

Our annual Youth Choir Retreat was held at Ridgecrest on April 28 and 29, with over 150 young people participating. Guest Director Garry Cornell, of Columbus, Ohio, did an outstanding job. A very fine Youth/Parent/Pastor Banquet was held at Oakley Church on Saturday night, followed by the retreat concert.

The Buncombe Baptist Youth Singers sang Franz Schubert's "Mass in F" at All Souls' Episcopal Church in Biltmore on May 21, and presented the musical, "Make It Clear" at Gardner-Webb College on May 27. Both of these performances were well done and well received.

Our second performance of "The Church Triumphant" was given at First Church, Black Mountain on Sunday afternoon, June 11, with over fifty people from ten churches in the choir. This presentation also was well received.

This has truly been an exciting, and fruitful year for our Associational Music Ministry. I particularly want to praise and thank the dedicated Ministers of Music who comprise our Music Council for their commitment, hard work and excellent spirit.

Jay O. Lambeth, Director

ESTABLISHING NEW SUNDAY SCHOOLS IN BUNCOMBE BAPTIST ASSOCIATION

The Baptist Sunday School Board of the Southern Baptist Convention working through the Baptist State Convention of North Carolina offered some money to be used by the Buncombe Baptist Association to locate areas to start new Sunday School work with the possibility of organizing new churches. This is a part of the Bold Mission effort.

A position description was prepared. The Associational Executive Board approved this and extended a call to me to accept the position. It was with the understanding that I work under the supervision of Reverend John G. Hicks, Director of Missions and Mrs. John G. Hicks, Director of Education Ministries that I accepted the call. I feel the Lord has called me to this challenging opportunity of service. On July 10 I began this part-time work which is to be for a limited time only.

What is a Sunday School? "A Sunday School is an organized program of Bible Study, meeting weekly and providing for all age groups available."

A study and listing of rest homes, rehabilitation centers, mobile home parks, apartment houses, etc, is being made. These are possibilities for missions or new Sunday School units. The plan is to find churches that will sponsor a Sunday School in these areas. A real challenge!

At the present time four churches have taken a rest home and are starting Sunday Schools. Others have expressed interest in this work. Some churches already have ministries of this nature but not Sunday Schools as such. These are to be commended!

Two large areas of work were given in the position description in which surveys were to be made. One being in the Haw Creek area. A meeting was held with the pastors of churches in this geographical area. Plans were made for a cooperative religious or church survey. This is scheduled for Sunday, September 17 at 2:00 p. m.

In preparation for this survey copies of a map of the area have been made, houses counted and assignments for the survey prepared. There are about 850 homes plus an apartment complex with 174 apartments in the area.

Beverly Hills Baptist Church is cooperating in this effort and expects to receive benefits from the survey.

There are so many people in Buncombe Association to be reached for Bible Study and thus for the Lord. Pray for the work. We are open for suggestions and would welcome names of churches that want to help meet these challenges.

CHRISTIAN SOCIAL MINISTRIES

On November 1, 1977, the Buncombe Baptist Association, North Carolina Baptist State Convention, and the Home Mission Board of the Southern Baptist Convention entered into a cooperative agreement to employ a full-time Director of Christian Social Ministries for the Buncombe Baptist Association. Several months of planning and preparation on the part of the present and past Directors of Missions and a growing interest and commitment of pastors and churches across our association led us in BOLD MISSIONS to begin this expanding associational ministry.

During the early days of last November, flash flooding hit 16 counties in Western North Carolina. The first priority was to bring immediate relief to families hardest hit in four target areas of Buncombe County. Through the cooperative effort of churches of Buncombe Baptist Association food, clothing, and financial assistance provided disaster relief. Jones Valley Baptist Church, located in the Sandy Mush area of Buncombe County, was completely washed away. Buncombe Baptist churches responded along with churches across our state to assist Jones Valley in the rebuilding process. With assistance from the Home Mission Board, North Carolina Baptist State Convention, churches, and individuals across our association, the church was completely rebuilt with a great deal of volunteer assistance given along the way. Through the coordination of the Brotherhood Department of our State Convention, group of men would come to Jones Valley and work several days at a time. The WMU's of the Buncombe Baptist churches provided hot lunches for the men for a period of three weeks. The beautiful new Jones Valley Baptist Church was dedicated July 30, 1978, with at least 200 people in attendance. The Jones Valley Baptist Church experience is a good example of what can be done when pople cooperate and work together. Above all, "to God be the glory, great things he hath done."

Another priority in the early months of Christian Social Ministries was the updating of the Christian Social Ministries Council. Through planned agendas, the Council meets each moth for review, evaluation, and planning of CSM work throughout the Association. Mr. J. Louis Parrish, Chief Court Counselor, Juvenile Court, 28th Judicial District, Buncombe County is the Chairman of the CSM Council.

Awareness, organization, and communication continue to be the themes for district CSM Training Seminars across our association. Beginning last month, and continuing every month, awareness conferences are being conducted in different geographical areas of our association. The purpose of these conferences are to help pastors and lay people become more aware and sensitive to the needs in and outside the church and to assist and enable them to minister to people.

Institutional missions ministries are important ministries that many of our pastors and lay people are involved in. Personal counseling, work at Juvenile Evaluation Center, the Fifth Step Program at Alcohol Rehabilitation Center at Black Mountain, and nursing home ministries are just a few of the institutional

ministries our Buncombe Baptist Churches have been a part of this past year.

On Monday, April 10, Rabbi Samuel Friedman spoke to the Buncombe Baptist Pastors' Conference as a part of the observance of Baptist-Jewish Fellowship Week.

In May of this year a public affairs program "CHANGE" was established by the Christian Social Ministries Department. This program heard over radio station WWNC is aired on Saturday evenings 9:30 - 10:00 p. m. and on Sunday evenings 6:30 - 7:00 p. m. The program is intended to acquaint and inform the listening audience as to what is happening in religious, social, educational, health, and related fields of service throughout western North Carolina. The programs are taped at the Baptist Building each Wednesday afternoon and aired the following Saturday and Sunday. Plans are now underway to save each tape for future use. Churches, colleges, schools, and individuals may request a tape on a particular subject for reference and documentation of information. A committee plans, evaluates, and arranges for program personalities to appear on the program.

In July an internship was established through the cooperative efforts of the association, Baptist State Convention, and Mars Hill College. We have Miss Cindy Layne, a social work major, serving a six-month internship with Buncombe Baptist Association in the area of Christian Social Ministries. Cindy is making a great contribution to the CSM work in Buncombe Baptist Association and we are fortunate to have this dedicated person serve with us. Plans are to continue the internship arrangement with Mars Hill College on a year-round basis.

An Interfaith Awareness Conference was held at Merrimon Avenue Baptist Church on August 14. Over 175 people were present as Home Mission Board and Baptist State Convention people led our association in individual conferences on "Contemporary Religions and Cults in Today's Society." Next year we plan to continue this conference and invite adjoining associations in this awareness conference.

At present, plans are underway to make a study of the central part of our city. Many changes are taking place in the cities of our nation — Asheville is no exception. Through cooperation of the association, Baptist State Convention, and the Home Mission Board a study will be made and recommendations offered to meet the many needs of this area.

"Care Ring" is a program adopted by the Christian Social Ministries Council and is gaining support of the community at large. Working with Juvenile Court of Buncombe County and the Mud Creek Association, the CSM Department continues to seek volunteers to work with children and youth of Asheville and Buncombe County. The volunteer program provides training for individuals, or couples, who are willing to make a six-month commitment to work with a boy or girl who may be having some small behavioral problem or who may have had some contact with law and other local authorities. "Care Ring" has many possibilities of reaching people of all ages. The emphasis is not only to say "I Care," but to DO SOMETHING to show a person someone cares. The program is

directed toward involving church members but is open to all people who are interested and will take the training for the program.

The Missions Department of the North Carolina Baptist State Convention is going through re-organization at the present time. The Executive Committee put its stamp of approval on a long-range associational development program. It calls for upgrading the work of the associations and provides for Cooperative Program planning between the state convention and the associations. It appears Christian Social Ministries will become an even stronger part of the association and associational programs in the future. God has blessed the CSM Work in Buncombe Baptist Association during this past year. A good solid foundation is being laid as the association continues to reach out and to minister to the "total needs" of people and to bring them to the point of confronting Jesus Christ as their personal Lord and Saviour.

REPORT OF HOSPITAL CHAPLAIN

Many Baptist hospital patients say, "We expected you to come." Baptists have great crises just as everyone else. Some of the greatest are in our hospitals. In these crises it is soul-satisfying to bring a word of comfort, of divine love and assurance of His care for us in times like these.

We believe this work deserves our very best both on our part and by the churches of Buncombe Baptists. On behalf of the great host of folks visited this year we say, "Bless you greatly".

Charles W. Smith, Chaplain

IN-SERVICE STUDENT

Cindy Layne, a senior social work student at Mars Hill College, has been working with Gayle Brown in the Christian Social Ministries Department since July as an intern. She has joined in on the regular duties of the department and is required to fulfill certain requirements determined by the college as well.

Her duties with the department include the following:

"CHANGE" - helping set up the weekly community service radio program.

CSM TRAINING SESSIONS - educating church members how they can become involved in community ministries.

INSTITUTIONAL MISSIONS - serving as a volunteer at the Pre-Release and After-care Center for prisoners, leading discussions, helping with goal setting, etc.

AGAPE ADULT EDUCATION - arranging a course for parent education to be offered in January.

CARE RING - Recruiting volunteers to take the training to work one-on-one with youth in this area and organizing the training sessions led by Bob Jones.

COMMUNITY SURVEY - working with Gayle Brown and others to develop a central city survey concentrating on the Merrimon Avenue area, discovering what the community needs are, how they are presently being met and what changes should occur.

MARS HILL COLLEGE - encouraging MHC faculty and students to become more involved in Christian Social Ministries. Also, helping students in Social Work Methods I find volunteer work, a requirement for the course.

EVANGELISM REPORT

A significant goal in Bold Missions is to encourage every church to double baptisms by 1982 or sooner. Christians need to lead unsaved persons to make genuine commitments to Christ and to guide them in their spiritual development. Pastors and church leaders can use the notebook - Bold Evangelism Through the Local Church - to plan and develop an ongoing program of evangelism. Free notebooks will be available and training sessions will be held in associational evangelism clinics across the state.

"The Evangelistic Church on Bold Mission" was the theme of the 32nd Statewide Evangelism Conference at the War Memorial Auditorium, Greensboro, during February 6-7, 1978. Evangelistic speakers challenged about 2,400 pastors and lay persons to involve church members in bold evangelism.

Four summer youth evangelism teams preached in one-week youth revivals and directed youth witness training in many churches across the state. One of these teams led youth revivals in nine churches in Maryland in a joint Bold Mission effort. Genuine decisions for Christ were made by many youth.

Over 900 youth and adults attended the largest Youth Ministry Week during July 3-8 at the North Carolina Baptist Assembly. All persons participated in specific witness training sessions. The emphasis also included vocational guidance and recreation.

About 12,500 youth, pastors, and adult leaders were expected for the 8th Statewide Youth Evangelism Night, August 18, at Greensboro Coliseum. Bill Hogue, Director, Evangelism Section, Home Mission Board, Atlanta, was the preacher; Richard and July Bradford, Albuquerque, New Mexico, were the soloists, and other youth shared on the program. Follow-up work is always assigned to pastors with all youth who make decisions.

Churches are encouraged to become more involved in Renewal Evangelism. This Division of Evangelism cooperates with the Brotherhood Department in this phase of the work.

Sixty-eight associations have participated in one-week Lay Evangelism Schools in recent years with 15,000 youth and adults receiving lay witness training from 1,245 churches. Consistent witnessing to non-Christians is essential.

Youth Evangelism Strategy can help associations and churches train their youth in witnessing to the unsaved and in personal discipleship. Also, YES equips adults to work with youth in evangelism.

Excellent reports on revivals meetings, city-wide crusades, and associational evangelism clinics have been received. There has been a good response to associational youth evangelism emphases.

The 33rd Statewide Evangelism Conference will be held at Cumberland County Memorial Auditorium, Fayetteville, on February 5-6, 1979.

CHRISTIAN LIFE AND PUBLIC AFFAIRS REPORT

The Christian Life Council is comprised of twenty persons elected by the State Convention. These persons give overall leadership to the Council's staff.

A number of moral concerns were addressed by the Council in 1978. Family relationships continue to be a high priority. Opportunities such as marriage enrichment retreats, a workshop on parenting, single adult emphasis, and minister-wife retreats were conducted by the Council. Various materials dealing with the family life were produced and distributed. Strengthening the Christian home is essential to the welfare of our nation and churches and the Christian Life Council is committed to that task.

Much energy was spend working for the defeat of the liquor-by-the-drink bill. Over 125,000 flyers were distributed to North Carolina Baptists. While the efforts of Baptists did not defeat the bill, our efforts did result in a better bill being passed than the one originally proposed.

Buncombe Baptists are joining with other concerned Christian citizens to defeat liquor-by-the-drink in Asheville and other communities in Buncombe County. Many people are convinced that more outlets for sale of liquor, whether by the drink, jug, bottle, or can, just simply means more liquor sold. It is also felt that control over liquor will be weakened even as the cost of providing treatment of the increased number of alcoholics goes up as well as the cost of all else which falls in the wake of liquor's destructive trail.

Another concern of the Council is television and its impact upon the morals of our people. Over 60,000 copies of "The Grabber," a pamphlet dealing with the use and abuse of television, were distributed upon request. Unless Baptists learn to control television, it will control them by occupying their thoughts and time.

World Hunger is an issue which haunts all of us. The Council has printed and is distributing thousands of tracts which offer practical suggestions for Baptists on how to respond to world hunger. August 2 is World Hunger Day among Southern Baptists and the Council attempted to help Baptists be aware of this emphasis.

On several occasions Jesus stated that His disciples were to reflect their faith in Him through their lifestyles. Discovering the will and the way of Jesus is that the Council seeks to do.

COOPERATIVE (STEWARDSHIP) PROGRAM REPORT

Southern Baptist Bold Mission Thrust demands a commitment of life and financial resources. As we plan to see that each person in the world has opportunity to hear the gospel by 2000 A.D. then we must plan for finances as well as for calling out the called to serve.

Every church in our association is challenged to double Cooperative Program gifts by 1982. During the past year the churches in our association gave $466,729.00 through the Cooperative Program. To double our giving by 1982 we need to plan to increase our gifts by approximately 25% in order to march toward our goal.

Every church in encouraged to increase giving to Associational missions. As we plan to double our gifts to this home-base missions cause we need now to begin by adopting the 2% plan of the offering plate dollar or $2.00 per member as a church goal.

Stewardship Development of our people must play a vital part not only for the reaching of worthy financial goals, but also for guiding our members in worthy Christian living as stewards of the Lord. Many materials are available from our state and southern convention offices to help us in this development program.

WE RECOMMEND

1. That every church plan a unified budget and conduct a stewardship emphasis this year. The current stewardship theme is "Bold Believers in Giving Through a Growing Commitment."

2. That every church encourage its members to consider seriously their need to give to God; and in light of our Bold Mission Thrust goals, to give a greater percentage of their income through their church.

3. That every church receive as a biblical mandate the responsibility of teaching its members the Christian doctrine of financial stewardship and provide studies and activities to accomplish this goal.

4. That every church elect and train a stewardship committee to assist the church in developing Christian stewards.

5. That the association provide programs and resources to help churches accomplish their task of developing Christian stewards.

THE BAPTIST FOUNDATION is seeking to educate Baptists to their eternal stewardship responsibilites. They will help us in making a Christian Will and in doing some worthy estate planning. Churches are encouraged to observe MAKE YOUR WILL MONTH (January) in 1979. Pastors are asked to focus special attention on the work of the Baptist Foundation during the month of September.

The Stewardship Commission of the SBC is prepared to help our churches in so many things which are vital for local church stewardship programs and for making provisions for a better world missions outreach. Write them at 460 James Robertson Parkway, Nashville, Tennessee 37219 for their advice and counsel.

CHRISTIAN HIGHER EDUCATION REPORT

Baptists of North Carolina support and operate, through elected trustees, six colleges and one university: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wingate and Wake Forest University. The histories of these colleges and the Baptist State Convention have intersected and intertwined since 1834. While not all of the colleges were begun by the Convention per se, all were begun by Baptists, with strong convictions about the need for Christian higher education. The seven colleges have been in operation for a total of 729 years. Currently, faculty and staff number 1,441. During the 1977-78 academic year, the full-time enrollment of the coleges was 13,000. The total enrollment, including summer school and special students, was more than 19,000.

Baptist colleges serve Christ and Baptist people best when they are truest to their primary mission, Christian education. Christian education is education under Christian auspices for Christian ends. Christian education is Christianity operating in the field of enlightenment. A Christian college is a college founded, maintained and conducted by Christian people in the service of the Kingdom of God.

Because Christians affirm the doctrine of creation, there is no subject of investigation which is inappropriate for Christian education, from Art to Zoology. The telescope becomes the tool of the Kingdom for those who believe that "The heavens declare the glory of God." The historian's pen and the biologist's microscope are welcome allies to those whose quest is "That at the name of Jesus, every knee should bow, of things in heaven, and things in earth, and things under the earth."

Churches are urged to encourage their youth to attend a Baptist college. Most of the students attending a North Carolina Baptist college receive some form of financial assistance. Each of the colleges pledges to assist needy students with financial aid. Students who need to apply for financial aid should make application to college early in their senior year of high school. Grants, loans and work scholarships are available for those who need them.

North Carolina Baptist colleges continue to be grateful for generous financial support through the Cooperative Program. The colleges reaffirm their support and partnership in missions with the churches, and offer the services of faculty, students and other campus resources to make the Bold Missions emphasis of Southern Baptists a vital and successful ministry.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA, INCORPORATED

The programs, services and facilities of the Baptist Children's Homes of North Carolina are being utilized well for the care of children and in providing assistance to families that need our help. North Carolina Baptists and other friends continue to support this ministry through personal involvement, prayer and financial support. It is the purpose of the Homes to provide quality care and to be worthy of the faith and confidence of our many friends and supporters.

Requests are coming to the Homes from various sections of the state for additional community-based services (such as, emergency care and group homes.) This is a wholesome trend in child care. Children can best be served and families strengthened when care can be provided reasonably close to a child's home. Our homes have been moving in that direction for several years. We will respond to additional requests for programs and services as financial resources permit.

North Carolina Baptists have reason to be pleased with work that is currently in progress in western North Carolina. Broyhill Home, foster home services, emergency care at Forest City, maternity care in Asheville, programs of crisis intervention, counseling and family education fill a particular need in this area of our state.

We are in constant need of well-qualified staff. This is particularly true of cottage parents and foster home parents. Join us in prayer that God will impress upon sufficient numbers of prospective workers that child care is a Christian vocation and that it affords wonderful opportunities for service.

We are deeply grateful for support of the Children's Homes which comes from our churches through the Cooperative Program, special gifts and the traditional Thanksgiving offering.

The forthcoming Thanksgiving offering is extremely important. This will be the last time that our people will have the challenge of making an over-and-above love offering to the Children's Homes at Thanksgiving time. As a part of the Bold Missions thrust, the Thanksgiving offering for the Children's Homes in 1979 will become a part of the North Carolina Baptist State Missions offering to be received each September thereafter.

To bridge the transitional gap next year, our trustees have set a goal of $1,000,000 (one million dollars) through the 1978 Thanksgiving offering. We are dependent upon our friends for financial support sufficient to carry on this ministry.

BAPTIST HOSPITAL

Baptist Hospital continues to find ways of enlarging and improving its care of patients.

During the past year, the Department of Family Medicine moved into new quarters. It is anticipated that with the larger area, the Family Practice Center will provide primary health care for more than 5,000 families by 1980. Also the teaching program for resident physicians in Family Medicine will increase to 36 positions by 1980. Many of these physicians are expected to enter family practice in North Carolina.

Other improvements in patient care include the installation of a whole-body scanner and the opening of new and larger facilities for the Intensive Care and Intermediate Nurseries. The body scanner is particularly useful in locating and defining problems such as tumors in the chest, abdomen and pelvic areas, in determining the spread of disease from one organ to another; and visualizing aneurysms in the abdomen. The new nurseries have already played a significant role in reduing the infant death rate and in improving the chances of premature babies growing up without lasting effects from earlier medical problems.

Creation of a new Department of Patient Relations and the employment of a full-time director has also helped to improve the quality of patient care. The primary function of this department is to respond to specific concerns patients have regarding their hospital care and to act in behalf of patients and their families in resolving problems and meeting needs.

A closed-circuit television system will soon be carrying services from the hospital chapel, other devotional programs and educational programs to patient rooms. This system will also be used in staff education programs. The equipment was purchased with funds from the estate of Miss Olivia Hall who worked for Baptist Hospital for nearly a half century.

The Department of Pastoral Care continues to make a significant contributuion to patient care as well as in clinical pastoral education, counseling and enrichment events. During recent months the department has begun another satellite center; this fourth satellite is in Charlotte and is operated in cooperation with the Mecklenburg Baptist Association. In April of this year, the Counseling Center received accreditation by the American Association of Pastoral Counselors.

In recent months, the Medical Center Challenge Program completed a successful fund campaign, over-subscribing its $18-million goal. The final project in this program will be the replacement of the original hospital building, opened in 1923, with a new Focus Building which is scheduled for completion in 1980.

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

(as viewed by John G. Hicks)

When we in Buncombe think of the Baptists Homes, we quite naturally think of Ralph Cannon because he has been close to our scene here as Director of Development. Along with him we see Bill Poole and all the others associated with this worthy work of providing for older adults. We do well to continue to think often about these noble men and women who work in this movement. We have six Baptist Homes for the Aging scattered through North Carolina. We could easily fill six more with people who desire to be in a Baptist Home. When the sixth home is completed (the Asheville Home) 300 people can be housed. A worthy Bold Missions goal is to double the number of people and the number of Baptist Homes just as soon as we possibly can.

Convention support for the Baptist Homes is supplied through the Cooperative Program (supplies 8% of the budget) and through the special offering for the Homes which supplies about 16% of the budget. These gifts supplement the care of the majority of the residents of the Baptist Homes and are a life line.

Since there will not be a promotion for a special Homes for the Aging Offering in 1979 the Baptist Homes will depend upon our full support of the one State Missions Offering from which the Homes will receive $300,000 as we reach our $2,000,000 goal for State Missions. Let us plan to go over the offering in 1979.

The Homes receive 1 and 2/10% of the Cooperative Program dollar and this percentage has been the same for more than a quarter of a century. Since the need is so great to provide for older adults (almost 20% of the citizenry of Buncombe are over 65 and more than 15% state wide) we need to give immediate attention to increasing the provisions of Homes for the Aging.

An immediate goal is a new wing to the Hayes Home to provide for 51 more people. Let's do our best talking in support of this plan to build.

Also, we need to get some cottages built around the Home in Asheville. Just as soon as the new Asheville Home is completed several cottages to house two or more couples should be started.

The Asheville Home got underway because of a dear one who left this cause in her will. Out across North Carolina we need a thousand more people who will include the Baptist Homes as well as the Cooperative program and other worthy Baptist causes in their wills.

We thank God for the steady, solid work of Director Bill Poole. Let us purpose again to pray regularly for him, his co-workers, and all who reside in the Homes.

AN HISTORICAL PERSPECTIVE

by J. C. Joyner

I am certain that the Buncombe Baptist Association is very much interested in the Western North Carolina Baptist Retirement Home, which is now under construction and is scheduled to be in operation on February 15, 1979. Dr. Poole advised that when Dr. Crouch was pastor of the First Baptist Church in Asheville, he (Dr. Crouch) informed him that Mrs. Whittlesey had made a will in which she devised $75,000. for a Baptist Home.

In January, 1970, I received an invitation from Dr. Poole, in which he invited the representatives of North Carolina to a special dinner to be held in Winston-Salem. A number of people attended this dinner; and as the official representative of the Buncombe Baptist Association, I was invited to meet with the Board of Trustees. At that time I told the Board that Western North Carolina was badly in need of a home for the aging and as said representative, I requested that they build a home in Asheville. So far as I know, this was the first time the Board had been requested to build a home in Western North Carolina. They immediately told me that they would agree to have a home here but did not have the funds with which to build one, as it would cost at least $700,000.00 I told them I would guarantee $300,000.00, as I had written several wills. They were interested but would make no commitment. I was called back several years later to meet with the Board, at which time they said it would cost at least $1,000,000.00 to build a home, since everything had advanced in price, but they showed a great deal of interest.

Mr. M. H. Cox was a good friend of Mr. Piercy Franklin, who died on July 4, 1966. Before he died I prepared a will in the proper form, which Mr. Joseph DuBose, a former pastor of the First Baptist Church in Asheville, Mr. cox and I witnessed, which said will is recorded in the Buncombe County Registry.

Mr. Homer Brooks, Mr. M. H. Cox and I were appointed Trustees to handle this property. The money was turned over to me to invest in the most profitable way possible. I opened a stock account with Merrill Lynch and continued to buy additional stock as we collected funds in the name of the Franklin Fund. This fund grew in value to over $30,000.00.

In 1975 I secured a Charter with Articles of Incorporation for the Western North Carolina Retirement Home and this money was placed in the account of the WNC Baptist Retirement Home, and part of it is still in the account of Merrill Lynch. It was necessary to form a corporation in order to take title to the Pearson property, which we purchased for the sum of $100,000.00. Mrs. Grace Bell advanced $15,000.00 as a part of the down payment and we took the balance of the down payment from the Franklin Fund.

Frank Bishop, J. C. Joyner, Lucille Fitzgerald, Homer Brooks and N. Eric Bell were the original incorporators. Mr. Bishop resigned and was replaced by Reverend Nane Starnes. N. Eric Bell, deceased, was replaced by Mrs. Grace Bell, who has since left the city, and she was replaced by Mrs. Sue Reusing. The name of Carl J. Benfied has been added to the Board.

Lucille Fitzgerald, who is financial secretary, took Mrs. Whittlesey, Homer Brooks and several others out to see various properties. At that time we were trying to find a location in the city of Asheville. When we took Mrs. Whittlesey to see the Pearson property, she became very much interested as she was acquainted with the Pearsons. She changed her will and left the bulk of her property to the Western North Carolina Home for the Aging. Since we secured a deed for the Pearson property there has been a great deal of interest in the Home and all members of the Board have been very active in soliciting funds for this purpose. The State Board sent Mr. Ralph Morris here to help campaign and assist in raising funds.

I want to stress the fact that the construction of the building is only the beginning, as Dr. Poole has advised me that four out of five persons admitted to the Home are assisted by the Baptists in paying the actual expenses, so that it is necessary of us to give liberally in order to obtain the best equipment and services for this Home. The property has now been conveyed to the North Carolina Baptist Home for the Aging.

As far as I know, this is a true statement of the beginning of the Baptist Home for the Aging in Western North Carolina.

NORTH CAROLINA BAPTIST FOUNDATION, INC.

A survey in several counties representative of the cross-section of our state has provided interesting information regarding the seriousness, or lack of seriousness, to which stewardship of estates is considered. Court records and wills were carefully studied in these counties to determine the disposition of possessions for a specific time. Facts revealed were:

1. 30% of the descendants died without a written will.
2. Very little was provided for the church or any charitable cause through the wills that were probated (Six-tenths of one percent was given to all charitable causes and only 65 one-thousandths of one percent was left to all Baptist causes).
3. 45% of all assets were left either to husbands or wives, 37% of all assets were left to children by parents, and 27% was left to grandchildren or other persons.
4. Projected to a statewide basis for one year, two-thirds of one billion dollars is left in estates each year.
5. Based on resident Baptist population in the state, a tithe of the estates of Baptists that die each year would provide in excess of $10,000,00 additional dollars annually to the support of Christian missions and ministries carried on by our churches and denomination.

Baptists who believe in Bold Mission endeavors will:

1. Prepare a will or have their will apdated;
2. Provide for their church pledges and commitments to be fulfilled through their will;
3. Seriously consider a tithe of their estates to a Christian cause.

An excellent example to follow is that set by two members of one church in the mountain area of North Carolina. They have willed their possions to the North Carolina Baptist Foundation as Trustee. Ten percent of each estate will go back to their church and 90% in trust will be paid annually to the Cooperative Program through their church - an amount equal to the entire church contribution to the Cooperative Program in 1977. (And this was a substantial amount.) These two persons through their wills will double the church gifts to missions.

During 1977-1978 fiscal year, the Foundation has recieved $198,139 in additions to the trust funds being held. Twenty-seven new trusts were established.

The Baptist Foundation staff is available to assist any individual who wishes to have a will prepared or updated. Anyone using Foundation services and who designates through their will a bequest to any Baptist insitution or Baptist mission cause can have their will prepared at no cost. Assistance in cost can also be provided for those who desire to have their wills prepared or reviewed by a local attorney.

ANNUITY BOARD REPORT

The year 1977 was one of contrasts for the Annuity Board.

While the Board grew markedly in new retirement and insurance accounts, investment earnings suffered due to poor stock market performance.

The year also represented a period of strong demands which resulted from servicing needs of new accounts, a complex asset allocation process, implementation of a new church retirement program and accounting responsibilities of new investment funds.

Key statistics in 1977 included:

1. A permanent 8.33 per cent increase in most annuitants' checks. The increase was retroactive to January 1.

2. A total of $19,085,316 paid in retirement and protection benefits. Insurance benefits through church, agency and seminarian programs exceeded $12 million.

3. The enrollment of 545 new churches in the basic retirement plan. New pastors and church employees in Plan A numbered 2,169, and 3,000 members upgraded their program.

Plan A members increased from 27,598 in 1976 to 29,142 in 1977. Enrollment in Plan B rose from 25,412 to 33,062, but Plan C's membership dipped from 5,987 the previous year to 4,885 for the year ended.

In 1977, premium income totaled $45,603,942 - including relief. Total assets climbed to $498,977,661, compared with $473,142,631 a year earlier.

In North Carolina as of March 31, 1978, 3,387 staff members of 2,257 churches and associations are participating in the Southern Baptist Retirement Program.

In Buncombe Association, 60 churches and 120 staff members are participating in the retirement program. Buncombe is also participating for their three Directors and secretary.

BIBLICAL RECORDER REPORT

Think about it for a minute. What if there were no BIBLICAL RECORDER? What means of communication would keep our Baptist people together in the state? What if we had to depend entirely on the secular news media?

These are questions that should not be taken lightly. Thanks to the wisdom and foresight of Baptist leaders back in 1833, the BIBLICAL RECORDER has

been on the scene for 145 years serving North Carolina Baptists.

One of the most important jobs of the BIBLICAL RECORDER is to keep members of Baptist churches informed about what's going on in our denomination, not only here in North Carolina but around the world. When people know, they respond more quickly and in a more cooperative and generous manner.

In that connection, there's one more question: Does the RECORDER pay? Recently the RECORDER published a list of 50 churches which had the best per-capita giving to the Cooperative Program. Forty nine of the 50 had a good RECORDER club, many of them sending the RECORDER to every resident family. The BIBLICAL RECORDER had a part in helping these congregations see the importance of supporting Baptist causes.

More than 1,100 churches provide their families with the RECORDER through the church budget at a cost of only 6¢ a week. Everyone benefits when the RECORDER goes into every home.

The price of the RECORDER remains reasonable, despite tremendous increases in postage, paper and printing. If your church plans to put the RECORDER in the budget, it should do so this year and thus save money because a price increase is likely.

With the dripping wet news media in North Carolina, our Baptist people must depend on the RECORDER for information about such matters as liquor-by-the-drink. This is only one reason for every church to have a good RECORDER club or put it in the budget.

Woodrow W. Hill, assistant editor and field representative for the past seven years, reached retirement age this past year but has agreed to continue to help the RECORDER in associations and churches. He is loved by people all over the state and we are glad that he will continue to be identified with the RECORDER when needed for special assignments.

Ralph May, Representative

THE N. C. CHRISTIAN ACTION LEAGUE REPORT

The N. C. Christian Action League has had a very active year. Following a vote which defeated the Liquor-By-The-Drink Bill on Wednesday, June 7 (61-56), in the House of Representatives, it was reconsidered on the following day. Then under heavey pressure from the lobbyists, other Representatives were not present for the vote and the bill carried (57-56). This was sent back to the Senate where they approved the amendments and local option on Liquor-By-The-Drink became lawful. This is very deplorable because the people of our State spoke loudly and plainly on this matter at the polls in 1973. We do not believe that they have changed their minds.

Now the attention has been shifted from the Halls of the General Assembly to local areas across the state. There are 43 counties and almost 100 cities and

towns with ABC systems, so we could be facing this many "Brush Fire" elections in the near future.

The Executive Committee of the N. C. Christian Action League met to map strategies for the inevitable battles ahead. Recommendations by the GOOD GOVERNMENT COMMITTEE were approved:

1.To authorize loans which are to be used for "seed-money" to assist local organizations to make immediate commitments and to act in helping to raise the funds that are needed for the local campaigns.

2. To make our Associate Director, Rev. Coy Privette, available to any local campaign at the expense of the League

3. That Editor Marse Grant be asked to write each subscriber of the Biblical Recorder requesting a contribution to fight L.B.T.D. and that every local church be asked to put the C.A.L. in their annual budget of to receive a special offering this year.

Since the City Council of Asheville has called for a local referendum on Liquor-By-The-Drink, January 16, 1979, under this new law, the Buncombe County chapter of the Christian Action League is now preparing strategies to oppose the passage of this referendum in our city. Our state office in Raleigh is assisting by making literature and personnel available and the best strategies gained from experience in other recent local option elections.

As new Associate Director, Rev. Coy L. Privette of Kannapolis, has been elected and is currently serving on a part-time salary basis. He is expected to become Executive Director upon the retirement of Dr. D. P. McFarland.

Strong action is currently under way in the battle against obscenity and pornography in our state. A federal judge in Raleigh ruled "that a statute passed in 1977 by the North Carolina General Assembly which would define and curb pornographic materials in N.C. violates the first amendment of the Constitution of the United States." Senator I. Beverly Lake will argue this for the North Carolina Attorney General before the fourth Circuit Court in Richmond, Virginia, this fall. Let us pray for his success.

We express our sincere appreciation to the Baptists of Buncombe Country for their moral and financial support of the N. C. Christian Action League in the past. We are depending upon you who have strong convictions against the increased distribution, sale and consumption of alcoholic beverages in N. C. and against obscenity and pornography to continue to support the League this year by placing this in your annual budget or receiving a special offering for these purposes.

W. Wilbur Groce,
West Area Vice-President

Bill Horton, Representative

At the Buncombe Baptist Association's Annual Meeting

At the Buncombe Baptist Association's 1977 Annual Meeting, Dr. Claude Frazier's idea of placing Bible Scripture in taxi cabs was presented. Endorsement of this mission project was requested as well as volunteers to implement the program in Asheville. The Association wholeheartedly and enthusiastically endorsed the idea and referred it to the Women's Missionary and Brotherhood organizations. The women's missionary group volunteered to make the containers for the Scriptures.

Plans proceeded smoothly; the containers were completed, the Scriptures arrived from the American Bible Society, volunteers were obtained, and 12 taxi companies were contact. In mid December the mission project was launched in Buncombe County and is presently continuing. Taxi drivers have been cooperative and many drive by Dr. Frazier's office to pick up the books of Scripture when their supply is exhausted. They report that the passengers often ask to take the scripture book home with them. This is another way of spreading the "Good News."

The project has been introduced to a number of other regional and national Christian organizations, and similar programs are being initiated in other cities over the United States.

Almost one year exactly from the time Dr. Frazier was inspired to initiate this program, he telephoned the black cab driver, Louis Pough, in Chicago to tell him what had happened. It was while riding in Mr. Pough's taxi and seeing a Bible in the front seat that Dr. Frazier felt led to place Bibles in the back seat for passengers. Mr. Pough felt very humble that he had had a part in this mission program.

CHARLES WILSON SMITH, SR.

Reverend Charles Smith, 65, passed away on January 19, 1979. A native of Barren County, Kentucky, Charles was a son of Ellie Sears Lynn and the late Lewis Smith. Charles graduated from Western Kentucky University in Bowling Green and Southern Baptist Theological Seminary in Louisville, Kentucky.

Ordained in Barren County in 1940, Charles served as the pastor of Perryville Baptist Church. He also served the First Baptist Church, Pompano Beach, Florida, and then as pastor of the First Baptist Church, Swannanoa where he served for twenty one years. He served as pastor of Elk Mountain Baptist Church for eight years until the Lord called him home.

Charles had been a resident of Buncombe County for twenty eight years. He served for Buncombe Baptist Association as Chaplain at Memorial Mission and St. Joseph's Hospitals for several years. He also served as pianist for the Buncombe Baptist Pastor's Conference as well as a member of several Associational Boards and Committees. He also served as Moderator in 1960 and 1961.

Charles Smith was a devoted Christian. A scholar with the Greek text, he would spend hours studying God's Word. His warm smile and handshake brought comfort to hundreds of patients in our two largest hospitals.

Charles is survived by his wife, Ida M. Wilson Smith, four daughters: Julia Sides of Walnut Ridge, Ark., Rebecca Mann of Eden, Marjorie Shuman of Burnsville and Clara Jean Hollar of Montezume; five sons: Dr. Charles W. Smith, Jr., of Dayton, Ohio, Airman Roger Lee Smith of Edwards Air Force Base in California, Ernest Truett Smith of Swannanoa, Gregory Paul Smith of the home and Benjamin Kenneth Smith of Chapel Hill.

HARRY DEWEESE

Reverend Harry Deweese was born in Asheville, North Carolina in July, 1922. He was educated in the Woodfin Elementary and High Schools. He took two years of work at Mars Hill College and did some study at the University of North Carolina at Asheville. During World War II he served with the United States Air Force.

Harry was a devoted member of Elk Mountain Baptist Church. He was ordained there and served his first pastorate at Elk Mountain. He also served as pastor at Zion Hill Baptist Church for ten years. He served as interim pastor at Morgan Hill, Trinity, and several other churches in and around Asheville for a number of years.

Harry was employed with Burlington Industries in Asheville for approximately thirty-five years in the personnel division. He is survived by his wife, Marie Kelly of England, and two daughters: Terry (Mrs Gene Dillard) Spartanburg, and Sue (Mrs. Ronald Martin) of Asheville.

Harry DeWeese was a quiet, soft spoken and an unassuming individual. He was gracious and loved people, and people loved him. The Lord called him home on September 16, 1978.

Preamble

We, the members of Missionary Baptist Churches in the County of Buncombe, State of North Carolina, and territory adjacent hereto, do hereby propose to establish and maintain the principles and rules of order of a district association in conformity to the following plan:

ARTICLE I — NAME

The name of this body shall be the Buncombe Baptist Association.

ARTICLE II — PURPOSE

The purpose of this Association shall be to advise and promote measures for increasing the harmony, intelligence and spiritual power of the churches and to direct, promote and develop their energies in advancing the Redeemer's Kingdom throughout the earth, more especially along the lines recommended and adopted by the Association itself.

ARTICLE III — MEMBERSHIP

SECTION 1. The Association shall be composed of cooperating Baptist Churches in the area of the Association. A cooperating church is defined as:

(1) A church which makes an annual report to the Association on forms provided by the Association through the clerk.
(2) A church which endeavors to contribute regularly to the support of the associational budget on a monthly, quarterly, or annual basis.
(3) A church which sends duly elected messengers to the annual associational meeting and duly elected members to the associational board meetings.

SECTION 2. The Association shall be sole judge of its membership and may receive churches or reject churches, according to its Constitution and By-Laws. Member churches may also withdraw as they desire.

SECTION 3. Churches desiring membership in the Association shall apply to the Membership Committee and if recommended by this committee and accepted by the Association in annual session shall agree to come under the watch care of the Association for a period of one year. Any church requesting membership in this Association shall be required to attach to their petition for membership a copy of the Articles of Faith and Church Covenant as adopted by the church at its organization or before filing of its petition for membership. At the end of one year, upon recommendation of the Committee, membership within the Association of such churches shall be determined by vote of the

Association in annual session. During this period such churches shall be entitled to all rights and privileges of the Association except that their members shall not hold office nor vote.

ARTICLE IV — MEETINGS

SECTION 1. The Association shall meet annually on Monday evening and Tuesday morning after the second Sunday in September.

SECTION 2. Special meetings may be called by the Moderator or Executive Committee provided two weeks' notice is given to the member churches.

SECTION 3. Each church shall elect annually, in addition to the Pastor, one messenger to the meeting of the Association for each 50 members of the church, provided each church shall have not less than 3 nor more than 10 messengers. These shall constitute the voting body of the Association. The names of the messengers printed in the Minutes shall include only those attending and registering at the Associational meeting.

ARTICLE V — AUTHORITY

Each church in this Association is independent and sovereign in its own affairs and the Association has no authority over the churches.

REPORT OF DIRECTOR OF MISSIONS

How We Worked For Associational Missions During The Past Year

WE HAVE TEAM WORK AT THE BAPTIST BUILDING with each staff member speaking and working for the total cause of missions in the association even as each staff member carries forward his own particular task in missions ministry. We are pleased that church leaders are becoming more aware of which staff member to ask to obtain information or to seek counsel. Many know, by now, that Martha Hicks works as Director of Education Ministries sharing with the pastors and other church and associational leaders to assist in strengthening the teaching-training programs which are a part of all major church program organizations. As Clerk, she works with clerks in the churches; and as Financial Secretary, she relates to the association and church finance leaders. Many of our church leaders know also that Gayle Brown works with pastors, WMU and Brotherhood Directors, the associational mission committee chairman and with CSM church and associational representatives as well as the association CSM Council in those matters which relate to Christian Social Ministries. By the very nature of the CSM task, he also relates to community institutions and agencies who are involved in social ministry. We are grateful for this outreach into the community of Christian involvement and for the spiritual impact which comes from such involvement even as it also advances the Buncombe Baptist cause.

The Director of Missions works with the staff directors who do much to move us forward as he works also with our two good secretaries, Mrs. Nancy Owen and Mrs. Ruth Pipes. And altogether the cause of missions keeps moving. As your Mission Director works with the staff, the officers, program leaders, committee leaders, and with the pastors and other church leaders, he rejoices in the good spirit in our midst. This is of the Lord, and we thank Him for what he does in all our hearts. In the speaking, counseling, promoting, and encouraging that this Director does, he wants to be used for the advancement of the total cause of missions in the winning of the lost and the strengthening of the saved.

WE HAVE TEAM WORK IN OUR CONSTANT RELATIONS AND WORK WITH THE BAPTIST STATE CONVENTION. Dr. Cecil Ray, our dedicated General Secretary-Treasurer, and every convention leader have been most helpful to us in Buncombe. Baptists are moving in a forward direction in North Carolina, and Buncombe Baptists are committed to being a part of the action as we move TOGETHER. Let us covenant to pray for one another across this big state that we may be pleasing to the Lord in the work we do for Him and His Kingdom.

WE HAVE TEAM WORK AS WE WORK WITH AGENCIES AND INSTITUTIONS OF THE CONVENTION AND THOSE RELATED TO THE CONVENTION. God has blessed us with these great Christian causes. No one of

them is perfect even as no church is perfect. God will bless us as we strive to work at our imperfections in the spirit of humility, wisdom, and love. We just thank the Lord for the hundreds of committed Christian leaders who work for the Lord Jesus and North Carolina Baptists in these great places of Christian ministry across the state.

THE CHALLENGE FOR A GREATER TEAM EFFORT IS BEFORE US IN BUNCOMBE. As our county population grows, we MUST feel the need for reaching more for the MASTER. We want to encourage more ACTION AND WIN programs for reaching people. We would also like to join hands with churches who will pray about starting new Sunday School or Mission Station. Let's not forget that these new units grow faster and win more to Christ. Has your church had the thrill of starting a new Sunday School or a new Mission? One of the happiest days in my S. C. pastorate was the day we gave 175 members to our daughter church which grew out of a mission Sunday School. We had already helped them build their beautiful chapel and education space. Later the mother church, with the help of the Association and Convention, started another mission (and this is also a thriving church today). We need several Buncombe churches who will consider starting a new Sunday School or Mission Church. It's a positive way — a joyous way — for your church to grow and reach people for Christ.

John G. Hicks, Director of Missions

REPORT OF MISSIONS COMMITTEE

Several projects have commanded attention of the Missions Committee during the past year.

World Missions Conference. During the week of October 14 through 21, 1979, Buncombe Baptist Churches will focus world-wide missions by having five different missionaries for five consecutive services share a report of their work in the local churches. This will provide our churches and people a first-hand personal contact with those who are involved in world-wide missions with Southern Baptists.

Central City Project. Working with the Merrimon Avenue Baptist Church, the Missions Committee has begun a process of evaluating the multiple mission needs which may exist in the central city area of Asheville, when this church relocates in the future. Some preliminary surveys have been conducted and the project is presently "on hold" awaiting further developments in the relocation plans of Merrimon Avenue Baptist Church.

BSU at UNC-A. Utilizing a $600 annual expense allowance which the Student Department of the Baptist State Convention has made available to our Association, the Missions Committee is now making plans to re-establish a Baptist Student Union Program on the campus of UNC-Asheville, for the school term 1979-80.

Associational Missions Intern Program. The Missions Committee has assisted in planning and establishing a much needed training program to help provide students an intern experience in working with Associational Missions. We have combined this program with our Association's chaplaincy ministry in local hospitals, utilizing the money budgeted for that, along with a grant from the State Baptist Convention for the Intern Program, to provide an expense allotment to the student. Mr. Coy Jeans, a Fruitland student is presently serving as our Intern.

Assistance to Local Churches. The Missions Committee has served as an arbitrating and reconciling agent for several of our Buncombe Baptist churches during periods of internal stress, helping these churches seek solutions to their problems in the Spirit of Christ.

SUNDAY SCHOOL REPORT

Several special events were sponsored by the Associational Sunday School council this past year. There were two Action training schools held which were followed by two Action campaigns. The first Action emphasis came in the Fall of 1978 with eight churches participating. Mr. Roy Holder, Director of Missions, Transylvania Association, was the guest leader. Over 1,000 people were enrolled in Bible study by these churches. In the Spring of 1979 another Action emphasis was held preceeded by a workshop led by Rev. Harold Savell of Biltmore Baptist Church. Several churches participated in the campaign. One church enrolled forty people for Bible study.

Last September Calvary Baptist Church hosted our annual associational Sunday School Clinic. There were over 200 people who participated in the two day workshops. The theme was "Teaching People in Sunday School." This clinic will be held at West Asheville Baptist Church. The theme is "Reaching People through the Sunday School." The clinic is designed to help churches get ready for the coming year in Sunday School.

During the winter quarterly associational meeting a Curriculum Workshop was held to give an overview for the coming quarter in Sunday School. At this meeting, tips for presenting the Biblical materials were presented.

Two Vacation Bible School Clinics were held at West Asheville Baptist Church. The conferences were led by a team of leaders under the direction of Rev. Harold Savell, Associational Vacation Bible School Director.

All in all, a good year of Sunday School emphases brings us to the beginning of a new year. Lets work together to make this coming year in Sunday School a year for Bold teaching and Bold reaching through the Sunday School.

CHURCH TRAINING REPORT

Church Training plays a significant part in the Bold Mission Thrust of our Association. The training of present and future leaders of our churches is of vital importance.

The four areas of study which Church Training deals with are: Christian Doctrine, Christian Ethics, Christian History, and Church Policy and Organition. When one of these is neglected the Church suffers by not having fully trained leaders. Our people seem to feel the need of training more deeply as we move further into Bold Mission Thrust.

I am happy with the attendance and the response we have had at our quarterly meetings and especially the Bold Mission conference. Besides these training sessions, our association was represented at Caswell and also at Ridgecrest during the Church Training weeks.

We had an increase in attendance at our "M" NIGHT meeting. Calvary and Riverside shared the achievement banner. Riverside won the attendance banner and Berea the percentage banner. We were privileged to have Glenn Smith from the Church Training Department in Nashville bring an inspiring message.

Other training emphases are as follows:

Regular quarterly council meetings plus various committee meetings.
Regional Church Training Interpretation Conferences in Canton.
Doctrinal study seminar at the Baptist Building conducted by Mr. & Mrs. Hicks.

April quarterly meeting Church Training conference led by Glenn Smith. Also the following day scheduled sessions for individual churches to meet with Glenn Smith.

Children's Bible Drill - Kerry Tucker from Oakley, first year state winner. Allan Ingle from Riverside, third year state winner.

Youth Speakers' Tournament - Alicia Stewart from Pine Burr Park tied for second place at Fruitland.

Key Leadership Conference at Ridgecrest attended by your director.

Some churches visited and many telephone calls and contacts made by the members of our Church Training Council.

The year ahead is very promising. To make a difference TRAIN!

It's the Christlike thing to do.

Respectfully,
Mrs. Orville Myers, Director

To make a difference...TRAIN
It's the Christlike thing to do.

WOMAN'S MISSIONARY UNION REPORT

ACTS 1:8

BROTHERHOOD

The Brotherhood continues to move ahead. Mike Smith and those working with him have involved many laymen all across Buncombe County in lay evangelism both in the county, the state and all across the United States. These men, in cooperation with the Evangelism Committee, are doing a great job in this area. John Brendell has been busy as Baptist Men's President telling Buncombe Baptist churches how to begin or enlarge their Baptist Men's work. W. G. Hutchison and Clyde Tilson, along with others, are doing an outstanding work in correctional institution ministries. The prisons were opened for a revival this year which resulted in many decisions for Christ. There is now underway an outreach program for parolees and their families. Mace Honeycutt continues to devote many fruitful hours of work with Royal Ambassadors which is climaxed each summer with camping trips and an associational and state track meet.

There is a sleepng giant sitting in the pews of our churches. He has time, talent, treasure, and resources available to the church who knows how to motivate him. He is called a Baptist Layman. Are you utilizing these tremendous resources in carrying out the ministry of your church? Many churches are not taking full advantage of this great resource.

Baptist Brotherhood is introducing program refinements and improved materials for the 1979-80 church year, which will assure you greater success involving Baptist Men in the following redefined tasks the church Brotherhood has adopted:

* Engage in Mission Activities
* Pray for and Give to Mission
* Teach Missions
* Develop Personal Ministry
* Interpret and Undergird the Work of the Church and the Denomination

Refinements in the tasks will make evangelism more visable and add a new task — develop personal ministry. Developing personal ministry is a

recognition of the concept that God has called each Christian to minister and has provided him with the gifts for fulfilling that ministry. Brotherhood work in a church will help each person discover and channel their gifts.

Your Brotherhood Director and other members of the Brotherhood Council have spoken in several churches to Baptist Men's groups and have helped several establish Baptist Men's work. We trust that an increasing number of churches will put a real emphasis on getting laymen involved in mission activities.

Please feel free to call any member of the Brotherhood Council for help.

H. Earl Cobb
Brotherhood Director

MUSIC REPORT

God has surely honored the efforts of everyone who has been involved in the Music Ministry of our Buncombe Baptist Association this past year. We have had excellent attendance in our monthly council meetings. Members of Committees and Sub-Committees have worked hard to accomplish good planning in their work this year. The Music Council has received new members as new ministers of music accept God's Calling to churches in our association. More Pastors are leading their churches to seek for full-time music ministers. More of these full-time music staff people are taking part in our associational work. For this we are grateful.

In July, 1978, several of our churches participated in the State Music Camps at Caswell and Mars Hill College.

Our annual Children's Choir Day Camp was held on July 31 - August 3. Over 100 children participated in the choir camp this year. Lovey Bigham served as chair-person for the Choir Camp. Lovey did an excellent job in securing leadership for the camp and informing our Pastors and churches about the choir camp. This excellent planning resulted in one of the largest and best camps we have had in a long time. The camp concluded with a program of music on

Thursday evening which was well attended. The mass choir performed from memory SECOND TIME A KING directed by Donald N. Welborn. The cantata included narration and multi-media presentation. The children presented the cantata on TV for the "Mr. Bill" show on WLOS and also for the Volunteer Choir Retreat sponsored by the N. C. Baptist State Convention Church Music Department. The daily average attendance for the camp was 105. Fourteen churches from our association participated in the choir camp this year. Many Nell Jackson, Allen Cantrell and Jay Lambeth directed the individual choirs.

An Associational Adult Choir recording of THE CHURCH TRIUMPHANT was produced and received in September. Roger Ward gave of his time to make an excellent recording tape. A picture of the 85 voice choir is on the recording. Appreciation is expressed to all ministers of music and their choir members for making this recording possible.

An Associational Adult Choir composed of directors and choir members from the churches in our association presented special music for the 1978 Annual Meeting at the West Asheville Baptist Church.

Each member of the Music Council agrees that God blessed and honored the ministry of our MESSIAH performance. There were 104 singers from 28 churches who participated in the presentation this year. There were 17 Ministers of Music singing in the choir. The church was filled with standing room only including the sanctuary as well as the chapel and hall-ways. People were turned away due to the large attendance. The spirit of the performance truely glorified God. The accompaniment for this performance included a string quartet from the Asheville Symphony, organ and harpsichord. It was a joy and privilege to have Dr. Donald P. Hustad from Southern Seminary to be the guest conductor. The Music Council agrees Dr. Hustad brought to our community, association and music ministry outstanding leadership as a christian, musician and personality.

The full-time men Ministers of Music in our association presented two music programs for the Pastor's Conference. Steve Austin did an excellent job in directing the men's chorus. The group was well received by the Pastors and encouraged to present more programs in the future.

The Associational Children's Choir presented SECOND TIME A KING at the Calvary Baptist Church in December. The congregation from Calvary church appreciated the music ministry of the children and having the opportunity to hear the Christmas Cantata.

Several choir directors attended the State Children's Workshop which was held at Biltmore Baptist on August 13.

The Music Council gave a program on Monday, March 26 for the Pastor's Conference. A panel of six people gave some thoughts on the graded choir program. Blanche Starnes, Dan Snyder, Barry Hiner, Alan Cantrell, Randy Melton and Steve Austin were members of the panel.

Mr. Charles S. Gatwood invited our association to be one of the pilot programs in electing zone leaders for our association. Outreach to all our churches can be done throughout music council. A personal contact with each of our churches is the goal for our music council.

Steve Austin and Roger Ward have been elected co-directors of our Associational Youth Singers.

The Youth Choir Retreat was one of the highlights of the year. Roger Ward and Susan Ward did an outstanding job in leading the project this year. Many were pleased with the no-discipline problems in rehearsals. This was due to the excellent leadership from our guest director of the mass choir Fred Kelly. More than 200 were involved in the choir retreat. There were 16 churches participating in the program. The choir was well received by the congregation with a standing ovation. A big thank you is given to the Westwood Baptist Church for being a fine host for the service of music and banquet.

The ministers of music and adult choir members from our churches did an excellent job in leading the music for the Praise and Prayer Gathering at Thomas Wolfe Auditorium, Sunday January 14. Over 100 adults sang in the Praise Gathering Choir. This was truly an evening of great inspiration for all who met to worship.

We have been having this year 14 to 17 ministers of music meeting each month to plan our music ministry for our association this year. It is a real joy for me to have the privilege to be the associational music director for this year. Everyone has worked hard and invested many hours of service to share the love of Christ through music. To God Be The Glory!!!

LIBRARY/MEDIA CENTER

A series of workshops for technical assistance to Church Media Center workers have been held at the Associational Office during the past year. These will be continued during the next year. Other programs have been held during the regular quarterly meeting.

The association was represented at the Classification and Cataloging for Church Media Centers Seminar, sponsored by the Sunday School Board; The Annual State Church Media Center Workers' Conference in Charlotte, sponsored by North Carolina Baptist State Convention; Baptist State Convention Key Leadership Conference for Bold Missions Thrust, Ridgecrest; and Church Media Center Conference, Ridgecrest.

Of 92 churches in the association, we have 54 churches with a church library/media center.

Our association will host the 1980 Annual State Church Media Center Workers' Conference at First Baptist Church, Black Mountain, North Carolina.

CHRISTIAN SOCIAL MINISTRIES REPORT

In November, 1979, Buncombe Baptist Association will complete two years with a Director of Christian Social Ministries. These two years have been filled with challenges and opportunities for ministering in the Name of Jesus Christ.

The concepts, ideas, and implementations of Christian Social Ministries continues to grow across the 92 churches of our association. Through two pastors' conferences, awareness and training sessions, and individual conferences Christian Social Ministries continues to equip and challenge people of God for ministry.

Many young lives have been touched this past year through "Care Ring." Volunteers, who train to work with children and youth, counsel young people on a "one to one" basis and help young people to know that someone really cares about them.

In January of this year our community was faced with a moral issue - Liquor-By-The-Drink within the city of Asheville. Buncombe Baptists provided much of the leadership and financial resources for conducting an intensive campaign to defeat Liquor-By-The-Drink. Although Senate Bill #735 passed, the Asheville and Buncombe County community was uplifted by the combined efforts of Concerned Citizens For A Better Asheville.

In January, 1978, Buncombe Baptist Association lost a beloved pastor and part-time Hospital Chaplain - Rev. Charles Smith. His ministry as Hospital Chaplain at Memorial Mission and St. Joseph's Hospitals will continue to bear fruit for years to come. Three of our associational pastors were men who "filled the gap" during several weeks of interim hospital chaplaincy ministry. We are deeply grateful to pastors E. S. Morgan (New Bridge), Jackie Collins (Zion Hill), and Dale Fisher (Enka) for their cooperation and ministry during the interim period.

Another one of our pastors, Rev. Jim Tucker, (Morningside), was instrumental in getting an Interdenominational Police Chaplaincy Ministry started. Pastors are "on call" for a period of one week to minister to families facing crisis situations. This ministry has grown tremendously and all pastors who participate are to be commended for "extending their ministry" into the community.

The public affairs radio program "Change" is coordinated by the Christian Social Ministries Department of the Association. This weekly program is a community service provided by our Association and seeks to keep Western North Carolina "in touch" with what is happening in religious, social, educational, health, and related fields of service throughout our area. The programs are taped at the Baptist Building each Wednesday afternoon, and aired over WWNC Radio the following Saturday at 9:30 P. M., and Sunday at 6:30 P. M. The tapes are available for churches, schools, individuals, etc. for reference and resource purposes.

Prison ministries at Craggy are growing and many new doors of opportunity for ministry are surfacing. Chaplain Frank Shirley, Department of Corrections,

is a man of vision and insight to helping men behind bars. Buncombe Baptists have been ministering at Craggy for years. Sunday School classes, revivals and "one to one" relationships continue to say to the men at Craggy - "somebody cares." Men like Clyde Tilson, Ralph Roberts, W. G. Hutchinson, Jack Stewart, Phil Pressley and others will not forget the men behind bars.

In July of this year Rev. Gilbert Barnhill, (Oakley), began teaching a 12 week Seminary Extension Course, An Introduction to the New Testament, to the men at Craggy. There are over 30 enrolled in the class that meets on Saturday mornings at Craggy.

The "central city area" of Asheville continues to surface on the hearts and minds of Buncombe Baptists. The Association is working with the N. C. Baptist State Convention and the Home Mission Board to investigate and recommend avenues and channels for ministry when relocation takes place with one of our larger churches.

Chaplain Deyo Williams, retired Chaplain from Veteran's Hospital, has made himself available for personal counseling and conducting seminars in churches throughout our Association. He may be reached by calling the secretary at First Baptist Church Asheville.

The Director of Christian Social Ministries and the Director of Education Ministries have been working together on the combined ministries - Ministries to Singles and Ministries to the Deaf. These relative new ministries through the Association have some great plans and opportunities in the relatively near future.

In August an internship between the Association and Fruitland Bible Institute was established. Brother Coy Jeans has been serving with the Association in a variety of Associational ministries, gaining experience and knowledge in many phases of Associational work. We are grateful to the Church Extension Department of the North Carolina Baptist State Convention for helping to make this internship possible.

Buncombe Baptists have developed ministries at Juvenile Evaluation Center, Swannanoa, Alcohol Rehabilation Center, Black Mountain, and Thoms Rehabilitation Center in Biltmore. Many of our churches are involved in nursing home and rest home ministries.

On August 13, an Interfaith Awareness Conference was held at West Asheville Baptist Church. Six associations in Western North Carolina were represented at this annual Awareness conference sponsored cooperatively by the participating associations, N. C. Baptist State Convention and the Home Mission Board.

Also in August a Child Care Conference was held at the University of North Carolina at Asheville. The conference brought together ministers, physicians, teachers, social workers, parents, health educators, and others to focus on the needs and problems of children in Asheville and Buncombe County. Buncombe Baptist Association was represented in the planning and program of the conference which was attended by Governor Jim Hunt.

Baptists always respond where there are needs. Christian Social Ministries

endeavors to locate needs and train people to meet those needs in the name of Jesus Christ our Lord and Saviour.

HOSPITAL CHAPLAIN PROGRAM

Loneliness, fear of the unknown, and the loss of hope are three areas in which physical illness and suffering are not treated by most of those in the medical profession. It is in these areas that you and I have an opportunity to participate in a unique ministry. Through your support of the Buncombe Association, you share in the Hospital Chaplaincy Ministry at Memorial Mission and St. Joseph Hospitals.

It is a gratifying experience to see Christ displace loneliness or give hope to one that has given up on life or even to watch a person grow in the love of Jesus which cast out fear. There is agony though, when we realize that our efforts are not great enough to cover the needs of all entering these two hospitals.

I appreciate the opportunity to serve as Hospital Chaplain for the Buncombe Association. Pray that our Chaplain Ministry will reach many with the Gospel of Christ.

Coy H. Jeans, Jr.
Hospital Chaplain

MEMBERSHIP COMMITTEE

The duly constituted Laurel Springs Baptist Church, Route 6, Fairview, N. C. has requested membership in Buncombe Baptist Association. The Laurel Springs Church has been under the watch-care of the Association for one year and during this time has supported the ministries of the Association, State and Southern Baptist Convention. The Laurel Springs Church has met the requirements of the Buncombe Baptist Association Constitution.

We, the members of the Membership Committee, recommend that said church be fully accepted as a member in fellowship and service with churches which compose the Buncombe Baptist Association.

RESOLUTION COMMITTEE

BE IT RESOLVED:

That we express our thanks and appreciation to our host churches, Victory Baptist and Grassy Branch Baptist for the use of their facilities and for their wholesome hospitality; we would like to extend thanks to Rev. Mark Corts, President of North Carolina Baptist Convention and Pastor of Calvary Baptist Church, Winston Salem for the inspiring message at last night's session. We thank those who have led us in the music and for the inspiration their efforts led us into.

That we express our thanks to all who had a part in making this a successful Annual meeting. To the program committee and to all other committees for carrying out their duties.

We ask God's guidance for all our association does in the year ahead and give thanks to God who is able to do what we ask of Him.

COOPERATIVE PROGRAM — STEWARDSHIP REPORT

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream for Southern Baptists in 1976-77 — a bold dream of greater mission support and church growth. Many people are committed to making this dream a reality. In order for Bold Mission Thrust to succeed, many more people must adopt this commitment.

Two Important questions must be asked and answered:

1. Do we have the will and commitment to persist in achieving what we have voted as Bold Mission Thrust goals?
2. Can we learn to live with our commitments?

Officially, Southern Baptists claimed their Bold Mission Thrust dream in 1977. Looking at the years ahead we have mixed reactions of excitement and anxiety. The introduction is over; in 1980 we must learn to live with and to live out our dream.

Involved in this learning are several realities to be considered:

1. Churches need to be faithful in fulfilling their goals of mission giving and church growth;
2. Some churches may need to discover "special roles" in the bold endeavors they have adopted;
3. Church leaders must lead the people to adjust life styles and values in order achieve Bold Mission Thrust:
4. We need a strong zeal and spirit of cooperation to attain the $73,466.00 goal of our 1980 associational missions program;

5. We need a strong commitment to reach goal for our 1980 State Cooperative Program budget.
6. We need a greater concern for people in order to bring about a new "turn around" in attitudes and records in church growth and church member development.

The dream is BOLD. The people are excited. The mission unmistakably stands before us. Commitment to Bold Mission Thrust calls for specific action on our part as individuals and churches. Every church is challenged to:

1. Give something through the Cooperative Program for Bold Mission Thrust support.
2. Increase the percentage of total budget income given through the Cooperative Program.
3. Increase the percentage of total budget income for the support of associational missions.

Let every church in the Buncombe Association demonstrate its genuine concern for and commitment to world mission support through bold living and bold giving.

The STEWARDSHIP COMMISSION of the Southern Baptist Convention provides leadership and materials for the development of individual Christian stewards. The current stewardship theme is "Witness to the World Through Christian Stewardship."

Developing Christian stewards is imperative in light of Biblical teachings and the Bold Mission Thrust objective to give every person in the world an opportunity to hear and respond to the gospel of Jesus Christ by the year 2000. This calls for faithful stewardship and growth in Christian giving. The Bible provides insights for the development of Christian stewards.

The local church will want to provide Biblically based stewardship development activities for its members. Tracts, activity guides, study course books, visual aids, budget programs, and money management materials are available through the Stewardship Commission to help churches in planning and conducting these activities. The materials cover the broad areas of stewardship education, (giving and money management), mission budget development and promotion, and accounting (proper handling of the church's money).

CHRISTIAN HIGHER EDUCATION REPORT

When North Carolina Baptists call the college/university roll, there are seven reasons to be grateful and proud: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest, and Wingate. These are seven of 53 colleges and universities supported and nurtured by state conventions within the Southern Baptist Convention.

According to the latest figures printed by the Education Commission, SBC, of the 134,000 students attending the 53 Baptist colleges in the Convention, almost 20,000 are enrolled in our North Carolina schools. Thus, 15% of all Baptist college enrollments are located in this state.

The 1978-79 year witnessed change and progress. Enrollments were stable; budgets were balanced; Wingate college made history by graduating the first senior class; Campbell, once known as a senior college, announced a name change to Campbell University; the Campbell Law School graduated its first class, and churches all across the state answered the Council's request for names and addresses of prospective college students. In the main, it was a very good year for Baptist colleges.

All North Carolina Baptists are now aware of the current discussions between Wake Forest and the Council Committee to Study the Wake Forest University Proposal. Many hours of study and work have been given by that committee, and this work will continue at least until the Convention meets in Winston-Salem on November 12-14, 1979. The Council will make its recommendation to the General Board, and the General Board will report the recommendation to the Convention.

The Council on Christian Higher Education joins in encouraging the churches to elect responsible and informed messengers to the Convention. Decisions made concerning the continuation of the Wake Forest/Convention relationship will affect the life and work of the Convention and Wake Forest for many years to come.

We thank you for supporting the colleges. We call upon the churches to pray for all of our Baptist work, including the colleges. We look toward the crucial decisions in the fall with confidence in North Carolina Baptists, who have been supporting Christian higher education for almost 150 years.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA REPORT

Children in the care of the Baptist Children's Homes are like children anywhere you find them. They are looking to and receiving guidance from caring adults, their minds are being enriched in appropriate educational development, their spiritual needs are being attended, they are happily at play and they are contributing to the lives of the people close to them. Many of them are finding it possible to become a part of a re-established family because the important relatives in their lives are served by the Children's Homes while the child is in care.

There is a continuing need in our society for existing programs of service. Flexibility and change are the order of the day for the Baptist Children's Homes to meet whatever human need is expressed as the family confronts societal pressures. This is a real challenge.

Western North Carolina families have ready access to all services of the Baptist Children's Homes through Broyhill Home, the Maternity Home in Asheville, Emergency Care at Forest City, a network of foster homes, social work services from Broyhill and Asheville offices and counsel from staff in the west of through other resources in general staff located in Thomasville. A Family Services Center headquartered in Charlotte and serving eight surrounding counties has successfully piloted the concept of community based services and is another resource to west and peidmont especially.

Every effort is being made to be a part of and cooperate with the Bold Missions program of advance fostered by the Baptist State Convention in cooperation with the local church.

An indepth, comprehensive self-study of every segment of the Baptist Children's Homes is just being concluded by the institution's trustees. The study has taken two years and projects the future direction of the Homes over the next decades.

A major portion of the 1978-79 operating budget of the Homes comes from the local church through the Cooperative Program, Special Gifts and the traditional Thanksgiving Offering. This has helped make it possible to operate thus far this year within income. We are prayerfully concerned, and optimistic, that sufficient funds will continue to come to provide needed services to families and children.

Pastors, other church leaders, and Associational leaders are asking for help in ministering to families. Services of the Homes are being localized as rapidly as possible in order to join hands with these concerned people.

W. R. Wagoner, President Children's Homes
Glenn Stroud, Associational Representative

NORTH CAROLINA BAPTIST HOMES FOR THE AGING

Significant progress has been made during the past year in providing new facilities to take care of our aging people. The new WNC Home in Asheville takes care of fifty residents and is a joy to behold. With this addition and with the completion of a new apartment complex in Winston-Salem our North Carolina Homes for Aging can now take care of 300 persons in all the units across the state.

We are indebted to Ralph Cannon, Wade Huey, Ellen Payne, Nane Starnes and all the original committee for their faithful work to help so much in bringing the Asheville Home into reality. Indeed we are grateful for the steady progressive work of Dr. Wm. Poole and his staff in continuing to move us forward in this most needful cause of caring for the aging.

Even as we express thanksgiving to God for the support that Baptists have given to our Homes for the Aging let us stay concerned about giving increased

financial undergirding to this great program of care. In Buncombe Association we must do our best to see that the $2,000,000 North Carolina Missions Offering goes over the top so that all six causes may be adequately supported. We should also encourage an increase in the amount of support for the Homes through the Cooperative Program. During the past 28 years of the ministry of Homes the amount of 1.2% of the Baptist State Convention Cooperative dollar for the Homes has never been changed. As a start for improvement we suggest that the budget committee consider moving this up to 1.5%.As more of our Baptist people are blessed in living longer it behooves us to continue to make plans for proper care of these elderly saints during the sunset years.

The above report was prepared by Dr. William A. Poole, Executive Director of North Carolina Baptist Homes, Inc., and was condensed by John Hicks who made some additional comments.

Comments by J. C. Joyner, Associational Representative: The Western North Carolina Baptist Retirement Home Committee, consisting of Carl A.Benfield, Lucile Fitzgerald, Homer Brooks, Rev. Nane Starnes, Mrs. Sue Reusing and J. C. Joyner, is still at work.

The home is greatly indebted to the Estate of Mrs. Ollie Whittlesey, whose generous gift amounted to approximately $1,000,000.00, which made the home possible. Over $1,200,000.00 has been raised through gifts and estates.

This committee has worked since 1970 and has received no compensation but was glad to serve the Baptists of North Carolina. They will continue to work and hope to raise enough money to add a nursing home and continue to enlarge and develop the property. We hope to allow people to build homes on the property we now own or any additional land we may secure.

We are indeed proud of this home and will use our best efforts to enlarge and develop this property.

J. C. Joyner, Representative

NORTH CAROLINA BAPTIST FOUNDATION

"Moreover it is required in stewards, that a man be found faithful."
1 Corinthians 4:2

Since January 1, 1979, the Foundation staff with the assistance from the Reverend James B. McQuere, retired Director of Missions of the South Fork Baptist Association, an intensive effort has been made through conferences over the state to familiarize as many pastors as possible of the helpful services provided by the Baptist State Convention through the North Carolina Baptist Foundation. The Foundation is available to assist individual Baptists with their estate planning, regardless of the size of the estate. Many of the most significant and meaningful gifts to support the Christian ministries through

the denomination have been directed through the Foundation as trustee. These services are available from the trained staff and their professional support (accounting and legal services) employed for this purpose without cost to individual participants. Where an individual desires to be a part of sharing the gospel beyond his or her lifetime, the establishment of a trust with the Foundation provides a tangible participation in such activities.

The Foundation has been actively engaged in assisting individuals in not only having their wills redrafted, but also in the preparation and establishment of annuity trusts. Through such a trust, an individual or couple can place in trust assets (such as property, cash or securities) and receive income for the remainder of their lives. After death, the income from the trust will be paid to the donor's choice(s) of Baptist missions work and/or institution. This method of giving provides the satisfying knowledge of being a faithful stewart in utilizing resources more completely for the Lord's ministries, as well as, taking advantage of the laws of our land in reducing taxation on resources — both income and estates.

A personal and private appointment with a Foundation staff member can be arranged either through your pastor, association Director of Missions, or by writing or calling the Foundation office. The address is: P. O. Box 26508, Raleigh, North Carolina 27611.

ANNUITY BOARD REPORT

At present we have in North Carolina about 3000 pastors and staff members in the Southern Baptist Retirement Program. We have 104 staff members and 58 churches in our association participating. This is good but not good enough. There are thirty four churches not in the program. These should be. If we can help by coming to your church and explaining the program we'll be glad to come.

Last year over $25,000,000 was paid in benefits. The family benefit membership has exceeded 24,000. An endowment department has been established to strengthen the annuity program. A goal of 25,000,000 by 1988 has been set.

Respectfully submitted,

E. V. Plemmons

BIBLICAL RECORDER REPORT

In its 146th year of serving North Carolina Baptist, the Recorder, like old man river, keeps rolling along. The Recorder faced the same problems as everyone did in the past year - price increases in every phase of its operations. The cost of

postage continues to go up at a rate of more than 30 per cent a year. This means the Recorder is costing four times as much to mail as it did five years ago. Paper and printing have gone up, but despite these increases, the Recorder still is about the most reasonable publication available. By keeping the staff small and cutting corners wherever possible, the Recorder can still go into every home in a church for 7½¢ a week. In today's inflationery world, where else can a person receive so much for so little money.

This has been a news worthy year and the Recorder has tried to keep you informed. Wake Forest University and its relationship to the Baptist State Convention continues to be in the news and you can depend on the Recorder to strive for fairness and responsible coverage.

The Southern Baptist Convention in Houston was another important story this year and as always, the Recorder was there.

Even though the Recorder prides itself in coverage of denominational news and events, it devotes more space to the local church than any other state paper in the Southern Baptist Convention. The Recorder believes in the local church as the foundation stone of what we are trying to do together as Southern Baptists. Strong churches result in a strong denomination.

The editor is completing 20 years and is still striving to make the Recorder better each week. Your support of the Recorder will not only mean much to it but will make you a stronger and better informed Christian. If you and your church do not receive the Recorder, please take steps immediately to see that this is done.

REPORT OF THE AMERICAN BIBLE SOCIETY

The American Bible Society reports that over 500 million Scriptures were distributed in 1978. Increases in distribution were dramatic in many areas of the world, including Africa, Asia, Latin American and Europe. Total Scripture distribution throughout 1978 by all of the Societies cooperating with the United Bible Societies reached 503,125,210 Bibles, New Testaments, Portions and Selections — a 23 percent increase over the previous year.

Once again distribution of Scriptures throughout the United States was larger than in any other nation of the world. The 127,414,817 Bibles, Testaments, Portions and Selections distributed throughout the United States during 1978 represented slightly more than one-quarter of the entire world distribution. A significant portion of the distribution reported was due to the ABS New Reader Programs used in the growing literacy programs around the world. Through these, people have been able to discover for themselves through their own eyes the wonderful words of God. Having learned to read, it is essential that they be provided with translations in the language they commonly speak today. So during 1978 new common language translations appeared in 22 languages, and at least one complete book of the Bible was published in 1,659 languages compared to a total of 1,631 reported at the end of 1977.

During 1978 more than 33,400 American Bible Society Volunteers shared Scriptures with people in churches, hospitals, nursing homes, business establishments, prisons, etc. More than 13,300 of these Volunteers served in local churches as American Bible Society representatives, and they operated more than 2,640 Scripture Courtesy Centers throughout the 50 states of the Union.

These accomplishments are made possible because of gifts received from individuals and churches. Gifts from churches, denominations and agencies totaled $1,668,148 for 1978 of which $309,204 came from the Southern Baptist Convention. However it is imperative that the per capita income be increased if the ABS is going to be able to keep up with the demand for Scriptures worldwide. The ABS requests the continued prayers and financial support of the Southern Baptist Convention.

In Buncombe Association some churches include the ABS as an item in the budget. Many others make contributions during the year. At Pole Creek Church a very large active Scripture Courtesy Center is operated by Mrs. Johnny Tiller. She will welcome your calls any time day or night. Also Beverly Hills and Newfound Churches both have ABS Courtesy Centers.

The taxi Scripture ministry started by Dr. Claude Frazier in 1977, and supported by Buncombe WMU and the Association, is still in operation and using ABS Scriptures.

The seed is being sown and it falls on good soil over and over again. Working together we can bring the message of hope found in the Scriptures to those who need it so desperately.

REPORT OF THE CHRISTIAN ACTION LEAGUE

The League is pleased to make this report, grateful for the support which you have given and happy to mention some decisions which affect the social climate of our state and the moral fiber of our people.

The Supreme Court of the State of North Carolina has ruled the anti-pornography bill constitutional. Better known as the Lake Bill, it is ready to be enforced by sheriffs, police chiefs and district attorneys.

The Court of Appeals of the State of North Carolina will hand down a ruling soon on the challenge to the liquor-by-the-drink legislation passed by the 1978 session of the Assembly. This suit was filed in Wake Superior Court in January and the decision by Judge Pou Bailey has been appealed to the Appeals Court. A brief has been filed and the next step is to present arguments before the court. Our attorney feels that we have a good chance of winning the case, but the only thing to do now is wait. The League has discovered that law suits are time-consuming and expensive. We need your prayers and your financial support in this matter.

The North Carolina Senate, in a last-day move, passed a bill which under certain conditions will give cities and towns a chance to vote after the county has voted to turn down liquor-by-the-drink. This will undermine the basic philosophy which underlies the passage of the original L-B-D bill. Since this bill has passed the Senate, it can be considered by the House in the short session to be held in June, 1980. We need to secure commitments from our Representatives that they will oppose the bill, which is Senate Bill No. 943.

A decision (vote) by the members of the Senate of North Carolina killed a bill which would have relaxed the penalties for the possession of up to four ounces of marijuana. We rejoice in this victory.

On May 1 of this year, Brother Coy Privette became the full-time Associate Executive Director of the League. Continue to pray for the Directors, the officers, the trustees and expand the support which you are giving the league.

Bill Horton, Representative

BAPTIST HOSPITAL

Although growth in bed capacity at Baptist Hospital has leveled off at just under 700 beds, there is continuing expansion of the hospital's services. This expansion results from new discoveries made through medical research, and is in response to the health care needs of people.

During the past year a 38-bed rehabilitation unit has opened to offer short-term services and family instruction to the disabled. The chieft beneficiaries of this program are patients with strokes, arthritis, burns, long-term casts, joint replacement surgery, brain tumors, spinal cord injuries, hand injuries, and some cardiac problems.

A new six-bed burn unit is scheduled to open soon. This unit will permit the isolation of burn patients in a location where all required services are immediately available.

An automatic clinical analyzer, the first of its kind in the state, has been acquired and put into operation. This fully automated analyzer, which uses computer technology, can perform more than 200 tests. It analyzes blood serum and body fluids and provides results in less than eight minutes. These prompt and accurate results are of particular importance in critical care areas, such as the emergency room.

Another new ministry is a program of home visitation for children with cancer and their families. A team consisting of physicians, nurses, a psychologist and chaplains ministers to families during three critical periods: when a child has received a recent diagnosis of cancer, when a child is terminally ill, and when a child has recently died.

Our chaplains lead worship services in Davis Chapel, which are relayed to all patient rooms by closed-circuit television. They also provide a pastoral ministry to patients, their families and to staff members; provide more than 15,000 hours of personal counseling annually; offer personal growth and enrichment events to hundreds of clergy and lay persons each year; and conduct the largest program of clinical pastoral education in the world. Ministries of the Pastoral Care Department are made accessible to people across the state through satellites in Fayetteville, Raleigh, Morganton and Charlotte.

Baptist Hospital has actively participated in the Voluntary Effort to keep hospital costs as low as possible. Our hospital and several of its employees have been recognized and received awards for their cost-saving ideas and efforts. Our patient benefit in that the hospital's room rate increase this year — despite continuing inflation — is only 5%, as compared to an annual increase of 6% in recent years.

In recent months the hospital's oldest building — "Old Main" has been torn down and a new six-story Focus Building is now rising on this site.

Our hospital staff members have been working with representatives from other denominational agencies and with leaders of the Baptist State Convention to promote the North Carolina Missions Offering. The hospital looks forward to receiving its share of this offering, as gifts from the churches in the fiscal year ending June 30 were $196,516, as compared to $388,122 in the preceeding fiscal year.

EVANGELISM REPORT

Baptists in search of unsaved and unchurched persons, are joining together in a Statewide Evangelistic Crusade schedule for 1982. It is expected that the effort will include simultaneous revivals with dates and other activities to be announced soon. The Joint Evangelistic Crusade Committee, composed of both

white and black Baptists, is chaired by Mark Corts of Winston-Salem, and co-chaired by C. W. Ward of Raleigh. The committee requests prayer support of the churches for this effort to reach every person in North Carolina with the Gospel of Christ by the end of 1982.

The 33rd Statewide Evangelism Conference was held at the Cumberland County Memorial Auditorium, Fayetteville, North Carolina, during February 5-6, 1979. Over 2,500 pastors and lay persons were challenged by evangelistic preachers to involve church members more in direct witnessing for Christ to the unsaved.

Many churches from different associations across the state have already participated in Bold Evangelism Clinics, using the notebook - BOLD EVANGELISM THROUGH THE LOCAL CHURCH - with the emphasis related to on-going programs of Evangelism Clinic. Every church in all our associations are encouraged to double baptisms by 1982, or sooner.

Pastors and lay persons participated in an important seminar on GROWING AN EVANGELISTIC CHURCH during March 26-29 at Caraway Conference Center. The seminar was co-sponsored by the Division of Evangelism and several of the staff of the Evangelism Section of the Home Mission Board. In-depth training sessions placed an emphasis on long-range planning to develop an evangelistic local church.

The Division of Evangelism now has the TELL set and training cartridges to train small groups in direct witnessing. There will be a renewed emphasis on lay Evangelism Schools with the use of new materials and TELL witness training.

Decisions for Christ are being made by youth and adults as a result of the Youth Revivals led by four Summer Youth Evangelism Teams in one-week efforts among 36 churches across our state.

Churches and associations are now involved in Bold Revival Planning Clinics, to be held with our pastors at pastors' conference September 10, and at bi-vocational pastors conference September 11, 1979, using the Revival planbook for the Local Church, Counseling Guide, and the Follow---Up Manual for New Christians. The Revival Planbook can help pastors and church leaders to plan for a more effective revival effort.

The 34th Statewide Evangelism Conference will be held in Greensboro during February 4-5, 1980.

In the Buncombe Association 765 persons followed our Lord in baptism. This is a ratio of _____ baptisms per _____ resident church members. On the day of Pentecost it was 25 baptisms per one Christian. A suggested goal is one baptism per ten resident church members. May God bless all our efforts for Him.

Respectfully submitted,

Johnnie Tiller, Chm. (Romans 8:28)

ELBERT F. HARDIN

Elbert Hardin proclaimed the message of redemption through Jesus Christ with fervor and understanding for 59 years — 38 of these in local pastorates and 21 as area evangelist. His messages always gave evidence of one who had communion with the Lord and who truly had a message from Him.

Born 1891 in Clifton, South Carolina, Elbert began working in a cotton mill at age seven and continued until he was twenty. He received formal education at Warren Wilson Farm School, then at Cullowhee, and later at Mars Hill from which he received his high school diploma. Furman University awarded Elbert the Bachelor of Arts Degree and Southwestern Theological Seminary awarded him the Master of Theology degree. These good schools started him on the road to a lifetime of study and service.

Converted at the age of thirteen, Elbert was called into the Gospel ministry at twenty-five. His first ministry place was a field of two churches in Greer and Woodruff, South Carolina. This was a student pastorate. Throughout his long years of ministry he served churches not only in South Carolina, but also in Oklahoma, Texas, and in North Carolina. His North Carolina pastorates were the longest. He served First Baptist Church at Lincolnton for eleven years, and the Calvary Church in Morganton for ten years.

The twenty-one years in evangelism ministry were among Mr. Hardin's best. His preaching and personal witness grew out of many years of disciplined study and meaningful pastoral experience. Thus he knew the needs of people as well as the heartbeat of the pastor. His ministry in these great years supported and undergirded the work of the pastor whose care and burdens he knew so well. As a result, he received invitations to return to churches where he had preached before in revival services. The pastor and people cherished fellowship with him and longed to hear the messages of hope, faith, and love which he brought.

When Brother Hardin retired from the pulpit he taught the Men's Bible Class at his beloved Ridgecrest Baptist Church. In speaking of these good years, Missionary Marvin Garrett said, "Sunday after Sunday he stood before us — a spiritual giant. He was losing his eyesight, but he gave us insight. The Word was precious to him; he handled it reverently and lovingly. He made God's truths glow and our hearts were warmed. He cared for us, and we miss him."

Elbert married Mabel Clyde at the end of his sophomore year at Furman University at age twenty-eight. She was a talented, cheerful, and loving companion who was most supportive and a great helper in ministry.

The Lord blessed Elbert and Mabel by giving them four talented Hardin children. Mildred (Mrs. James Sawyer) resides in Nashville. Claire is married to Dr. Robert Holt and lives in Greenville, North Carolina. Mary Nell (Mrs. L. M. Jackson) lives at Ridgecrest and ministers most effectively and graciously through her church and in our Association. Clyde works with the federal government and lives in Rockville, Maryland.

During life's sunset period Elbert and Mabel were together at the Hayes Baptist Home in Winston-Salem. After some two and a half years, Elbert went to the Father's House — shortly before his 89th birthday in January of 1980. The memory of his fruitful ministry, his cheerful disposition, and his personal friendship abides and blesses.

REVEREND JAMES HOLLAND BLACK

May 16, 1893 - June 24, 1980

The Reverend James Holland Black was born in Yancey County near Burnsville, North Carolina on May 16, 1893. He attended school in Yancey County and took classes at Mars Hill College later on in life. He is survived by his widow, Annie Mae Wade Black, who resides at 16 Sandon Drive in Asheville. Reverend Black was the father of five children Lloyd Black of Lenoir, Ralph Black of Burnsville, Espie Black of Charlotte, Maxine Pangle of Charlotte, and Ruby Haynes of Asheville. He is survived by several grandchildren and great grandchildren.

As a young boy, Brother Black went to Windom Baptist Church in Yancey County. It was in the Windom Church that he was converted, prayed his first public prayer, and taught Sunday School. He later became Sunday School Superintendent and pastored the church on two different occasions. Brother Black's ministry was primarily in Yancey and Buncombe Counties. He pastored a number of churches in Yancy County before coming to Buncombe were he pastored the Buckeye Baptist Church for eight years and also Trinity Baptist Church located on Concord Road in Fairview.

Brother Black was a member of the Merrimon Avenue Baptist Church for the past twenty-five years. He was active in the church up to the time of his illness. His ministry touched the lives of hundreds of people who came to know Jesus as Lord and Saviour. It is with deep gratitude that we remember Brother James Holland Black and his service for the Master in these mountains of Western North Carolina.

BOLD MISSION THRUST

Magnifying Christ Through Growing Stronger Churches

GROWING STRONGER CHURCHES

A. Introductory Material

1. Objectives
   (1) To present Church Growth as an organized, intensive statewide growth effort of missions and evangelism to bring people to a personal experience with Christ and to enlist them in church membership; and to establish new fellowships of believers.
   (2) To promote responsible Christian growth resulting in witnessing to lost people, ministering to people in need, especially the economically, socially, and physically deprived, and committing life and financial resources to God's Kingdom through the churches.

2. Theology of Growing Churches
   (1) The Purpose of God
      a. To bring all things together in Christ - Ephesians 1:10
      b. To reconcile the world to himself - II Cor. 5:19
      c. To bring abundant life to mankind - John 4:13-14, 10:9-19
   (2) The Nature of the Church
      a. The body of Christ - Ephesians 4:15-16
      b. A growing fellowship - Acts 2:41; 6:1; 11:21-24
      c. Discipleship of believers - Acts 2:42; Romans 1:11

      b. Minister to human need - Matt. 25:40-45

3. Principles of Growing Churches
   (1) Growth results from God and man working together through the work of the Holy Spirit.
      a. Persons are convicted of sin and brought to faith - John 16:7-11; Ephesians 2:8
      b. Believers are empowered for witness - Acts 1:8
      c. The Body is gifted for ministry - Romans 12:1-8; I Cor. 12:1-11
   (2) Growth results from God and man working together through the witness and ministry of believers.
      a. Proclaiming the gospel - John 12:32; Acts 3:11-16
      b. Personal witness - Acts 1:8; John 20:21
      c. Caring for the flock of God - John 21:15-17; Acts 20:28
      d. Applying the gospel in the world with an attitude of prayer, service and love - Mark 10:35-45; I Peter 5:1:5
   (3) A Church is responsible as God's agent to fulfill His purpose in the World. II Cor. 5:18-20; I Peter 2:9

a. God builds up the Body, equipping it for ministry through the Holy Spirit. Ephesians 4:7-16; Romans 12:3-8
b. A church must take the initiative as God's agent in the world. Luke 14:23; John 20:21

(4) A church witnesses and ministers, recognizing social, racial, and cultural distinctions and acknowledges the power of the gospel to transcend them and unite persons in Christ.

B. State Goals (Bold Missions Goals - 1976 - 1982)

1. Double baptisms
2. Increase Sunday School enrollment
3. Double the gifts received by the local church
4. Double the support of world missions through the Cooperative Program
5. Double the amount given to associational missions

A STRATEGY FOR GROWING STRONGER CHURCHES

Basic Presuppositions About People

1. People outside of Jesus Christ are lost, without God and without hope.
2. People have the right to hear the Good News of the Gospel.
3. Each person deserves the highest expression of respect a Christian can give — namely the witness of Christ's saving Grace.
4. Each church member deserves to be part of a believers' fellowship that expects and encourages responsible Christian Growth.
5. Each church member has the right to be challenged to be involved in witness, ministry and mission.

B. Basic Presuppositions About Churches

1. Each church has the capacity for growth.
2. Church growth comes by willful design and not by accident.
3. Sensitive churches recognize that their social and cultural patterns exclude certain people and provide specially planned opportunities for worship and witness.
4. Growing churches create a sense of expectancy that claims the sacrificial giving of self and possessions in witness, ministry and mission.

I. Elements of a Growing Church

1. Pastor who leads and sets the example and members who involve themselves.
2. Pastor and church leaders, openly committed to growth.
3. Worship that is dynamic, challenging, joyful and expectant.
4. A fellowship that expresses acceptance, concern and love.
5. A caring concern for meeting the needs of all persons.

6. Use of the Sunday School as the major outreach arm of the church.
7. Find the prospects.
8. Cultivative and soul-winning visitation.
9. Leadership and discipleship training.
10. Bible centered evangelistic preaching.
11. Extended ministry among the unchurched through classes, missions and new church units.
12. Engaged in at least one "impossible" mission effort.
13. Pastor and church leaders lead church to adopt specific goals in outreach, discipleship training and mission involvement.

II. Baptist State Convention Strategy

A. Development
   1. 3 Enabling Teams to lead Growing Stronger Churches Seminars at Fruitland, Caraway and Caswell.
   2. Development of mobile electronic training unit(s) for use by association and church leadership.
   3. Regional Conferences on Growing Stronger Churches.
   4. Divisions and Departments provide resources - et. al.
   5. Special events —
      (1) Anniversary Rallies
      (2) Churchmanship '81
      (3) Key Leadership

B. Outreach
   1. Provide leadership in beginning 150 new churches by 1982
      (1) Teams of church planters
      (2) Financial assistance
   2. 1982 Joint Envangelistic Crusade
   3. Divisions and Departments provide resources

C. Ministry
   1. Promote and coordinate volunteerism
   2. Divisions and Department provide resources

He presented the name of Coy Jeans, a student at Fruitland and a person with years of experience Personnel with Burlington Industries which included much Counseling experience. A motion was made that we employ Mr. Jeans for this period. The motion passed.

The recommendation passed.

April 21, 1980:

1. The chairman of Evangelism recommended that we have a simultaneous revival campaign in 1982 instead of 1981 as we had planned to do. The reason for this is that the state is promoting a state-wide simultaneous revival campaign in 1982 with the state to be divided into three areas for this (dates to be announced later). Brother Tiller moved that Buncombe Baptist Association cooperate with the 1982 Simultaneous Evangelistic Crusade promoted by the State for the Spring of 1982. After discussion the motion passed.

1. The Chairman of the Property and Grounds Committee, Tom McCurry, presented to the group the offer of Glenn Starnes to sell to the Association the property on Lanvale (Home of Mabel Starnes). A motion was made that we recommend to the Baptist State Convention Brother Steve Stewart, Pastor of New Salem Baptist Church for receiving state aid in Pastor's salary. The motion passed.

3. The Missions Committee recommended to the Executive Committee of the Buncombe Baptist Association that Miss Kathy Worley, Minister of Music and Youth at the Hominy Baptist Church, be elected to serve as Advisor/Director of BSU work on the UNC-A Campus, and that she receive an expense stipend (Honorarium) of $75.00 per month from September, 1979 through May 1980, and that the remaining $225.00 of the $900.00 allotted through the State Convention ($600.00) and the Associational Budget ($300.00) be made available for BSU activities as needed, upon the request from the Advisor/Director". A motion was made that we accept this recommendation and the motion passed. Miss Worley will work with the Director of Education Ministries and the Director of Christian Social Ministries of the Associational Staff in planning and carrying out of the BSU work on the campus.

4. Tom McCurry, Chairman of the Building and Grounds Committee made a motion that we accept the offer of the house on Lanvale (which consists of a lot and a 4 room Garage apartment) belonging to Glenn and Blanch Starnes for $19,000.00 - and that we borrow $15,000.00 plus closing costs from the Clyde Savings and Loan at 11¼ interest for 15 years to 20 years - and that we give to Glenn Starnes a second mortgage for $4,000.00 at 8% interest subject to the sale of properties on Glendale Avenue and that these lots be used as additional security with a release clause when the lots are sold. tive Committee / and / or the Associational Board recommendations as to how to utilize this area in the future.

6. A motion was made and passed that we thank the properties and grounds committee, Glenn and Blanche Starnes, Horton and Horton, Attorneys at law, and the Clyde Savings and Loan for their labor and their consideration in this matter.

December 17, 1979:

1. The Properties committee chairman spoke to the group concerning the matter of the Lanvale stating the purchasing of the Lanvale property had been completed. The only change from the first presentation was the interest rate for the loan. This figure is 11¾% rather than 11¼%.

2. The Finance committee chairman gave the report of the Finance committee. Mr. Ferrell stated that the payments would be app. $183.00 per month (the definite amount is $168.00) Ed explained the plan of the Finance committee to have a fund raising drive during the months of February and March to pay off this debt or to reduce the debt as much as possible. Mrs. Robert Barnes and Earl Cobb were named as co-chairmen of the fund raising drive and Gayle Brown of the Associational Staff to co-ordinate the drive. It was also suggested that we secure 9 District Representatives to work with them and promote this in the churches. A motion was made to approve the plan of the Finance Committee to have this fund raising drive. The motion passed.

3. Mrs. Hicks, Director of Education Ministries announced to the group that we have the opportunity to get a select group of college students to assit the churches in ministry this summer. This group is known as the Apostoloi Team and most expenses will be paid by our Baptist State Convention. The churches using the team would take care of meals while on the church field and travel expenses to and from their place of living. They would be with us for a period of 10 weeks and we would schedule them for three day sessions in the churches. They would also help in all activities of the Association for youth such as Rallies, etc. The Association would house them in the missions house and provide utilities. A motion was made that we accept this offer from the Baptist State Convention and invite these young people to come into our Association for this summer period. The motion passed.

4. Mrs. Janie Franklin was presented to the group by Gayle Brown, Director of Christian Social Ministries. Janie is available to be an in-service student from Mars Hill College and to work in Hospital ministry. She would work at both hospitals. She will work along with Bro. Coy Jeans who will expand into other church extension ministries if we agree to work with Mars Hill College in this endeavor. A motion was made and passed that we accept this offer and work with Mrs. Franklin as an in-service student. There would be no cost to the Association.

5. An application for Student/Pastoral Aid for Coy Jeans in the amount of $1,500.00 for 1980 so that Coy can keep on working with us in the Association since he will be in this area longer doing college work at Mars Hill College. A motion was made and passed that we request this aid.

6. At the conclusion of the meeting Dr. James Johnson spoke words of appreciation for the work of the Association staff. Those of us who were present were truly moved when the entire circle of people stood and gave a round of applause.

May 12, 1980:

1. Gayle Brown, CSM Director brought to the group information on the Hospital Chapliancy program. He gave the background of the Hospital chaplaincy work at the Hospital and the Baptist involvement in it for many years through the part-time Chaplain sponsored by Buncombe Baptist Association - and now the hospital is ready for full-time person and there is a need to see how Buncombe Baptist Association feels concerning this matter and give imput to the steering committee as to what we as Buncombe Baptist can do. The steering committee has drawn up a job description and program emphasis with a target date of January 1981 for securing a full-time chaplain for the hospital. A motion was made that we give $1,800.00 to the fund for one year beginning January 1, 1981 and that the finance committee be directed to include this figure in the next budget. The motion passed. In the discussion relating to the hospital chaplaincy, it was brought out that there is a need to have imput in the person, his nature, qualifications, etc. with the committee and also imput with other denominations through the Asheville-Buncombe Ministers Association.

June 30, 1980:

1. A motion was made that we make an all out effort to sell the property in Oakley area and the money for the property to be used to: (1) Pay off Glenn Starnes if needed to do so, and (2) The remainder to be used to pay off or refund the Lanvale property fund for money spent for utilities, furniture, water, and anything spent not directly used in the fund raising process and on the property debt. Beginning July 1, 1980 the expenses of the Lanvale house will be included in the regular budget of the Association.

2. A recommendation from the Finance Committee - we recommend that the Finance Committee shall be composed of a person from each of the nine districts, four members at large, and the chairman of the Missions committee, Treasurer, and the Associational Financial Secretary. The Staff Directors of the Association shall serve as ex-officio members. They shall study the Association's financial needs for an adequate program, present a budget to the Association for the following year, devise and implement plans for securing the cooperation of the churches in raising funds to meet the budget, and make a written report to the quarterly board meeting and to the annual meeting. The Finance Committee shall have the authority to spend up to $300.00 (over and above budget items) without the approval of the Association. They shall see that all expenditures are kept within the budget and supervise all financial matters. We recommend that we encourage our churches to consider a minimum of 3% of their toal monthly receipts to Associational Missions or to increase their present giving by at least 15%. This recommendation passed and was sent on to the Constitution Committee for Constitutional change.

3. The Budget for 1980-81 was presented by the Finance Committee Chairman, Bro. Edgar Ferrell. Each section and items were presented and discussed. A motion was made to accept this Budget and the motion passed.

REPORT OF THE DIRECTOR OF MISSIONS

I CAN HONESTLY REPORT that the past year has been one of the busiest in my life. All of us have kept a steady pace throughout the year in meetings, conferences, speaking engagements, and all the rest that Baptists do all along. With it all the Lord has been magnified, and some Kingdom progress has been made.

I AM TRULY GRATEFUL TO GOD for all His blessings along the way. I cannot begin to name them all, but some matters stand out. I have a good staff to work with. All of us have worked together — Martha Hicks, Gayle Brown, Nancy Owen, Ruth Smith (who gave us a new name to learn half way through the year), Mary Hicks (who kept our building clean) and Hall Goodwin (who did a grand job with our printing). All of these just kept a steady pace all year long, and we thank the Lord for them.

Furthermore, we are blessed to have a great host of volunteer Officers, Directors, and other leaders from the churches who traveled the second mile to to do good associational missions ministry. Buncombe is fortunate to have such a great team of volunteer leaders. Beyond this we have in Buncombe one of the finest groups of pastors and staff ministers to be found anywhere on God's green earth. They make it all worthwhile as they cooperate so beautifully and just keep on keeping on with us in missions.

Through it all we have had a joyous time in working with our own convention personnel who were most helpful all along the way in dozens of ways. In truth we have an excellent team spirit in our work with the State Convention. We rejoice in this.

I AM GRATEFUL MOREOVER for the programs which were carried on in a meaningful way during the year. We bought a missions house, began to use it for missions ministry, and raised a large sum of money toward paying for it. Our people also worked together in the cause of missions around the world — to feed the hungry and to satisfy the deep hunger of the spirit as we proclaimed the message of salvation through Jesus Christ. These are a few of the good things which we all did together.

NOW I AM CONCERNED AS we prepare to enter a new associational year — our centennial year. In this one hundredth year I am hopeful that we will be completely open to God's leadership as we look backward in gratitude for all of God's blessings upon this great association and as we look forward to the future to be and to do all that God desires of us. In a specific way I trust that we can reach out to reach more people for Jesus Christ. I am convinced of the fact that one specific way we need to move is in the realm of new Sunday Schools, new missions stations, and possibly, new churches. Will you pray with me that we may all be fully open to whatever the Lord wants us to do in this regard? Will you dare with me to be ready to DO BOLD MISSIONS IN OUR CENTENNIAL YEAR 1981?

John G. Hicks, Director

EDUCATION MINISTRIES REPORT

First, let me say a big "Thank you" for all the work of our Program Directors for the fine job they have done this year along with their program councils. We seldom realize the work that goes into planning and implementing our programs in the Association.

In July we held our Bold Missions Conference at the regular quarterly meeting with a great attendance — West Asheville Sanctuary was full with a few in balcony. In July some of our Acteens in the churches went with Teena Strange to the National Acteens Convention in Kansas City. The Associational Children's Choir Camp began July 30 and continued through August 2 with a program on Thursday night when around 100, fourth, fifth, and sixth graders presented "The Story Tellin' Man." Throughout all of June and July we had Vacation Bible Schools in the churches.

In August, we had a Youth get-together, "Meet Your Neighbor," at Lake Julian with around 100 attending from 10 of our churches. The Associational Missions team of Directors went to Green River Association and led in their Bold Missions Conference for this year on August 14. On August 13, we had a regional Preschool conference at the Biltmore Church and an Inter-Faith Witnessing group at West Asheville Church. Many churches took their youth to Youth Evangelism Night in Greensboro in August. The Associational WMU Council attended a workshop at Ridgecrest with full attendance.

In September, we had four big events. First, was the annual Associational Meeting with Mark Corts as speaker and all that goes with the annual meeting was a great occasion. Music, reports were at their best. Next event was the big Youth Happening at Ben Lippen School with the pavilion full of youth and their leaders. Sidney McGee, a Christian magician and Bobby Richardson were at their best and the testimony and songs of Eva Whittington were tremendous. The third event was the WMU Leadership conference at Edgewood with 154 attending. This was an excellent session and much good was done to help our leaders go back into their churches and do the task they have committed themselves to do. Fourth, was the Central Teaching-Reaching Clinic. We had 268 attending from 34 churches for the two-night sessions. We had an excellent faculty: Harry Clarke with adults, Miss Sue Fitzgerald with Youth, Miss Janice Haywood with Children, and Dr. Elizabeth Wagoner with Preschool. We will reap much in our Sunday School work in our churches after having learned and shared together.

Our Big Event in our Association during October was the World Missions Conference with 47 of our churches participating. Many indicated that it was one of the best they had ever been in. During the week the WMU sponsored a tea when over 100 Acteens, GA's, RA's and Mission Friends came to visit and talk with the Missionaries. This was one of the highlights of the week. We also had a meeting at the WNC Home with the residents and the missionaries. In addition, the missionaries had the program at the Pastors' Conference.

In November, we had a first Associational Singles event with 125 present. This was held at the Eliada Home Gym and 32 churches were represented — 10

of these were of other denominations or Baptists living outside Buncombe. This is an important area of ministry in our church life.

In December, we had our first Associational Deaf event — a revival held at Calvary Church with 35 present. This, too, is an important area of ministry in our church life for all the future.

We had one Seminary Extension class during the quarter with 11 enrolled. Miss Sue Fitzgerald served as teacher.

In February, we spent two days at Caraway interviewing students for the Apostoloi Team. This group of five students will be working in our area for 10 weeks this summer. We also attended the Evangelism Conference in Greensboro. During this month, we taped five radio programs to be aired over Radio WFGW on "Know Your Neighbor" program with Edna Edwards, station manager. In February, a seminary Extension Course began in Old Testament, meeting here in the Baptist Building for nine weeks each Thursday night. Miss Sue Fitzgerald of Mars Hill College is teaching this course. We also previewed the "Jesus" film.

In March, we had a Youth Happening Event on the 15th. At this time, we met and shared with the five students who will make up the Apostoloi Team. We had a good group of youth attending this event. During the service upstairs before going into the fellowship room for a more informal time, two youth accepted Christ as their personal Saviour and many came for re-commitment of their lives to the Lord and to his service. On March 31 and April 1, we had our VBS Clinics with good attendance, but not as good as in previous years — I think, because we had it earlier this year. We had several conferences with leaders who could not come to the Clinics because they were held before the VBS leaders in some of the churches were elected.

In April, we had a leader outreach training clinic with good attendance. Also, we had a very inspirational WMU Annual Meeting at the Bent Creek Church. We had excellent attendance at this meeting. In April also we lbserved the 150th Anniversary of N. C. Baptists with good attendance but it could have been much, much better for this occasion.

In May, we had a very good Youth Choir Retreat at Pigeon Forge, Tennessee, with 200 attending followed by a concert at the Reed Memorial Church for presentation of THE FOLLOWERS. There was a full house at this occasion.

During April, May and June, I also attended the State-wide Assist Sunday School Team Conference at Ridgecrest, a special Workers' Conference at Caraway, the Key Leadership conference at Ridgecrest, and the Director of Missions and Staff meeting at Wingate College.

In June, the Apostoloi Team of dedicated college students began a 10-week period of work in our Association going into churches leading youth and children's groups and assisting in all our Youth Associational events.

We also had our RA Track Meeting with the best participation by churches that we have had in a long time.

During the past year, the Historical Committee met — getting materials in shape and gathering information for the writing of the History of Buncombe Baptist Association.

Also, our Media/Library Director, Mrs. Robert Kinser, has held several workshops for Church Librarians/Media Center Directors.

Gayle and I have met in planning sessions for singles throughout the year. The first Singles Event was held October 6 at Eliada Home Gym with 125 attending. The second event was in the Biltmore Church Gym with 75 present — a good time was enjoyed by all at both these events. We now have a SINGLES CHOIR with 34 enrolled and with Don Welborn directing. This group meets twice a month and would like to have 50 or 75 singles singing in this group. They will sing for our Annual meeting at the night session this year.

We continue to work with the Deaf in our area and hope to do more planning with them in the future.

During the year, I have attended, participated in, or led the following: 31 Council meetings, 20 committee meetings, 47 small group and individual conferences, 9 Clinics, planning sessions with singles, planning sessions with deaf, planning sessions with the Youth Council and Youth Advisory Committee, Planning sessions for RA Track and RA Camp, planning with Kay Huggins (BSC) concerning the Apostoloi Team and BSU work, planning with the Apostoloi Team, attended Pastors' Conferences, attended Bi-Vocational Pastors and Wives meetings, attended Baptist State Convention in November in Winston-Salem, attended Evangelism Conference in Greensboro in February, attended Seminary Extension Graduation at Craggy Prison, attended an Accountants, bookkeeping seminary, attended 1 banquet for the missionaries, attended 8 luncheons for the missionaries, participated on Radio program "Change", attended the Southern Baptist Convention in St. Louis in June, and taught 2 Sunday School Clinics outside the Association.

SUNDAY SCHOOL

SUNDAY SCHOOL REPORT

Last year we had 21,440 enrolled in Sunday School which is a decrease from last year of 627. In baptisms we had 760 which is an increase of 1. WE SEE VERY CLEARLY THAT WE NEED TO —

Reach Out

in Sunday School this year. The saying is so true that "As goes the Sunday School (Bible Teaching Program of the Church) so goes the church"

Our leaders attended several conferences at Ridgecrest such as Key Leadership and the Assist Clinics. Also, the Associational team attended the State VBS Clinic.

We had a good Associational Teaching Clinic last year for two nights in September. Also 2 Bible School Clinics were held in April.

We look forward to having a great Centennial year in Sunday School work as David Tiller, Minister of Education and Youth at the West Asheville Church, comes to lead us in this important phase of ministry.

Director of Education Ministries

CHURCH TRAINING REPORT

Church Training began a good year in July with the Bold Missions Conference. This Conference was the best yet with an attendance of thirty-two and twenty-four churches represented. Also in July the Church Training Council was represented at Ridgecrest during Church Training Leadership Week.

Our Association had a good attendance at the Children's Rally for Children's Bible Drill at Canton First Baptist. The leaders and children enjoyed the rally very much.

Again we had an increase in attendance at our "M" Night meeting at Westwood. We were spellbound as we listened to Dr. John Tresch, Jr., of Southeastern Seminary, bring a very timely message on "Equipping for Mission." Westwood had the highest attendance and won both banners. Their queens were Susan Black and Gladys Gossett. Riverside received and achievement award. We had thirty-four churches represented, thirty-three pastors and twenty-five directors.

An Enabler's Conference for Church Training Associational workers was held at Fruitland in January. Seven conferences were led by our state workers. Six of our council members attended.

In February several people from our churches attended an area Doctrine of Missions Seminar which was held at First Baptist Church, Asheville. This was most helpful for those who were preparing to teach the Doctrine books in the individual churches.

In March an area Preschool Parent-worker conference was conducted by our state workers at First Baptist Church, Waynesville. The conferences were very helpful and revealing and enjoyed by all who attended.

LaDonna Surrett from Ridgeway very ably represented our association in this Youth Speakers' Tournament at Hendersonville. We were delighted to have twelve children from five churches participate in the associational Children's Bible Drill at Buckeye Church. They were as follows: Audrey Alexander, Sonya Henry, Michelle Hughes, and Lori Tosto from Biltmore; Michelle Brown, Kevin Creasman, Melissa Dover, and Melissa Ownbey from Riverside: Lori Hornsby and Vicky McCoy from Calvary; Lynn Bryant from Buckeye; and Beverly Owen from Mount Carmel. Eleven of these were state winners at our area convention in Hendersonville.

During my participation in the state-wide Key Leadership Conference at Ridgecrest in May, I was asked to set goals for the Church Training Program in our association. One goal that I hope we can attain is to organize some phase of training in one church from each district that does not have any type of training now.

Even though progress in Church Training has been made this year, there is still much to be done.

Director Church Training

BROTHERHOOD REPORT

During the 1979-80 church year, the Brotherhood has made some gigantic strides toward meeting our projected goals. Members of the Brotherhood Council have taken a very active role in their respective areas and results have been obtained. Our desire is to see more men become involved in existing Brotherhood projects and more churches involved in a Brotherhood program.

Our various areas of work have progressed on an above average scale during the year. Mike Smith has done an excellent job in the area of Lay Witnessing and coordinating lay revivals both locally and out of the state. Our sincere thanks to all those involved in this work. It is very rewarding not only in this life but also in eternity.

The prison ministry at Craggy has taken on new and deeper meaning through the efforts of W. G. Hutchison, Clyde Tilson and Rev. Frank Shirley. A new chapel has been built, which looks nice and has air conditioning. The services have been well attended and many decisions have been made during the past year. Additional projects are currently in the works for helping in the correctional institution ministries. Again, we say thanks to all those who help and support this ministry. Many of our men are involved.

The Royal Ambassador work in our Association owes a hearty thanks to Rev. Mace Honeycutt and to those who faithfully help him. The associational track meet at Reynolds School was a great success and we were well represented at the State Track Meet. The summer camps were attended by a number of our boys along with several of our men who helped as counselors.

The upcoming year is going to require a lot more of our attention than we have given in the past. I don't know where we are going to find the time to devote to the tasks before us, but if you will join me in prayer and pray that God will supply additional laborers, we will accomplish more of our desired goals. These goals include:

1. A 10% increase in Brotherhood enrollment
2. A 20% increase in Baptist Men and Boys in mission projects, correctional missions, resort and recreational missions and disaster relief missions.

3. Help bring about a 20% increase in Royal Ambassador units in grades 1 - 3 10 - 12.
4. Help train Brotherhood leaders in our churches.
5. Assist Churches in starting Brotherhood units which are defunct or non-existent.

These are only a few of our desired goals for the new year. We have a large task and a big responsibility before us.

BAPTIST MEN IN ACTION

MUSIC REPORT

Members of the Music Council of the Buncombe Baptist Association have worked hard to make this year an exciting ministry for the churches in Buncombe Association. The Council has been pleased with the number of new churches participating in the music activities for the various age groups. Many hours have been spent in excellent planning to accomplish successful musical experiences for the Glory of God.

A total of 115 children shared their time and talents to present 6 anthems and the musical THE STORY TELLIN' MAN in the Children's Choir Day Camp Program at the West Asheville Baptist Church in July. The children also sang selections from THE STORY TELLIN' MAN on the Mr. "Bill's" TV Show on TV13. Mrs. Lovey Bigham, Chair-person for the Choir Camp, gave excellent leadership to secure personnel, location and publicity for this year's camp. There were 16 churches from Buncombe Association to participate in the choir camp for 1979. This was the first year that over 100 children sang in the mass choir.

In December the Music Council honored Mrs. Blanche Starnes, Minister of Music at Grace Baptist Church, at a dinner in Marion at the Cross Bow International. There were 10 families from the Music Council present for the dinner. The Council presented a beautifully engraved plaque to Mrs. Starnes in appreciation of her forty-five years of dedicated and talented service to the two churches and the association. Calvary and Grace Churches were fortunate in having Mrs. Starnes serve as their Minister of Music during the years. Mrs. Starnes started the first graded choir program in the state.

In May the Associational Music Council sponsored the Youth Choir Retreat at Smoky Shadows in Pigeon Forge, Tennessee for the second year. The retreat was directed by James Gibson from the Music Department of the Sunday School Board. Susan and Roger Ward did an outstanding job in organizing the retreat. Many hours were spent in great detail to assure a successful experience. There were 200 young people participating in the choir. An excellent performance was given at the Reed Memorial Baptist Church to a standing-room only congregation and an offering of over $300.00 was received. The choir received a standing ovation at the end of the performance of the musical THE FOLLOWERS. There were 16 churches participating in the program. A word of sincere appreciation is expressed to everyone taking part in the retreat.

The following churches participated in the State Children's Choir Camp held at Mars Hill College this year: Biltmore, Calvary, Black Mountain First Baptist, and Mount Carmel.

I want to express to the Music Council and the Association appreciation for the privilege of serving as your Associational Music Director. The past two years have been musically and spiritually fulfilling as I observed so many persons giving freely of themselves in the service of God's Kingdom as an avenue of outreach in the Music Ministry of the Buncombe Baptist Association. TO GOD BE THE GLORY!

Donald N. Welborn
Associational Music Director

BAPTIST STUDENT UNION —— UNC-A CAMPUS MINISTRY

At the end of last year, UNC-A Baptist Student Union was re-organized as a campus organization, and we elected the following officers: President, Dan Thorpe; Vice-President, Shelia Justice; Secretary-Treasurer, John Gormley. These officers and I men for three planning sessions this summer, and we ended the year with a picnic at my home.

For the month of September 1980, the BSU held meetings each Thursday (September 4, 11, 18 and 25) at 4:15 p. m. at the coffee house. We also sponsored a "warm-up" (Cokes, crackers, entertainment) on September 8 at the coffee house. This was a project to reach out to all students on campus through fellowship. On September 22 and 23, we will hold registration in the cafeteria to join the Baptist Student Union, and some of us plan to attend the Baptist Student Convention at Ridgecrest on September 26 and 27. Presently, we have six students enrolled in the BSU at UNC-A.

CHRISTIAN SOCIAL MINISTRIES REPORT

Christian Social Ministries has become a vital part of the Buncombe Baptist Association program of missions and ministries. Through the past three years attitudes, beliefs, and involvement through Christian Social Ministries have progressed in a very good and positive way. As God's people we are learning more each day about how to minister to the hurts and needs of human beings in the Name of Jesus Christ. My role as Director of Christian Social Ministries has been one of a catalyst, encourager, enabler, and resource person. It has been my pleasure to work with individuals, churches, state, and convention leadership in beginning and developing programs of ministries and missions to meet the needs of people in the Name of our Lord and Saviour Jesus Christ. This annual report will highlight some of the ministries and programs God's people have been doing during the past year.

1. The association purchased a two-bedroom house next door to the associational office. The home is to be used for missions and ministries in the years ahead.

2. An associational-wide fund drive, involving 50 volunteers, was conducted in the 92 churches belonging to the association. The money received has been applied toward furnishing and paying the indebtedness of the property.

3. The Western Carolina Rescue Mission has been organized and is seeking community funding. The mission has been established to minister to the chronic alcoholic, derelict, wino, and unwanted men who walk the streets of Asheville and Buncombe County.

4. Six associational churches have sponsored, or are involved in sponsoring, Southeastern refugee families. The churches are Black Mountain, First; Mount Carmel; Weaverville; Beverly Hills; Asheville, First; and Ridgecrest.

5. Plans are developing for the employment of a full-time, qualified, professionally trained chaplain at Memorial Mission Hospital.

6. Several associational pastors and staff members are doing counseling at the Alcohol Rehabilitation Center located at Black Mountain, North Carolina.

7. A second seminary extension course (Introduction to the Old Testament) has been taught at Craggy Prison Unit. The Reverend Gilbert Barnhill, pastor, Oakley Baptist Church, taught the course. The associational W. M. U. provided refreshments for the graduates.

8. The Asheville Police Volunteer Chaplaincy Program is progressing in a good way with several associational pastors and staff participating in the ministry.

9. An associational Singles Ministry has been established. Emphasis has been placed on socials, retreats, and a Singles Choir.

10. The public affairs radio program "Change" continues to inform the public as to what is happening in various fields of community services. The programs are taped at the Baptist Building and aired over WWNC radio on Saturday and Sunday evenings.

11. A Deaf Revival and Workshop was held at Calvary Baptist Church last December. The association coordinated and promoted the revival and workshop.

12. A community-drug awareness program has been established to promote drug awareness in the schools. A meeting was held with Mr. Pete Banyai, Blue Ridge Community Mental Health Center, and the Reverend Ted Stone, Ted Stone Enterprises, to share ideas and promote coordination of community efforts in combatting this community problem.

13. A Mars Hill Student, Mrs. Janie Franklin, was assigned to Buncombe Baptist Association to do a field work placement January - May, 1980. Mrs. Franklin specialized in hospital visitation at Memorial Mission and St. Joseph Hospitals.

14. A community-based steering committee has been established to help ex-inmates secure employment and housing as they return to society from prison.

15. An associational resort ministries program was established this past summer. Miss Charlotte - Anne Brewer, a student at Gardner-Webb College and our summer resort ministries student, was instrumental in getting resort ministries started at a local flea market and KOA campground.

16. Home and Foreign Missions were taught during a World Missions Conference in Buncombe Baptist Association October 14-21, 1979.

17. Several Buncombe Baptist churches are participating with the American Red Cross in the "Sunday at the Center" Blood Donor Program.

18. The Reverend Erskine Plemmons was named as Senior Adult Coordinator for the Buncombe Baptist Association.

19. Buncombe Baptists, along with 70 other Baptist Associations, celebrated the 150th Anniversary of the North Carolina Baptist State Convention this year. A celebration meeting was held at First Baptist Church on April 29, 1980.

20. The association worked with the Ridgecrest Centrifuge Staff (college students) in developing missions points for Ridgecrest participants this summer. Mission points included the Juvenile Evaluation Center at Swannanoa and the KOA Campground near Swannanoa.

21. The association's fifth annual Interfaith Awareness Conference was held at Beverly Hills Baptist Church on August 11. This annual awareness conference is cooperatively sponsored by the association, Baptist State Convention, and the Home Mission Board.

22. The Reverend Coy Jeans, associational intern, is working with us on several associational projects. His major emphasis is hospital chaplaincy ministries at Memorial Mission and St. Joseph Hospitals.

23. New officers have been elected to the Christian Social Ministries Council. They are President - Mrs. Norma Messer; Vice-President - Reverend Jackie Collins; and Secretary — Reverend Tom Smith. In addition, new Council members are Chaplain Frank Shirley and Mr. Ed Dunn.

As we move into the 1980's we are challenged as never before to meet the many needs of people in the name of Jesus Christ. Together we can continue to reach out into the community and touch people where they are hurting and give to them meaning and purpose for living.

HOSPITAL CHAPLAIN — ASSOCIATIONAL INTERN'S REPORT

1980 was a good year. It has offered opportunities to minister in several areas. In addition, the past year has been an exceptional year in acquiring experience and in learning opportunities through the many programs offered by Buncombe Baptist Association and the North Carolina State Convention.

There were three main areas of ministry this year, with hospital chaplaincy having the most emphasis. This work continues to have great needs. For many people the hospital chaplain is the only contact they have with a representative of the church, and this is an excellent time for the church to minister to the needs of these people.

Last September, Janie Franklin, a Mars Hill College student, started a work practicum program with the association in hospital ministries. Mrs. Franklin did hospital visitation at Mission and St. Joseph Hospitals until May of this year. Her work with us in these two hospitals added greatly to what the association was doing in hospital ministries.

During the period Mrs. Franklin was with the Association, I was given an opportunity to have a ministry to alcoholics. This was an educational experience for me. One important thing was learned in this program. We for the most

part do not know how to work and minister to those who have problems with alcohol. We have a tremendous task ahead of us in developing ministries to help the alcoholic.

The summer of 1980 provided experience in leading and coordinating a resort ministry. This ministry was with Hidden Valley Chapel in Henderson County. This is a remote area of 80 summer homes. We had a Sunday morning worship service each week. Attendance was above our expectation, ranging from 25 to over 100 on several Sundays.

This has been a good year. Thank you Buncombe Baptist for the opportunity to serve.

MISSIONS COMMITTEE REPORT

A significant step forward for missions was taken this past year when the Buncombe Baptist Association purchased the Starnes property located at 15 Lanvale Avenue. This property which adjoins the present associational property has already been put to good missions use by providing housing for the Apostoloi Team and the Summer Resort Ministries student. We are grateful for the response of the churches in purchasing this property which will encourage and be used for missions in the years ahead.

We we look about us, we are becoming more aware of pockets (or areas) in our community of Buncombe County where sizeable numbers of people live who are unchurched or do not attend church anywhere. In 1981 we are planning a "pocket area survey" which will determine what the needs really are and how we may reach people for Jesus Christ. The Baptist State Convention and the Home Mission Board will assist us in this "pocket area survey" endeavor. We all need to be alert and open to the possibilities of beginning new work and reaching out to areas that are untouched by any church.

EVANGELISM REPORT

Napoleon once said "Conquest has made me and conquest must sustain me" We may paraphrase that and say "Evangelism has made us and evangelism must sustain us". Our first and foremost priority must be to win the lost to Jesus Christ. About 2.5 billion people in our world "have never heard the message of salvation from God's own Holy Word." What a gigantic task lies before us. The Great Commission is still our business!

All Baptists are urged to participate in the joint statewide Evangelistic Crusade in 1982. The theme will be "here's hope". Interpretation meetings will be scheduled across the state to share suggested plans and basic thrusts for the 1982 join crusade effort, which is co-sponsored by the Baptist State Convention and the General Baptist State Convention. The dates are:

Coastal ..... March 14 - 28
Piedmont ..... April 4 - 18
Mountain ..... April 25 - May 9, 1982

We urge every church in the Buncombe Association to plan a revival during our suggested time. Let us pray daily that every unsaved person in North Carolina will have the opportunity to hear the gospel of Christ by the end of 1982.

The 34th Statewide Evangelistic Conference was held in Greensboro February 4 - 5, 1980. "Bold Witnessing Churches" was the theme. About 2400 pastors and lay persons heard inspirational speakers at War Memorial Auditorium.

Recently the Executive Committee of the General Board approved the department name change from Department of Youth and Renewal Evangelism to Department of Personal Evangelism. Richard W. Everett is director of this department. His department work now includes various phases of witnessing training for youth and adults.

Fifty-four associations have now involved their churches in a Bold Evangelism Clinic with the use of the notebook, Bold Evangelism Through the Local Church (Our Buncombe Association Clinic was held on Monday night, February 11, 1980 at the Calvary Baptist Church). Every church is urged to enlist a local church task force on Evangelism to involve more members in direct witnessing to unsaved persons.

New materials on Lay Evangelism Schools prepared by the Home Mission Board are now available. This is a one-week effort to train youth and adults to become more effective witnesses for Christ.

Thousand of youth were involved in the 10th statewide Youth Evangelism Conference at Greensboro Coliseum on Friday, August 15, 1980. Praise be to God for the hundreds of youth who have made various decisions for Christ during this ten year period. In 1981 three meetings will be held across our State on three different nights. One will be in Asheville on Sunday night, August 30.

The 35th Statewide Conference on Evangelism will be held in Asheville, February 2, 3, 1981.

Respectfully Submitted,
Johnnie Tiller, Chairman

REPORT OF THE PLACE AND PREACHER COMMITTEE

Inasmuch as the good folks at Newfound Church, Leicester, have invited us to help them celebrate our centennial year, we recommend that we accept their generous invitation by meeting at Newfound for both the evening and morning sessions of our Annual Associational Meeting in 1981. We deem this appropriate response to the oldest Baptist church in Buncombe Association.

We further recommend that the Reverend Jackie Collins, Pastor of Zion Hill Baptist Church, bring the annual sermon with the host pastor, Reverend Charles Phillips, serving as alternate.

REPORT OF THE RESOLUTIONS COMMITTEE

BE IT RESOLVED:

That we express our appreciation to the host churches, Biltmore Baptist Church and First Baptist Church, Swannanoa, for their gracious hospitality and provisions for our Annual Session;

That we express our appreciation to Dr. Cecil Sherman, pastor of First Baptist Church, Asheville and present leader (President) of all North Carolina Baptists, for his sharing of insight and inspiration;

That we express our appreciation to Luther Osment for his enlightenning and inspiring challenge to Bold Missions;

That we express our appreciation to Brother D. K. Brevard who will bring our Annual Sermon this year;

That we convenant to pray for our Associational Administrative Officers and support them as they lead us in this most special year of our Association's 100th Anniversary and in the continued Bold Mission effort;

That we covenant to support - through prayer and commitment to our individual tasks — the Bold Mission endeavor of our convention;

That we praise God for His blessings of the past year; that we acknowledge His wondrous works among us: for each soul saved, we praise Him, for each person called out from among us to serve in a special way, we praise Him, for tithes and offerings to carry out the commission of the church, we praise Him, for each and every accomplishment in the Kingdom of God through our churches, we praise Him; to God be the glory, great things He has done!;

That we continue to seek God's leadership and empowering through His Holy Spirit for the coming year that His will might be done and His work wrought through each church in Buncombe Baptist Association.

"With regard to the proposed resolution presented by Brother Nane Starnes last evening, the Resolutions Committee has made the following determination:

Because Bailey Smith's relationship to a coalition to elect Ronald Reagan has not yet been publicly clarified, the Resolutions Committee choose not to present the resolution to this body for consideration.

I might add that this matter has been discussed with Brother Starnes and he is in agreement with this decision."

ANNUAL MEETING PROCEEDINGS

All reports referred to are printed in this annual under the proper heading)

FIRST SESSION

The 99th Annual Session of the Buncombe Baptist Association assembled at the Biltmore Baptist Church on the evening of September 15, 1980.

1. The meeting was opened by the singing of the Call to Worship, "There's Just Something About that Name" - Gaither/Danner. The Invocation was given by Bro. James Calvin, Pastor of the Ridgeway Church.

2. The Moderator, Dr. Ronnie Owen called the 99th Annual Session of the Buncombe Baptist Association to order. Bro. Ralph Easterly, Chairman of the Program Committee presented the program for this session as printed with two exceptions: that we give our chairman of Finance, Bro. Edgar Ferrell, time on the program to present a need and followed by an offering concerning the Lanvale property - this to come immediately after the proposed constitution changes, and that the choral number "Gladly will I go/Walk in the Spirit" come before the Benediction since the selection is a number of Dedication. The Moderator brought to the attention of the group that Bro. Nane Starnes had asked for a few minutes tonight to present a resolution to the group and the Chairman accepted this. AMERICAN BIBLE SOCIETY

Since its founding 164 years ago, the American Bible Society has offered the peoples of the world more than 3 billion opportunities to read at least some portion of God's Word. Starting out with a distribution of 6,410 Bibles in 1816, the ABS has through the years steadily increased its ministry of sharing the Scriptures to reach its current annual distribution rate of more than 250 million Bibles, New Testaments, portions and Selections.

In many overseas areas there were extremely encouraging icreases in the number of people reached with God's Word. Following are some of the highlights of the Bible work made possible through your gifts in 1979.

It is a joy to report that in Africa, Asia, Latin America and Europe the Scripture distribution is on the increase. We are so thankful for the evidence of thirst for the Word of God in other parts of the world.

The American Bible Society distributed 108,882,672 Scriptures in the United States alone during 1979. Among the larger provisions of Scriptures throughout the years were 260,000 Scripture Portions distributed by the Alabama Baptist Convention in a campaign to reach every home in the state with some part of God's Word. Another 120,000 special imprinted Portions in English, Spanish and Navajo were distributed by the New Mexico Baptist Convention.

Other distribution projects in which ABS subsidized Scriptures were used varied from 40 English/Russian Sermon on the Mount Selections presented to Russian students by the Baptist Student Union at Georgia Tech to 277,000 Luke-

Acts Portions prepared for Baptists in Ohio, Indiana, Illinois, Iowa, Wisconsin and Minnesota. Other special publications included an edition of the Selection entitled "Good News for Mississippi" for the Mississippi Baptist Convention and a Spanish edition of the "Discovery" New Testament entitled . . . "Encuentro" with 21 pages of study aids for National Student Ministries.

TRANSLATIONS

Twenty-seven languages were added in 1979 to the list of languages and dialects in which at least one book of the Bible has been published. In two of these languages the first publication was the entire New Testament. These are Bokyi spoken in Nigeria and Moldavian spoken in Moldavia, Soviet Russia. A translation of the Gospel of John into Avar spoken in Dagestan, Soviet Russia was the first book of the Bible published in that language. The number of languages in which at least one book of the Bible has been published as of December 1979 was 1,685.

NEW READER SCRIPTURES

By the end of 1979 New Reader Scripture Selections had been published in 228 languages. Translation of these booklets had been completed in 315 languages and was proceeding in an additional 84 languages. New Reader Scriptures accounted for almost 10 percent of the distribution throughout Latin America; 15 per cent of the Scriptures distributed throughout Asia and 18 per cent of the Scriptures in Africa.

VOLUNTEERS

The number of dedicated Christians who are devoting both time and effort to the Bible cause rose to over 35,000 Volunteers in 1979. More than 13,000 of these Volunteers are Church Representatives who actively promote American Bible Society Scriptures and programs in their local churches. Over 2,6000 Volunteers maintain Scripture Courtesy Centers in their homes or business establishments where ABS Scriptures can be purchased by the general public.

Since coming to Buncombe Association we have been thrilled by so many of you asking for our assistance with your Bible needs. Please remember we want to help you in all Bible needs you have. Don't hesitate to call on us, day or night. Our Scripture Courtesy Center is in the Pole Creek Baptist Church.

The ABS asks that Bold Mission Thrust be just as bold in Scripture distribution as in other areas of mission work. ONLY THEN CAN WE BE CERTAIN OF HAVING THE SCRIPTURES AVAILABLE that the Southern Baptists need around the world.

THE NORTH CAROLINA BAPTIST FOUNDATION, INC. REPORT

This is the 60th birthday for the North Carolina Baptist Foundation.

Chartered in 1920, it was born out of a need to provide a channel for gifts and bequests which would be held in trust. Thus Baptist people were enabled to have a continuing part in support of every mission effort, every ministry of Baptists, even after their own deaths. Through these sixty years, your Baptist Foundation has received, administered, and distributed gifts to Baptist colleges, Children's Homes, Homes for the Aging, foreign and home missions, state missions, Baptist Hospital, churches, associations, the Cooperative Program. The Foundation receives no money for its own use - it only serves as trustee for all these Baptist causes.

Born of a bold idea, it fulfills its mission today giving each Baptist the opportunity to be part of Bold Missions now - and forever!

The Foundation accepts gifts for Baptist causes in a variety of ways. The most frequently used method is a testamentary gift. This is simply a transfer of assets through a will. During the past year, the Foundation Staff has attempted through Pastors' Conferences, senior citizens groups, Baptist Women and Baptist Men groups and through personal conferences with individuals to enable the people to extend their stewardship beyond life through the use of a Will. A touching and dramatic film, "A Better Way" depicting the necessity for every adult to have a Will, has been made available by the Foundation for distribution to any church or group requesting it from the Film Library Department of the Baptist State Convention.

A second way the Foundation received gifts to support Baptist causes is through charitable trusts. Trusts have been established through Will, through purchase of gift annuities and through establishment of annuity trusts.

The Foundation has received Memorial gifts to deceased loved ones. A fund to assist Fruitland Bible Institute has been created. Gifts of real estate for the support of Southeastern Seminary, local churches and foreign missions have been received. One annuity trust was established with the income, after the death of the annuitants, to be used by the Foreign Mission Board in its effort to assist in the fight against world hunger.

During the past year, through the many ways it is able to accept gifts, new trust have been established with combined assets of $650,000. The audit of Foundation records for the year ending December 31, 1979 revealed total increase of assets for the year was $1,018, 681.00 with total assets of the Foundation being $5,115.000. Additions to existing trusts, providing for scholarships, missions offerings, memorials and many other causes were more than $370,000. This is exciting when we remember it is all designated for Kingdom work through Baptist Institutions and causes.

The Foundation Staff, its three consultants, board members and legal and fiscal consultants are available for leading worship services, speaking to special groups or for special occasions and for private consultation and counsel.

BAPTIST CHILDREN'S HOMES REPORT

The Baptist Children's Homes of North Carolina, Incorporated is an institution of the Baptist State Convention and provides a Christian ministry of child care and family services.

During the past three years, members of the Board of Trustees and members of the administrative staff of the Homes completed an indepth evaluation of the Institution's total program of services. We share three significant statements from that report.

> "The advancement of this mission and ministry requires (1) wise and resourceful leadership, (2) a well-trained and highly skilled staff who really care for children, (3) a carefully planned program of child care and family services, (4) appropriate physical facilities, (5) adequate funds and sound fiscal policy, and (6) and confidence and support of an informed and devoted constituency."

> "At this time the Baptist Children's Homes of North Carolina, Incorporated is in a position of strength. This strength comes ultimately from God and is discoverable in the commitment, the competence, and the faithful work of His people engaged in this ministry."

> "This is not a time for complacency in child care and family services in North Carolina. It is a time for rigorous study, reflective planning, earnest prayer, and courageous action."

Progress is being made in implementing recommendations from the Trustee Evaluation more adequately to make all services of the Baptist Children's Homes of North Carolina readily available to people who need our help anywhere in the state. Nine Family Services areas are being designated as follows: Asheville, Charlotte, Thomasville, Kinston, Pembroke, Raleigh, Hickory, Jacksonville and Ahoskie.

The lives of more than forty-five hundred people were affected in a significant way by the services of the Children's Homes during the past year. Fifteen hundred of these were children for whom you helped to provide care and related services. While serving children and young people, work was being done with important adults in their lives.

Necessary to the fulfillment of the mission of the Children's Homes are "people" resources, financial resources and spiritual resources. We are blessed with all of these. You, along with many other friends, assure us of your continuing concern for the well-being of neglected and dependent children through your prayers, through your giving and through various types of involvement. Members of our Board of Trustees and members of our staff, with your assistance, are dedicated to a continuing Christian ministry to children and members of their families.

From those of us in the western part of the state, we add a personal word of thank you to YOU who mean so much to our work. Emergency situations con-

cerning children and families seem to increase month by month. Some of God's special people are the houseparents who live and work day-by-day with these children in crisis. Would you breathe a special prayer for them?

NORTH CAROLINA BAPTIST HOMES, INC.

Ministry to an older person is a ministry as unto Christ Himself, and it is people like Mrs. Tillie Crabtree who make it all worth it. Mrs. Crabtree, a resident at Hayes Home who finds it very painful to walk, came recently all the way from her room to the office of the Executive Director, Bill Poole, to say, "Thank You" for all the blessings of the Baptist Homes to her as a resident and to give a personal gift of money to the Homes from her limited personal spending money, as an expression of her gratitude to the Lord and to North Carolina Baptists.

The ministry to older persons through our Baptist Homes is the youngest of all our social service ministries. We have just completed our 29th year of ministry, and are moving with faith and with gratitude into our 30th year and into the new decade of the eighties. God has blessed us through all of these years in marvelous ways and has given to us the privilege of moving into five areas of our state with this special ministry — Resthaven, the Hayes Home, the Apartment Complex, and the Nursing Unit all in Winston-Salem, and Homes in Albemarle, Hamilton, Yanceyville, and Asheville! The past year has been filled with excitement and accomplishment. A dream was fulfilled when we moved into the new Western North Carolina Baptist Home in Asheville in March (1979), and have filled this beautiful new Home to the brim with 49 new residents who are a most welcome addition to our Baptist Homes family.

Gifts from our Baptist Churches, though encouraging, have fallen behind previous years' gifts through the two vital sources of income for the Homes — through the Cooperative Program, and through the new North Carolina Missions Offering. Through these two sources of support, we will continue to supplement needy residents who cannot pay the full cost of care and who are very dependent on these love gifts from North Carolina Baptists. Those who are supplemented at some time during their residence in our Baptist Homes family are in the majority.

We are excited over the possibility of starting the construction of additional nursing beds in Winston-Salem to care for residents in the new Western North Carolina Home and the Apartment complex, when nursing care is needed for them. Hopefully, construction of these beds can be underway within this year, along with the construction of an urgently needed enlargement and renovation of the Hayes Home, and the building of a new administration building.

Each of our residents would have me thank you as North Carolina Baptists for all that you are, and for all that you do for them.

W. A. (Bill) Poole

BIBLICAL RECORDER REPORT

Faced with the same inflationary pressures that every family has these days, the Recorder has managed to get through another year without an increase in subscription rates. A church can still send the Recorder to resident families for only 7¢ a week per family, less than half the cost of a first class stamp and the best bargain in Christian literature to be found anywhere. Thus the Recorder is doing its best to hold the line by getting out a good paper at reasonable cost.

It has been another newsworthy year for Baptists and the Recorder has stayed on top of all that's happening. At the State Convention last November in Winston-Salem, a new relationship between the convention and Wake Forest University was approved. Messengers who attended were well informed and the issue was settled without serious division or controversy. This is just one illustration of how the Recorder informs North Carolina Baptists on vital matters affecting them. Nothing can take its place, certainly not the secular press which has so many denominations to cover.

Even though it was not a Baptist issue, the Recorder was able to set the record straight on an anonymous petition being circulated about a film supposedly about "the sex life of Jesus". Not only did the Recorder run news stories and editorials on this matter, it responded to numerous telephone calls. It was able to tell people the truth about something that never did take place — and the story was at least four years old anyhow.

Never has there been more mis-information circulated among our Baptist people. Those who do not receive the Recorder are easy victims for all types of misleading stories and rumors. Add to this the deliberate efforts of some groups to siphon off the loyalties and money of Baptist people and there's a strong case for sending the Recorder to every family. See that your church makes this move in the coming year.

CHRISTIAN ACTION LEAGUE REPORT

More than ever, the primary need of the work of the Christian Action League of North Carolina is that of financial support from churches and individuals.

CAL has been involved in numerous liquor-by-the-drink elections all over the state, which has added substantially to our financial burden. In addition, our lawsuit on the constitutionality of the North Carolina mixed beverages law has been most expensive to pursue.

It is a sad duty to advise you that — due to the tremendous legal expenses already incurred and the sizeable potential expenses facing us, the Board of Trustees decided to drop the lawsuit. This was a most reluctant step, but the needed financial support was missing, and the Board felt that CAL could not afford to continue the legal battle.

Of the L-B-D elections held in recent months, we have won some, but the losses have been more than expected. As was feared from the beginning, the forces of evil are very strong and exert a great influence in such elections.

As was predicted before the L-B-D vote in January of 1979, Asheville is realizing very little additional tax revenue from mixed beverages - despite about 40 places selling intoxicating drinks for over 75% of the time - and is reaping most of the bad consequences that increased public drinking inevitably brings.

There is good news in that the courts have upheld two anti-pornography laws which were being tested. The problem now is to get these laws enforced by our elected prosecutors. In Buncombe County, we must strongly urge the District Attorney, Ron Brown, to enforce these laws. With his help in bringing the law to bear on the social evil of pornography, our community can be a much cleaner, more wholesome and more desirable one in which to live and raise our children.

Simply stated, it comes down to this: We will have the kind of society that we as citizens are willing to tolerate. We seek and urge your active, personal support and increased financial support of the Christian Action League as it leads out against social evils such as alcohol, pornography, etc.

COOPERATIVE PROGRAM

A dream is only a dream until someone makes it come true. Bold Mission Thrust began as a dream for Southern Baptist in 1976-77 — a bold dream of greater mission support and church growth. Many people are committed to making this dream a reality. In order for Bold Mission Thrust to succeed, many more people must adopt this commitment.

Two important questions must be asked and answered:

1. Do we have the will and commitment to persist in achieveing what we have voted as Bold Mission Thrust goals?
2. Can we learn to live with our commitments?

Officially, Southern Baptists claimed their Bold Mission Thrust dream in 1977. Looking at the years ahead we have mixed reactions of excitement and anxiety. The introduction is over; in 1981 we must demonstrate our willingness to make our Bold Mission Thrust come true through our Bold Giving.

Involved in this demonstration are several realities to be considered:

1. Churches need to be faithful in fulfilling their goals of mission giving and church growth;
2. Some churches may need to discover "special roles" in the bold endeavors they have adopted;
3. Church leaders must lead the people to adjust lifestyles and values in order to achieve Bold Mission Thrust;
4. We need a greater concern for people in order to bring about a new "turn around" in attitudes and records in church growth and church member development.

The dream is bold. The people are excited. The mission unmistakably stands before us. During the past year (1979-1980) the churches of our association gave $559,595.00 through Cooperative Program. Last year our churches gave $75,334.84 for associational missions.

Commitment to Bold Mission Thrust calls for specific action on our part as individuals and churches. Every church is challenged to:

1. Give something through the Cooperative Program for Bold Mission Thrust support.
2. Increase the percentage of its total budget income given through the Cooperative Program.
3. Increase the percentage of total budget income for the support of asso. missions.

Let every church in the Buncombe Association demonstrate its genuine concern for and commitment to world mission support through bold living and bold giving.

CHRISTIAN HIGHER EDUCATION REPORT

There are seven North Carolina Baptist colleges and universities: Campbell, Chowan, Gardner-Webb, Mars Hill, Meredith, Wake Forest and Wingate. Baptist in their roots and their affections, these schools are Baptists' educational mission in our state. There are 53 such colleges, including the seven, related to state conventions within the Southern Baptist Convention.

The highest priority of your Baptist colleges is to serve God and man through Christian higher education. Ours is a secular world which views life and history, and even man himself, as having no overarching purpose.

To this hopeless view of the world, the Christian church through its colleges and universities has an essential message. The message is that creation has purpose, life has meaning and direction and persons created in the image of God have eternal significance.

The task of the Christian college is large and complex: searching for answers to perplexing problems; guiding the lives of youth who have been greatly influenced by the values of a secular society; and interpreting this task in love and with reason to those who do not always understand the difficulty of the college task.

Your North Carolina Baptist colleges see themselves as you see them, as a valuable part of Christian missions. They operate out of the conviction that God's Holy Spirit leads persons in the discovery of truth, that through the Bible God has given us a sufficient guide for faith and practice, and that man is a sinner by nature who cannot save himself or redeem the world in which he lives.

Baptist young people are sought and welcomed by Baptist colleges. We call upon the churches, through pastors and other leaders, to encourage Baptist youth to apply for admission to Baptist colleges. When they do, a creative blending of Christian education, financial assistance and spiritual guidance will help to shape them as tomorrow's leaders in the church, community, state and nation.

We thank you for your support of the colleges. We request your earnest prayers for each of them.

ASSOCIATIONS HELP EVERY CHURCH

NORTH CAROLINA BAPTIST HOSPITAL

During the past year, our hospital has again received accreditation for the maximum period, two years, by the Joint Commission of Accreditation of Hospitals. Only about one-third of the hospitals in the nation receive the full two' year accreditation.

Our hospital is constantly upgrading its staff, facilities and equipment. In recent months, a carbon dioxide surgical laser has been added. The laser emits an invisible beam of light which vaporizes tissue, cutting and coagulating at the same time. It is used now for delicate surgery of the larynx, upper respiratory tract, and lung. It has potential, also, for surgery of other internal organs.

New ultrasound equipment provides improved accuracy in determining location and degree of blocked arteries. The department of dentistry is being expanded to meet an increasing need for specialty dental services. An occupational therapist has been added to the staff to help patients recover functional skills lost through accident or disease. A new instrument has been acquired for testing infants with suspected hearing loss.

The financial counseling section is now better prepared to assist those who need its services. Through a special arrangement with the Forsyth County Social Services Department, social workers and a counselor for the state's Crippled Children's Program are now stationed in the hospital and are immediately available to patients.

The staff and trustees continue to make every effort to keep operating costs as low as possible. In this connection, our hospital recently became a charter member of the Sun Alliance, an organization of 22 large hospitals in nine southeastern states. A primary purpose of the alliance is to keep operating costs (and consequently, patient charges) as low as possible through group purchasing of capital equipment, the development and sharing of comparative date and management information, and possible group arrangements with specialized consultants.

The Department of Pastoral Care continues to provide a pastoral ministry to hospital patients and their families, individual and group counseling in crisis situations, clinical pastoral education at several levels, and numerous events in human enrichment and development. During the past year, the department has begun a Minister's Care Plan in which the Baptist State Convention provides financial assistance for ministers and/or their families who seek pastoral counseling through one of the department's regional centers. Also, the position of Chaplain to Medical Students has been elevated to a staff/faculty position.

The hospital staff is grateful to the Baptists of North Carolina for continuing financial support. During 1979, the hospital received $400,500 through the Cooperative Program, and $357,517 through the North Carolina Missions Offering and designated gifts.

SEMINARY EXTENSION REPORT

Dr. Corbin L. Cooper, Director
Seminary Extension Department, N. C. State Convention

People who work with Seminary Extension believe that learning is something which should take place throughout life. Learning is also something which should prepare individuals for life's significant tasks.

Seminary Extension is a movement born out of an expressed need within Southern Baptist life for ministry training opportunities beyond the college or seminary campus. Its goal is to bring continuing theological education within reach of ministers and lay church leaders, regardless of age, geographical location, or level of formal educational background.

More than 10,000 persons currently are enrolled in one or more courses. Seminary Extension students are in all fifty states and a number of foreign countries. Eighty percent of these attend classes in one of the approximately 400 Seminary Extension centers.

North Carolina Baptist help underwrite the cost of study with Seminary Extension through the Cooperative Program budget. This subsidy helps keep the cost per course within a range every stuent can afford. This is a major reason why our state has had the largest statewide Seminary Extension program in the United States for the sixth consecutive year.

During the past year 78 Seminary Extension centers have been active throughout North Carolina. These include 16 centers among General Baptists established in connection with Shaw Divinity School in Raleigh.

This is the first year the department has offered courses for prison inmates. Five classes were held in two prisons with 127 inmates participating. Also, 20 inmates enrolled in a total of 30 courses in independent study in 10 prisons. This program is providing some exciting results, but it faces financial difficulty.

In our Association we had two classes this year taught by Miss Sue Fitzgerald at the Baptist Building with 26 enrolled, and two classes taught by Reverend Gilbert Barnhill at Craggy Prison with 40 enrolled.

COOPERATIVE MINISTRIES WITH GENERAL BAPTISTS

Dr. Corbin L. Cooper, Director

Baptist churches and associations in two state conventions in North Carolina have been challenged to experience their biggest project in history in 1982. The Join Committee on Evangelism is working hard to lay the groundwork for all extensive statewide evangelistic effort during the year. Churches and associations are encouraged to plan interracial activities with their counterparts. Subcomittees are at work on eight basic thrusts adopted by both conventions. The theme of the revival crusade is "Here's Hope."

Pastors, moderators, and directors of associational missions have been invited to plan local activities. All Baptists are invited to attend a joint state convention in Greensboro, November 2 - 4, 1981.

SUMMER YOUTH PROGRAM — A total of 47 young people were appointed to serve in 21 locations throughout the state. They provided a variety of programs for 2,180 children and teenagers.

CAMPUS MINISTRY — Some highlights of our programs with college students:

1. Sponsored 20 students to a fall BSU Convention at Ridgecrest
2. Sponsored 5 students to the National Black Christian Leadership Conference, Atlanta, Georgia.
3. Conducted a Cultural Awareness Conference for 20 students in Raleigh.
4. Helped sponsor a black student conference at Caraway for over 200 students.
5. Sponsored 98 students to the National Baptist Student Retreat in Memphis, Tennessee.
6. Conducted a Human Awareness Conference at Pembroke State University.
7. Provided financial support for the campus ministry at North Carolina Central University, Durham.

STUDENT AID FUND — A total of $13,050. was provided for scholarship assistance (Including $2,600. in matching funds) to 31 students attending 10 schools.

VACATION BIBLE SCHOOL CLINICS — The department promoted and assisted with regional clinics again this year.

SEMINARY EXTENSION — Our second year with the re-arranged Department of Seminary Extension with Shaw Divinity School resulted in 1,026 registrations for 45 classes in 16 centers. The first center to complete the new Certificate of Merit included 34 students in New Bern.

The total record of Seminary Extension courses held in General Baptist

churches by the department from September, 1970, through July, 1980, is as follows:

No. of people enrolled	1,120
No. of registration	2,655
No. of courses taught	111

A total of 78 centers in both state conventions continues to represent the largest statewide program of its kind in the United States.

RETIREMENT PROGRAM — Eight new members were added this year bringing the total to 33. The two conventions added $9,267.05 to membership dues as matching funds.

Cooperative Ministries Department distributed this year a new book, A Road to Reconciliation, published by the Home Mission Board.
